Professional Fighting Returns To Klamath Falls

Vearl Sherman, promoter for Portland Boxing Attractions, Inc., has announced that his first professional fight card for the Klamath Falls area, the first for Klamath in about three years, will be held at the Klamath Auditorium Tuesday night, Feb. 26.

Sherman, to insure the boxing fans of the Klamath Falls area that he will bring top flight fights to this area, has lined up a double main event to start off on the road to getting boxing back on its feet here.

Topping the card will be a couple of the best light heavyweights in the West, Sid Carter and Archie Ray. Carter is the top light heavy in the Pacific Northwest and will tangle with Ray of Phoenix, Ariz.

The other 10-round bout will pit a fighter who lived for some time in the Grants Pass area and is now fighting out of Portland. He is "Chief" Ken Coruthers, a Choctaw Indian, and a real tough competitor.

Coruthers will be facing Ramon (Buffalo) Hernandez of Hermosillo, Mex. These boys weigh in at 164 pounds and should be a great fight. Hernandez recently lost a decision to Portland's Bobby Horn, the undefeated and climbing Portland fighter.

A bout of local interest will match Jim Burker, a local pro, and a fighter who is starting a comeback and has a good record. He is Eddie First Rider of Lethbridge, Canada. He is a full-blooded "Blood" Indian, and a top-notch fighter. He is rated one of the best welterweights in Canada. There will be at least two more bouts on this card which are not signed as yet.

Ray has 10 wins against one loss and was rated the Prospect of the Month by Ring Magazine in September, 1962. He will come in at about 178 pounds.

Carter, Ray's foe in the feature, has 14 professional fights and has yet to lose one. He will come in at about 170 pounds. He fights out of Seattle.

Rider is the veteran of the group with 65 pro fights with few losses. He is the western Canada welterweight champion.

Lakeview Woman Top Skier

LAKEVIEW — Jean Saubert of Lakeview is in the top place in the running for position on the 1964 U.S. Women's Olympics Ski Team, according to word received here from her parents, Mr. and Mrs. Jack Saubert, who are now located at Ogden, Utah.

Jean cinched the top spot when she won first place in the downhill at Vail, Colo., during the first Saturday in February. Her time was 1:42.5. On Sunday she won first in the slalom.

The Lakeview girl is a junior at Oregon State University but is not attending during winter term in order to take part in the eight trout events scheduled. She is training with the Mammoth Mountain team at Crowley Lake, Calif. In early March she will ski at Sun Valley and in April will go to Alaska for the trials there.

Mrs. Saubert reported that Linda Meyers, also of the Mammoth Mountain team, broke her collarbone last week in Colorado. Linda, a close friend of Jean's, has visited in Lakeview several times. She was a strong member of the U.S. world team at the Chamonix, France, races last year.

Clark Sets New Record

SAN FRANCISCO (UPI)—Charley Clark, the Southern California Striders' great distance man, held a new American citizens record today of 8:45.8 for the two mile run and Ulis Williams of Arizona State proved that he can give it as well as take it.

A sellout crowd of 13,721 who welcomed indoor track back to San Francisco blew its top Friday night as Clark overtook Danny Murphy of San Jose State in the final lap and went on to beat him in a hectic two miler. Murphy had taken the lead from Clark and moved out to as far as 15 yards with a couple of laps left before the latter came back to beat him.

Clark knocked two tenths of a second off his old mark, the only record to fall during the night.

Williams nearly fell on the steeply banked turn while battling it out with Jack Yerman in the 440-yard run which saw the latter post another win and remain undefeated on the indoor circuit.

Williams said afterward that he thought Yerman had pushed him but there was no official inquiry launched and the former California Bear won the event in a time of :48.4.

The pole vault, high jump and mile run were sub-par to the modern way of thinking. None of the vaulters could make it over at 16 feet. Brian Sternberg of the University of Washington was named the winner on the basis of making the least misses. His best height was 15 feet, 6 inches, the same as recorded by C. K. Yang and Ron Morris who were tied for second at the same level.

John Thomas needed only seven feet even to win the high jump. He took three shots at seven feet one inch and missed them. Joe Faust and Gene Johnson, two other members of the seven foot club, tied for second with 6-8 each.

Hayes Jones of Detroit matched another kind of record when he easily won his 40th consecutive hurdles test to deadlock the mark of 40 set by the great Harrison Dillard of Baldwin Wallace.

