Coach Hired To Supervise Teen Events

DUNSMUIR — James Bujol, Dunsmuir High School football coach, has been hired by the Dunsmuir Recreation District to supervise teen events at the Community Youth Building.

The program calls for two high school social events per month and two for seventh and eighth graders. The program will be supported with matching funds donated by the city of Dunsmuir to the recreation district.

However, at the recreation district meeting Tuesday, Bujol and the commission members agreed the program should be supported as much as possible by the teen groups themselves.

Organization of these teen groups is already underway and they will be encouraged to elect their own officers, determine their own recreational needs, and draw up their own rules and codes of behavior.

The groups will be asked to submit a calendar of activity dates so the Lions Club can plan for use of the building for other events when not in use by the teen groups.

The cement block and steel building was completed this winter, adjacent to the Dunsmuir ballpark, under Lions Club sponsorship.

One of the first water birds to return north in the spring is the Canada goose.
