OCE Wolves Plan Ruin For Ore Tech Homecoming

KC Exec Resigns; New Job

KANSAS CITY, Mo. (UPI)—The unexpected resignation of Asst. General Manager Bill Bergesch today left the Kansas City Athletics devoid of experienced baseball men in the front office.

Bergesch, who has devoted 15 years to the game, quit his job here Thursday to become director of the New York Mets' farm system.

His departure to the new National League club dropped the operation of the entire Athletics' organization into the hands of owner Charles O. Finley and General Manager Pat Friday, a pair of insurance executives with no background in baseball.

Bergesch, 38, was the last survivor of an experienced five-man front office staff Finley employed when he purchased the American League club last December. The owner said their job was to build the Athletics, who had finished last the previous year, into a pennant contender.

But before the halfway mark last season, Finley had fired three of the five—including General Manager Frank Lane and field manager Joe Gordon. The fourth, player personnel director George Selkirk, quit during the season.

Finley named Friday general manager to replace Lane, and Bergesch assumed the duties of Selkirk and ousted farm director Hank Peters. Neither Selkirk nor Peters was replaced.

TRUCK-LOAD OF ANTLERS — It took a pickup truck just to haul the rack of the deer brought home by Paul Kuhnell, Clyde Hayes, Mr. and Mrs. Gary Hayes of Alturas and Everett Lynn of Marysville, Calif. Clyde Hayes shows the big four-point buck he shot in Devils Garden last week and Paul Kuhnell sits between two more big four pointers. The buck at bottom, left, was in full velvet with eleven points counted on one side . . . a rarity in any hunt. It was bagged by Gary Hayes.

Nation's Fighters Defeated

LONDON (AP) — "We used to lead the world in boxing," said Coach Bert Taylor today after his American amateur fighters suffered a humiliating 10-0 defeat to Britain in the opener of a European tour.

"Perhaps last night's result will make some people at home think a little more seriously about it."

The British rout of a U.S. team that included five reigning AAU champions left Taylor, as well as his unhappy fighters, more than a bit shaken.

Only four of the 10 matches went the scheduled three-round distance. When it was over, one U.S. fighter was in a hospital, two others had concussions and one of these also needed several stitches to close a bad cut inside his mouth.

"Our boys got together in New York only last weekend, and they have had no chance to do any serious training since arriving here," Taylor said.

The only American fighters who lasted the full three rounds—only to lose on points—were bantamweight Johnny Cesspooch of Fort Duchesne, Utah; light welterweight Jim Caldwell of Shawano, Wis.; welterweight Phil Baldwin of Muskegon Heights, Mich., and lightweight Woodie Marcus of Pocatello, Idaho.

Light middleweight Roy McMillan of Toledo was taken to a hospital for x-rays of damaged ribs.

Visitors Want Revenge For '60 Loss; Classic Battle Slated On Modoc Field

There are two things that the Oregon College Wolves enjoy doing very much—beating Southern Oregon and Oregon Tech, on the football field, especially.

This year they were disappointed by the Red Raiders but they have a chance to make up for that tomorrow afternoon on Modoc Field. They clash with the Owls at 2 p.m. in a struggle which features the Oregon Tech Homecoming celebration.

Coach Bill McArthur's Wolves have an added incentive for wanting to lick the Owls and spoil their Homecoming.

CLAIRE HAWKINS
. . . Owl tackle

While en route to their undefeated season in 1960 the Techmen visited the OCE campus in Monmouth and went home with a stinging 26-13 victory under their belts. Revenge would soothe the Wolves, and remove some of the dark taste left by the Raiders who beat them last weekend.

The OCE eleven has decided to wear red jerseys for the Saturday invasion, a hue that has never been one of the Owls' favorite colors.

The invaders, who list 26 returning lettermen among the players making the Klamath Falls excursion, are rated the favorites in tomorrow's game.

Coach Rex Hunsaker's crew includes 10 freshman players, their only experience to date, with the exception of their high school careers, being the time they have spent in the Tech lineup over the first seven games this year.

The visitors are led by halfback Bob Pennel, one of the conference's toughest ground-gainers, and steered by quarterback Chuck Burns.

The Wolf attack includes very little passing, their strength coming from powerful off-tackle slants that promise to keep the center of the Owl defensive unit loose.

Defense, however, is the Techmen's long suit. An offense that can "go" has been the chief lack for the Owls in the action thus far.

The Mile High squad needs a win over the Wolves in order to stay in a tie for second place.

The Techmen will cap their preparations for the Saturday battle with signal-drills and specialty work this afternoon and then attend the mammoth bonfire on Biehn Street tonight where they will be introduced by Hunsaker and aides George Miller and Jim Cordial.

