Annual Concert Dated By Elementary Schools

The Klamath Falls elementary schools' all-city band and all-city orchestra will present its annual concert Friday in Mills School Auditorium at 8 p.m. The all-city band and orchestra is made up of outstanding students from each school in the city elementary district. The band is directed by Muryl Danks, the orchestra by Normand Poulshock.

These groups meet at KU each Monday night during the school year for rehearsal, and both groups recently received "excellent" ratings in the district's Large Group Music Contest and Festival. Parents and interested persons are urged to attend and support these young musicians.

An admission fee of 50 cents will be charged and funds raised to go into the music department's elementary award fund. Tickets will be available at the door.

A record 91.8 million pounds of tea was sold in U.S. grocery stores for home consumption during 1962.

Mass Food Class Ends First Half

A class of 13 students completed the first section of a course in mass feeding conducted at Kingsley Field April 29 - May 2.

The course was given as a part of community disaster preparedness, instructed by Sgt. Charles E. Johnson, food service supervisor at the Kingsley Field mess hall, and Sgt. Howard Simmons, veterinary service technician and a specialist in sanitation at Kingsley Field.

The course was jointly sponsored by the American Red Cross and the Klamath County Civil Defense. Following completion of the 10 hours of theory taught at the base, an actual feeding operation involving an additional six hours for students will be conducted, with the date to be announced later. This demonstration will be planned to feed a minimum of 100 persons with a typical meal, cooked and served under disaster conditions. Equipment including Army field ranges maintained locally will be used for preparation of the meal.

Completion of the mass care feeding course is recommended for all members of the Red Cross canteen corps. Mrs. C. F. Cole, chairman of the group, was in charge of arrangements for the training.

Enrolled in the first section of the course were Mrs. Wayne F. Newton, Mrs. Stephen Walker, Mrs. Earl Votaw, Mrs. Ray C. Bissell, Mrs. William L. Wales Jr., Mrs. Walter Bingham, Mrs. Bruce Hall, Mrs. Ronald E. Spani, Mrs. Everett L. Miner, all of Klamath Falls; Mrs. Aubrey N. Starkey, Chiloquin; Mrs. Robert Hartley and Mrs. Ivan H. Bold, Bonanza.

Holds Meeting

The Klamath County Unit of the American Cancer Society will hold its regular meeting tonight, Wednesday, in Dr. Sharp's Medical Building, 1435 Esplanade, according to Mrs. John Dickinson, publicity chairman of the local chapter.

The public is invited to the meeting which will include a film, "Life Story," and reports on the progress of the crusade now underway.

JULIE PHILLIPS

KUHS Girl Delegated

Julie Phillips, KUHS sophomore, has been elected to represent this district of the Girls' Recreation Association at the annual state meeting of the association to be held this fall at Eagle Point, according to Mrs. Shirley Routh, local adviser of the group.

Miss Phillips was named as the delegate of this district, including Klamath, Jackson and Lake counties, following a meeting of the group held last week at Eagle Point. Approximately 200 girls representing high schools at Crater, Medford, Eagle Point, Grants Pass, Ashland, Phoenix and Klamath Falls attended the session.

The association will hold its spring meeting in Klamath Falls next year, Mrs. Routh said.
