ALL SURVIVE CRASH — Firemen are shown pouring foam into the fuselage of a Standard Airlines Super Constellation that crashed on landing at Manhattan, Kan. Sixty-five Army troopers walked away uninjured. Four of the 69 aboard were hospitalized with minor injuries. — UPI Telephoto

Complete Schedule Offered For Use Of Municipal Pool

By GEORGE ALOTRICO

This is the second in a series of three articles on the Parks and Recreation Department's summer program and facilities. Today's article will deal with the Municipal Swimming Pool and the schedule of programs offered at the pool.

The first article dealt with the summer park programs and especially with the activities at Moore Park, and the last story in the series will describe all the facilities available for summer recreation fun for Klamath Falls youngsters.

The pool, which opened in 1954, admitted its one millionth person two years ago. Last summer 34,287 persons enjoyed a swim and 19,725 swimming lessons were given.

Swimming lessons this year, as in the past, will be given for all youngsters in all age groups. A youngster is qualified for instruction if he's 38 inches tall at the level of his chin. The pool at its shallow end is 38 inches deep, therefore most youngsters will be able to stand in the water.

Red Cross certified water safety instructors will handle the teaching periods which will be from 8:30 a.m. to 12:05 p.m. Monday through Friday.

There will be six two-week lesson periods during the summer beginning June 10.

Another instructional program will be a water babies class in the wading pool adjacent to the swimming pool. The class is for children 3 years old that have not attained the required height for regular lessons.

The objectives of the water babies class is to teach children not to fear the water, to learn proper breathing in the water and to float. The class will be held at 11:30 a.m. Monday through Friday beginning June 10.

Other instructional programs will be SCUBA, instruction for physically handicapped persons, junior and senior lifesaving and synchronized swimming.

In the open swim category two new opportunities are being offered with emphasis on greater adult use of the pool. One of the new programs will be a continuation of the high school's early bird swim for men and women at 6:30 a.m. Monday through Friday. The other new addition is a family night swim on Tuesday from 7 to 9 p.m. Adults only or adults with children will be allowed that evening beginning the week of June 10.

Pool fees have been raised this year due to increased operational and maintenance costs. Maintenance costs begin to increase more now that the pool is 10 years old. The pool is maintained and operated solely on revenues obtained from admissions and lessons.

Adolph Faller, KUHS faculty member and swimming team coach, will manage the pool again this year.

Fees for the learn to swim class will be $3 for each two-week session. Family swim tickets (10 swims) will cost $8. Individual 50-swim tickets will cost eighth graders and under, $12, high school students, $15 and adults, $18. Daily open swim tickets are 25 cents for eighth graders and under, 35 cents for high school students and 40 cents for adults.

The following pool schedule will be observed daily, Monday through Friday:

SCUBA instruction and early bird swims, 6 to 8 a.m.; adult classes, lifesaving and water ballet, 9 to 10 a.m.; all classes except beginners, 9:30 to 10:05 a.m.; all abilities, 10:10 to 10:45 a.m. and 10:50 to 11:25 a.m.

Beginners, adults and water baby classes, 11:30 a.m. to 12:05 p.m.; family swim and special instruction groups, 12:10 to 12:45 p.m.; open swim, 1 to 5 p.m.; swim team, handicapped and diving, 5 to 6:55 p.m.; open swim, 7 to 9 p.m. except Tuesday, and family swim on Tuesday 7 to 9 p.m.

66 Attend CF Potluck

An international potluck dinner on May 17 at the Peace Memorial Presbyterian Church was attended by 66 Junior High Camp Fire Girls and leaders. Each group came in costume, bringing the food of the country of its choice.

The purpose of the dinner was to welcome all sixth grade girls, who will soon be eligible for the Junior High group, and to install the newly elected cabinet officers.

Judy Taggart, the outgoing president, served as mistress of ceremony and was in charge of installing the new officers. The cabinet is headed by Lynn McCullough, president; Cynthia Currin, vice president, and Peggy Meeger, secretary.

Following dinner, the Camp Fire Girls enjoyed a song-fest and entertainment of games and songs of various countries.

Fire Damages UO Frat House

EUGENE (UPI)—Fire heavily damaged the Tau Kappa Epsilon fraternity house at the University of Oregon here Monday afternoon. Damage was estimated at between $30,000 and $50,000.

The fire was confined to the top two floors of the four-story frame structure. Cause of the blaze was not known. It began on the roof outside a fourth floor window.

J. O. Lindstrom, business manager for the university, said the 35 men students housed in the fraternity would be placed in dormitories for the remainder of the school year. The university owns the fraternity building.

Many students lost their books and class notes.