ED ANDERSON

The general trend of the meeting should follow this line of thought, "We'd rather beat Oregon College than beat Notre Dame."

The Wolves, however, feel the same way about their hosts.

Snead Faces PGA Group For Appeal

HOLLYWOOD, Fla. (UPI)—Sam Snead goes before the Professional Golfers Association (PGA) appeals committee here tonight to fight for reinstatement on the tournament circuit.

Snead was handed a six-month suspension and a $5,000 fine in September for playing in a Cincinnati pro-amateur tournament without first getting a "release" from the PGA-sponsored Portland, Ore., open.

PGA rules require that the circuit's top pros get approval from officials of any PGA tournament before playing in a conflicting tournament.

Snead insisted at the time that he required the Portland officials to release him but didn't get an answer until he had started playing at Cincinnati. He said he withdrew from the pro-am after denied a release by the Portland tournament, but was notified at the same time of his suspension and fine.

Snead was also removed from the Ryder Cup team.

"I would have gone ahead and paid the fine and taken the suspension, even though it was a dirty deal. But when they kicked me off the Ryder Cup team, that was too much. I won that fair and square," Snead said.

He added that he felt he did not "have a chance of winning" his protest to the appeals committee, "but I'm not going down without kicking."

Ducks Battle For Prestige; Cougars Invade Beaverville

By THE ASSOCIATED PRESS

UCLA hosts Califirnia while Southern California invades Washington in Saturday's chapter of the Big Five Conference football race while Oregon battles for added prestige in meeting the Stanford Indians.

The two Big Five contests will go a long way toward clarifying the Rose Bowl chase as UCLA and USC both boast 1-0 conference records with California and Washington both 1-1.

Independent Oregon, having knocked off the Huskies of Washington 7-6 last week, seek a second straight Big Five victim at Stanford with the Indians 0-2 in the conference.

Washington State, upset 21-19 by San Jose State a week ago, goes to Oregon State.

San Jose, after upsetting the Cougars, hosts a revenge-minded Arizona State University Sun Devil club with a 5-1 record. The past three seasons, however, the Arizonans have lost to the Spartans.

In the other action, the University of Pacific Tigers journey north to meet the Vandals of Idaho.

UCLA Coach Bill Barnes still seeks to put more passing into his single wing attack. Tailbacks Bob Smith and Mike Haffner have been effective as runners but have completed only one pass the past two games—that one in a 20-0 victory over Stanford a week ago. So Keith Jensen, a fourth stringer, is getting a chance to show how how he can throw the ball.

California appears to have quarterback Randy Gold back on the passing beam as he completed 9 of 11 throws in a 33-16 loss to powerful Penn State a week ago.

Southern California could find its passing attack hampered by the weather at Seattle as rain was a good possibility. Fleet halfbacks Willie Brown of the visiting Trojans and Charlie Mitchell of Washington both are reported ready for action. USC, with a 3-3 record, has won its last two outings, over California and Illinois.

Oregon probably must operate against Stanford with the Ducks' No. 1 quarterback Doug Post out of action. He suffered a back bruise against Washington. Ron Veres, who threw the winning touchdown pass last Saturday, gets the starting call.

Stanford also has quarterback troubles with sophomore Steve Thurlow probably out for the season with an attack of mononucleosis. Rod Sears starts, with Chuck Butler the understudy.

Oregon State gets ends Dick Hill and Roger Johnson off the injury list for the homecoming game against Washington State. They could be targets fotr quarterback Terry Baker. The visiting Cougars have the top passing combine of quarterback Mel Melin and end Hugh Campbell.

Dallas Win Could Hand Title To SD

By THE ASSOCIATED PRESS

Dallas plays at Boston tonight in a game that might hand the Western Division championship of the American Football League to San Diego.

Dallas is second to San Diego but 4½ games back. If the Texans lose they will be five behind.

Sunday San Diego clashes with New York, one of the clubs tied for the lead in the Eastern Division. The Chargers, who are unbeaten for the season, then would have to take down New York to clinch the championship because they would be 5½ games ahead with only five to play.

The Dallas-Boston game is a grudge affair since the Patriots went into the Dallas bailwick last Sunday and knocked off the Texans 18-17 on a last-second field goal by Gino Cappelletti.

Should San Diego beat New York, regardless of how the Dallas-Boston game comes out, there could be a new leader or leaders of the Eastern division. Houston, the 1960 league champion, is only one-half game out of first place and the Oilers meet Denver at Denver Sunday.

A Houston victory plus a New York loss plus a Dallas victory over Boston would shove the Oilers into first place.

