SP Presents Dunsmuir Track, Cars For Park

DUNSMUIR — Two and a half miles of railroad track plus rolling stock to set up an operating train has been given to the city of Dunsmuir by Southern Pacific Company, Mayor David Anderson announced at Monday night's city council meeting.

Mayor Anderson in expressing great appreciation to the railroad company said no monetary value could be placed on the gift except that it is priceless.

The donation will be used in the development of the Transportation Museum and Park near Dunsmuir. The gift was announced in a letter to the city from A. D. DeMoss, Shasta Division superintendent for Southern Pacific.

Carl Clement who heads the park development said this generous act of Southern Pacific is a major step toward completion of this recreational attraction designed to preserve railroading history. The donation represents recently retired railroad equipment and Clement is currently searching for a small steam engine to complete the train complement.

The operating train is to be set up on a track system to be constructed at Little Castle Creek two miles south.

In other council business, John Burgess, owner of the Dunsmuir Television Cable Company, was given 10 days to sign a franchise agreement with the city or have his franchise declared invalid. Burgess said he is awaiting an opinion from an attorney on the television franchise ordinance passed in November.

Anderson said only two factors were involved—funds due the city for last year's franchise payment and the fact the ordinance stipulates written acceptance Burgess was informed that in not meeting requirements of the ordinance that he has no rights as a legal entity.

Judge A. A. Smith, president of the Key Club, and David Otis, attorney, appeared before the council requesting the city pass a resolution favoring establishment of a Southern Siskiyou Municipal Utility District to provide maintenance funds for the Key Club television translator system. This was tabled for further study when a motion to adopt the resolution failed for lack of a second.

Smith said voluntary contributions for maintenance of the translator system were not practical. A brief controversy over the relative merits of translator over cable reception was quelled by Anderson as not reflecting city business. Smith pointed out the translator may be used by anyone with a television set and now serves Dunsmuir and Mount Shasta and adjoining areas.

The salary of James Lambert, part-time fire chief, was raised from $112 per month to $140 per month but consideration of a full-time fire chief was ruled out for lack of adequate finances.

The city clerk was instructed to advertise for bids for refloring the council chamber. Bids will be opened at the Feb. 4 meeting.

Reservation Jaycees Set Award Night

CHILOQUIN—Five awards for recognition of outstanding community contributions for 1962 will be presented during the annual Reservation Jaycees Distinguished Service Awards banquet on Saturday, Jan. 19, in the Masonic Hall. Serving will start promptly at 7 p.m.

Awards to be presented includes DSA for a young man, 35 or under; PTA Senior Citizen, man or woman, 36 years or over; Outstanding Young Farmer; Jaycee of the Year; Key Man of the Reservation Jaycees.

Tickets at $2 per plate for the annual crab dinner will be limited and may not be available at the door. Those planning to attend are urged to get them early from Kircher's Hardware, Ron's Drugs or any Jaycee member. Seating is limited to 200 guests.

Dinner will be prepared and served by Cascade Crest Chapter, Order of the Eastern Star.

Alex Smith, supervisor of the Winema National Forest, will be guest speaker. John Pluffe, past president of the Reservation Jaycees, will be master of ceremonies.

Parks Faces Jail Term

Judge David R. Vandenberg revoked the probation of Veldon Parks, initially arrested on a charge of forgery and placed on probation sometime ago, following a hearing in circuit court Tuesday afternoon. The jurist set 9:30 a.m. Friday, Jan. 11, as the time for sentencing.

At the hearing, Klamath County probation officer Lawrence Lusk testified that Parks has written worthless checks in the Bend area since his probation.

Parks was apprehended by Portland police last month and held for the Klamath County Sheriff's Office, which arranged for his return here on Dec. 27.

Five Youths Leave Homes

Five juveniles were involved in three separate run-away incidents Monday, city police reported.

Two young girls who were staying at the Klamath County Juvenile Home, Vandenberg Road, left the home about 8:28 p.m. Monday after breaking out a window.

The girls were seen at 9:25 p.m. at Seventh and Main streets by a juvenile officer. One of the girls, a 12-year-old, was taken back to the home. The other girl, 14 years old, eluded the officer.

Two other juvenile girls, one 14 and the other 15, ran away from the foster home they were staying at between midnight and 7 a.m.

The girls took some of their belongings from the house and it was assumed they had outside help. The 15-year-old returned shortly after of her own volition, but the other girl has not yet been found.

A 14-year-old boy who was on probation from the Klamath County Juvenile Department failed to return home after classes at KUHS at 5 p.m., city police reported.

Four Injured In Auto Accidents Within City

Four persons were injured in two separate auto accidents involving four cars Tuesday, according to city police reports.

Cathy Braman, 14, 5055 Harlan Drive, received deep face cuts when a car in which she was a passenger went out of control and crashed into a telephone pole.

The accident occurred at 7:16 p.m. at East Main Street and Wantland Avenue. The driver of the car, Gerald Wayne Jessup, 19, 5065 Harlan, told police his leg was bothering him and he looked down for an instant to see what the trouble was. As he did this he lost control of the car and crashed.

Miss Braman was taken to Klamath Valley Hospital where she was treated and released. Jessup was cited for not having his vehicle under control.

