OCEAN FLIGHT PLANNED — Mrs. Betty Miller, freckle-faced Santa Monica, Calif., housewife and flight instructor, is shown at the controls of the twin-engined aircraft which she flew to Honolulu. Her flight will continue across the Pacific, taking her over the same path flown by Amelia Earhart when she disappeared 26 years ago. If Mrs. Miller's flight is completed, she will be the first woman to fly solo across the Pacific east to west.

Widows' Pensions Provided

Today, almost three years after the law was passed, many widows and orphans of World War II and Korean Conflict veterans are unaware of their eligibility to pensions, R. J. Novotny, manager of the Portland Veterans Administration Regional Office, said.

Before July 1, 1960, widows and children of World War II or Korean servicemen were entitled to pensions only if the deceased veteran had a service-connected disability at the time of his death.

Beginning on that date, Congress provided pensions for the widows and orphans of these veterans on an equal basis with the pensions granted to World War I veterans' widows and orphans. It is no longer necessary for the veteran to have had a service-connected disability.

The pensions range from $25 to $60 monthly for widows. For each child, $15 a month is added.

The pension for orphans is $35 monthly.

This benefit may be payable to a veteran's child or children even though the widow is not entitled to the pension because she remarried or her income or net worth exceeds certain limits.

Income from other sources must not exceed $1,800 yearly for a widow, and $3,000 annualy for a widow with a child or children.

The income limit for orphans is 1,800 yearly, exclusive of earned income.

The pension is paid if the deceased veteran was discharged under conditions other than dishonorable and had 90 or more days of service or was discharged sooner for a service-connected disability.

PTA Probes Probation Appraisal

DUNSMUIR — A 10-member committee was appointed at a meeting of the 25th District, California Congress of Parents and Teachers, to review recommendations of the Siskiyou County 1962 Grand Jury on the workings of the county probation office.

At the meeting in McCloud last Wednesday, it was noted that Siskiyou County has the highest case load per officer in the probation and juvenile departments of six northern counties and the lowest salary scale. This committee will meet in Yreka on May 22 and will present its recommendations at the next district meeting.

Robert Dais, assistant superintendent of schools, was the principal speaker at the meeting. He explained the county superintendent of schools office supervises 428 schools, advises 136 school board members, and assists with budget and building problems.

Pending legislation was reviewed by Edna Barr, district secondary schools chairman. She was particularly emphatic about the advantages of the bill which will provide state aid for libraries. Support of this bill is urged by the CCPT legislative committee.

New officers of the 25th district, elected and installed at the meeting, are Mrs. Lloyd Westby, Happy Camp, president; Mrs. Paul Dunham, Yreka, vice president; Mrs. James Tristan, Happy Camp, secretary; Mrs. G. D. Walters, Happy Camp, treasurer; Mrs. William Wilder, Mount Shasta, auditor; Mrs. William Hoyle, Tulelake, historian; Mrs. Morris Friedman, Yreka, director of organization; Mrs. Rose Shaffer, Weed, extension.

Other officers include Mrs. Lee Miller, McCloud, public welfare; Mrs. J. Everett Barr, Yreka, education; Mrs. Ruth Gustafson, Weed, parent education and family life; Mrs. Jerry Edwards, Yreka, health; and Mrs. J. B. Hamilton, Dunsmuir, communications.

Offshore Land Bill Approved

SALEM (UPI) — A bill that would give Oregon 200,000 more acres of leaseable offshore lands passed the House Tuesday and was sent to the Senate.

Lands within three miles of the shore line belong to the state.

The bill redraws the three-mile limit to conform with federal mapping.

The federal government has decided that 72 rocks jutting out of the water off the coast constitute part of the shoreline. The effect of the bill would be to move the three-mile line out farther than it is now.

Meningitis Hits 2 More

SAN DIEGO (UPI)—Two more recruits at the Naval Training Center were stricken with spinal meningitis today, bringing the total number of cases during the past two months to 17.

Navy officials said Robert P. Mendoza, 20, son of Mrs. Beatrice Meudoza, Tucson, Ariz., was admitted to the naval hospital early this morning. A second recruit, whose name was withheld, entered the hospital six hours later.

Both men were reported in serious condition.

The latest outbreak began Sunday when Peter R. Krauscer, 19, son of Mrs. Dorothy H. Krauscer, New Brunswick, N.J., was stricken with the infectious disease. He was removed from the serious list this morning.

Trees Accepted

DUNSMUIR—The donation of 75 ornamental shrubs and trees to the Dunsmuir City Park has been accepted for the city by Claude Slade, city councilman. Mr. and Mrs. E. A. Grable made arrangements with the division of highways to make the shrubbery landscaping their home available to the city when their home was purchased this week to make way for highway construction. The Grables are moving to Caldwell, Idaho. He is a retired railroad engineer.