UO Frosh Measure OSU 12-0

PORTLAND (AP) — The Oregon Frosh, scoring early and late, defeated the Oregon State Rooks 12-0 on a slippery Multnomah Stadium field Thursday night.

Cary Tommeraasen ran 28 yards to score in the first period and Bob Burles loped 49 yards with a pass interception in the fourth quarter to highlight a strictly defensive game.

The heavy going prevented both teams from opening up. Frosh quarterback Mike Brundage of Roseburg and Gordon Queen of the Rooks both were ineffective with passes.

Tommeraasen's touchdown was set up when the Ducklings recovered a fumble near midfield. The 170-pounder from Orland, Calif., State, slipped away from the last Rook defender on the 15.

Burles, a former Marshfield player, was home free after intercepting a wide pass by Queen.

SOC Red Raiders Get OCC Title Shot

ASHLAND (Special)—Owning at least a tie for the Oregon Collegiate Conference football crown, Southern Oregon College's rampaging Red Raiders will attempt to finish league play with an unbeaten record when they travel to La Grande for a Saturday afternoon contest with the Eastern Oregon College Mountaineers.

Southern Oregon relied on the accurate arm of sophomore quarterback Doug Olsen to hand Oregon College of Education a 26-7 whipping here last Saturday night for the Raiders' third consecutive OCC victory without a defeat. A win over the Mounties would give the SOC eleven its first undisputed conference championship since the 1957 season.

Olsen, rated fourth in national passing statistics last week, increased his season total to 1,006 passing yards with a 286-yard effort against OCE. He completed 17 of 31 aerials and now has a season record of 79 completions in 153 attempts for a solid .516 percentage.

Fullback Al "the Horse" Barnes, rated second in OCC rushing statistics last week, ground out 64 yards against OCE to push his season total to 486 or an average of 4.9 per carry. Halfbacks Doyle Bransom and Kerm Bennett rank second and third, respectively, behind Barnes with 311 and 240 yard totals.

In the pass receiving category, Howard Hartman upped his nation-leading total to 38 receptions for 413 yards and five touchdowns after snagging four against OCE. Dave Hughes is a not-too-far distant second behind Hartman with 23 passes caught for 332 yards. Bransom has caught five for 109 yards.

Tony Brauner, the only senior on this year's Raider squad, continues to handle all SOC punting chores with an average of 32.9 yards per boot on 22 attempts. Opponents are averaging 28.9 on 28 punts.

In team scoring, Hartman leads the way with 39 points as the Red Raiders are averaging 18.3 points per game as compared to the opponent's average of 20 in seven games.

Chicago Mentor Protests

WASHINGTON (AP) — Coach Andy Phillip of the Chicago Majors prepared to protest today to the commissioner of the American Basketball League his team's slip-and-slide loss to the Washington Tapers Thursday night.

Professional basketball returned to Washington after an absence of more than 10 years as the Tapers edged Chicago 65-64 in a wild thriller.

With it returned a problem that pestered the old Caps of the National Basketball Association—moisture on the court when it is laid down over the ice rink in the humid night.

Phillip had another complaint, too, on an official's call in the final nine seconds of the game.

Tony Jackson had just popped two baskets in a row to put the Tapers ahead 65-64. Jackson was high scorer in the game with 17 points.

Eagle Boss Drills Crew For Defense

PHILADELPHIA (AP)—Coach Nick Skorich of the Philadelphia Eagles figures the Chicago Bears have about 25 defenses, probably the most in the National Football League. He's been drilling his Eagles all week on how to cope with them.

"They never let you see the same defense," Skorich said today in reviewing Sunday's opponent at Franklin Field in one of the top NFL games. "They do more things."

The Eagles, expected to be at full strength physically, will be out to protect their slim Eastern Conference lead while the second-place Western Conference Bears, who also have a strong offensive, will be out to gain ground on Green Bay.

In other games Sunday, St. Louis is at Dallas, Pittsburgh goes to Cleveland, Washington visits New York, Minnesota is at Los Angeles, Detroit goes to San Francisco and Green Bay is at Baltimore.

Saturday Day Of Decision For Top-Ranked Grid Squads

By THE ASSOCIATED PRESS

Before the beginning of the college football season, Nov. 4 was pencilled off as the day of decision—and nothing has changed as the nation's top teams battle each other Saturday in key conference battles that may also have a lot to say about the post-season bowl spots.

Michigan State, the nation's No. 1 team and undefeated in five meets once-beaten but mighty Minnesota in a Big Ten battle, while Mississippi, equally as mighty and ranked second nationally takes on its old nemesis Louisiana State in the Southeastern Conference's biggest game of the year.