It was Keith Forman in the mile but the winning time was only 4:05.6 by a youth who has done it in 3:58.7 outdoors. Cary Weisiger made a desperate rally in the late strides but had to take second with the same time. Finland's Olavi Salonen, also a sub-four minute man, was third in 4:05.7.

Herb Carper, Santa Barbara's sharp sprinter, came out a triple winner by virtue of nailing down all three races in the sprint series. He won the 60-yards in 6.1, the 50 yards in 5.3 and the 25-yard challenge dash in 3.1.

Cousy Honored By Providence

By United Press International

It was hale and farewell for Bob Cousy in Providence, R.I., Friday night and the great Boston Celtic star left 'em cheering.

Cousy, who will retire at the end of this National Basketball Association season, was honored between halves of the Celtics' 123-114 victory over the Syracuse Nationals. It was his final appearance as a pro in Providence—where he first attracted attention as a star college player at nearby Holy Cross—and he was presented with several plaques and scrolls.

Cousy responded with a tremendous 70-foot basket midway in the fourth period, bringing the crowd to its feet in appreciation. Bob gulped and looked as surprised as the 5,305 fans when his long, arching shot went through the cords without touching the backboard or rim.

Cousy wound up scoring 11 points but it was Tommy Heinsohn, with 33, who actually led the Boston attack. Hal Greer had 24 for the Nationals.

The St. Louis Hawks outscored Cincinnati, 19-16, in a "cold" fourth period to score a 99-96 victory over the Royals and the New York Knicks beat the Chicago Zephyrs, 135-131, in other games.

Bob Pettit was high scorer for the Hawks with 30 points while Johnny Green led the Knicks with 38.

Whitewolf Meets Savage In Main

The first big mat card in several weeks will be held in the Klamath Falls Auditorium Wednesday night with regular Wild Bill Savage taking on Billy Whitewolf in the main event which promises to be a brawl.

Savage, the transplanted Illinois grappler who now makes his home in Oregon City, will meet one of the hottest wrestlers to hit Klamath Falls in a long time in the Oklahoma Indian.

Whitewolf is just returning from Honolulu after drawing capacity crowds for four months. Savage may be in for a surprise because it is reported that Whitewolf is larger, stronger and a better wrestler than he was when he fought here a year ago.

He comes from Oklahoma State University where he wrestled on their team through 1959. He is now working on his Master's Degree and will possibly get it at the University of Oregon.

Savage says that he will give the Indian his own degree. "a punch right on his nose." It's a cinch there will be a few war-whoops and dances before the match is over because Savage will stir Whitewolf's blood and anything can happen.

Nick Kozak, the popular Canadian grappler from Vancouver, will return to meet veteran Kurt Von Poppenheim in the semifinal on this big card. Kozak has recently drawn big crowds in Salem and Roseburg and is considered one of the finest wrestlers ever developed in the Northwest.

Poppenheim is a real mat veteran and has appeared on TV matches around Portland for years He has the experience to give Kozak trouble.

Klamath's Buck Davidson will meet Cowboy Bob Boyer in the opening match. Boyer weighs in at about 200 pounds so he will have only about a 10-pound bulge on Buck, Davidson's greater experience should win against the fast moving Texas youngster.

Tickets for the card will be on sale at Dick Reeder's and the Waldorf. Match time is 8:15 p.m.

White Snaps Own Record Jump Mark

LOUISVILLE, Ky. (UPI)—Red-haired Willye White of Chicago's Mayor Daley Youth Foundation set a fast pace for the third annual Mason-Dixon games Saturday night by breaking her own meet and world indoor mark in the women's broad jump.

The Chicago star fouled on her first jump at the afternoon session, then leaped 19'7¾" to better the mark she set here last year by an inch and a quarter.

It was a good omen for Miss White, who was scheduled to run against Germany's blonde blitzen, Jutte Heine, in the 70-meter dash later in the meet.

Another German girl, Vera Kummenfeld, overtook Grace Butcher of the Cleveland recreation division team on the final turn to win the women's 880-yard run in 2:20.5.

The women's high jump was won by Estelle Baskerville, of the Ohio Track Club, Columbus, with a 5'1¾" jump that fell a quarter inch short of her own meet record. Teammate Chris Miller cleared the same height but had more misses, while Eleanor Montgomery of Cleveland, took third at 4'11¾".