Three persons received minor injuries in a three-car collision at 10:45 a.m. at the intersection of South Sixth and East Main streets.

Vehicles driven by Nellie Curtis Nicol, 49, 4831 Clinton Avenue, and Russell Hoyel Cotter, 46, 2334 Vine Street, were stopped in traffic when a third car driven by George Christopher Weber, 67, 4740 Laverne Street, struck the rear of the Cotter vehicle pushing it into the Nicol car.

Weber was cited by city police for following too closely. Nicol and Cotter complained of whiplash neck injuries and Weber received a bump on the forehead. An ambulance was not needed.

The damage to Weber's car was extensive and the Cotter vehicle received damage in both the front and rear. The rear bumper of the Nicol vehicle was also damaged in the collision.

Spud Theft Suspect Eludes Arrest

A Lorella man arrested on suspicion of theft by officers of the Sheriff's Department at a South Sixth Street tavern late Tuesday night fled from his captors near the county jail a short time later and escaped in the vicinity of Klamath Avenue and South Fifth Street, the sheriff's office reported Wednesday.

The sheriff's office requested assistance from the city and state police about 12:14 a.m., but Richard Giffin, 27, sought on suspicion of the theft of 10 sacks of certified potatoes from the John Jendrzejewski ranch at Bonanza, eluded police througnout the early morning search.

Jendrzejewski had valued the special potatoes, stolen last weekend, at $450.

Sheriff Murray "Red" Britton reported that late last night he learned Giffin was at a tavern near the Lakeview-Merrill Junction and went with deputy Del Summers and jailer Walter Thorn to apprehend the suspect.

A short time later the three men arrived at the tavern and took Giffin into custody. Summers then left and Thorn and Sheriff Britton drove the suspect to the county jail, with the sheriff doing the driving.

As the sheriff stopped the car in front of the jail, Giffin stepped out of the automobile and fled on foot down Klamath Avenue, with Sheriff Britton and Thorn in pursuit. The fugitive turned north on Fifth Street and passed from view in a nearby alley, the sheriff said. A subsequent search by officers of the sheriff's office and city and state police failed to turn up any trace of Giffin.

Sheriff's deputy Summers said Jendrzejewski would sign an official complaint against Giffin sometime Thursday and added that the sheriff's office would also seek to charge him with fleeing from justice.

Skid Hurts Bly Woman

A Bly woman was in satisfactory condition at Klamath Valley Hospital early Tuesday as the result of a traffic accident in which the automobile she was driving skidded on icy pavement and went into a ditch, near Mile Post 33 on Highway 66.

The victim, Mrs. Ivan Warren, P.O. Box 347, Bly, received lacerations and contusions and was taken to the local hospital by a passing motorist, state police said. Police learned of the accident when a patrol car officer on duty observed the car in the ditch about 1 p.m.

In another vehicular accident Tuesday, a truck and an atuomobile, both eastbound, collided near the Merrill - Lakeview Junction about noon when one of the motorists attempted to pass the other on the right side of the highway.

Jack Leroy Wiek, 28, 1425 Pleasant Street, was driving his automobile near the junction when he suddenly slowed down and turned right without signaling, police said.

Meanwhile, Jewell Forest Cox, 44, 175 East Bethel Street, Corvallis, was in his truck following about 100 yards behind the Wiek vehicle when the car came to a sudden stop, police reports state.

To avert a rear-end collision, Cox attempted to pass the car on the right shoulder of the highway but was struck by the automobile as it turned off the road.

Wiek's car received moderate damage and was removed by a local towing firm.

Class Hangs On Students

Thursday night will determine whether or not University of Oregon extension class, History of the United States, will continue here this term.

Instructor H. C. Voeltz, Ph. D., Eugene, says he is willing to make the weekly drive over Willamette Pass to teach the class if the required number of students register.

Purpose of the class is to provide a background tor analyzing events occurring in the world today through an understanding of what has happened in the past.

At last week's session, Dr. Voeltz lectured on events in Cuba that detonated the Spanish-American War, often called the United States' most popular war. Dr. Voeltz pointed out how events and attitudes of that time are influencing the present Cuban crisis.

Class time is 7 p.m. Thursday in Room 214 at Klamath Union High School.

Students may register for credit or those interested only in the background value of the class may register as "auditors."

Tule, Newell Lead Donors

MERRILL—Tulelake and Newell produced the largest number of donors in the Merrill - Malin-Tulelake - Newell donations for the January visit of the Red Cross Bloodmobile here Jan. 8. A total of 178 pints were received from 203 donors.

Tulelake and Newell donors contributed 121 pints of olood. Chairman Bill Ganger attributed success of the participation to the sponsoring PTAs at Tulelake and Newell whose members conducted a telephone campaign, reminding residents of the need for blood to build up the state supply depleted over the holiday season.

Ganger will tally statistics on the number of donors from each of the Rotary and Kiwanis Clubs to determine who will buy a dinner for the losers.

The Merrill Lions Club recruited 48 donors, Malin Eastern Star, 30. There were five drop-ins from Klamath Falls and Bonanza.

The second operation is to be completed today at Kingsley Field, 10 a.m. to 3 p.m.