That is just a sample and to get things underway, resurgent University of Miami (3-3) tackles the Georgia Bulldogs tonight. The Hurricanes at last have soph quarterback George Mira back in top physical shape. He missed two of Miami's losses but came back last week in so-so condition to help upset North Carolina 10-0.

The Bulldogs, also 3-3, are a bunch of opportunists. Their three victories have been by the margin of Durwood Pennington's field goal kicking, 17-14 over South Carolina, 10-7 from Mississippi State and 16-15 last week against Kentucky.

Both Michigan State and Mississippi have statistical edges, but it is hard to find solid support for both. The Spartans have a powerful ground offense, ranked fifth nationally, and a defense that has allowed only one touchdown and a field goal, and has shut out its three Big Ten opponents.

Ole Miss is second nationally in total offense and passing offense and has a defense that is rated fourth as Coach John Vaught's three units have little to distinguish between them, performance-wise.

Minnesota, also 3-0 in the Big Ten, is led by quarterback Sandy Stephens, the conference's total offense leader. Its defense is third best nationally, but rated tenth against rushing.

LSU (No. 6), was the last team to beat Mississippi—21 games ago—and last year spoiled a perfect Ole Miss season with a 6-6 tie. Both are 3-0 in the SEC, but LSU is not as strong offensively and its defense, while tough, is still not rated as highly as that of the Rebels.

In a companion Big Ten thriller fifth-ranked Ohio State, also 3-0 in the conference, meets ninth-ranked Iowa.

Third-ranked Texas, the nation's No. 1 offensive unit, takes on Southern Methodist in a Southwest Conference game, looking for its seventh victory without a loss. Alabama, ranked fourth and atop the SEC with 4-0, meets conference foe Mississippi State. And Georgia Tech (No. 7) plays Florida in another SEC game.

The Big Eight conference has its big one this year when unbeaten Colorado, ranked eighth with a 5-0 over-all mark, and 4-0 in league play, battles for first place against Missouri (5-0-1).

In intersectional games, Navy plays at Notre Dame and Duke, the Atlantic Coast leader, goes against Michigan. Syracuse and Pitt tangle in the East's top game while Rutgers, the nation's only other major undefeated team at 5-0, plays Lafayette.

AFL Crowds Showing Gain

DALLAS (AP) — It still isn't paying a profit but attendance in the American Football League is up 7.4 per cent over last year, the league's maiden season.

With 30 games played, the average attendance has been 17,801. The average is 1,243 more than 1960 when 16,558 paid to see a game.

San Diego, the league's unbeaten leader, also tops the circuit in attendance. In three home games the San Diego average has been 27,332 and the Chargers expect to go over the 30,000 mark for the remaining four.

An average of about 25,000 is required to start making a profit although some of the clubs can do so with less.

UI Reviews Week's Work

MOSCOW, Idaho (AP) — Idaho reviewed offense and defense jobs Thursday as the Vandals got set to host the University of the Pacific Saturday.

Coach Skip Stahley ran his squad in dummy scrimmage against the Vandal frosh. The emphasis was on Idaho's air attack and on defense against the Pacific running attack.

The Vandals worked out in weather near freezing, but Stahley said the cold wouldn't bother his boys "just so long as the ground stays dry and we're able to throw the ball around."

Golfer Don Whitt registered back-to-back eagles in the 1956 Phoenix Open and in the 1958 Montebello Open. He won the latter.

Tampa May Quit Football

TAMPA, Fla. (UPI) — This could be the last year of intercollegiate football at Tampa University.

President David Delo said Thursday that the board of trustees was considering dropping football at the end of this season. He said he told the athletic department not to recruit any more football players until further notice.

Delo said that a decision probably would be made by the end of the year.

Par Busters Lead In Open

SAN JOSE, Calif. (AP) — Two youngsters led 15 par busters into the second round of the $10,000 Almaden Open Golf Tournament today.

Larry Mowry and Johnny Lotz each shot 5-under-par 67s Thursday.

Mowry, 24, is assistant pro at Bonita, Calif. Lotz, 21, one of three amateurs among the subpar belters, is a San Jose State College student.

Defending champ Charlie Sifford of Los Angeles was one of five pros scoring 69, sharing third spot with Jim Ferrier, Jack O'Keefe, Chico Miartuz and Bob McCallister.

The biggest names in the field, Bob Rosburg and Ken Venturi, were back in the bushes. Rosburg's par 72 got him into a 10-way tie for 16th place. Venturi, winner here in 1959, had 73.

PROMISES RETURN BOUT

LONDON (UPI) — Promoter Jack Solomons has promised John Caldwell of North Ireland a return fight with Eder Jofre in the event the Brazilian wins their January fight for the world bantamweight championship.
