NOTICE TO PARENTS.

First grade pupils will be admitted to the public school of this city only during the months of September and February. Parents are requested to see that children commence promptly. All children six years of age or older should attend. School starts September 8th.

E. J. Claussen, Clerk.

W. S. Deardorf, president of the Bank of Hale, Hale, Missouri, in company with wife is visiting at the Gladwill home. Mrs. Deardorf is a sister of W. D. Gladwill and is continuing her visit here partly because of ill health.

On Friday afternoon at the Methodist Church Mr. George W. Hunt and Maude S. Davenport were united in marriage in the presence of a small company, Rev. H. W. Kuhlman officiating. These young people chose Tillamook, Oregon, for this important event, the groom coming from Idaho and the bride from Detroit, Michigan.

Shaw and Lucas have bought of Jos. Lilly his wood saw and will be pleased to take care of Mr. Lilly's old customers and any new ones that may want work done in their line.

Frank Schrader, a well known Tillamook boy, returned this week from a trip to Valparaiso, Chili. He made the trip as sailor on board the Golden Shore, a 700-ton sailing schooner. The boat left Portland with a cargo of lumber last spring and returned to Aberdeen, Wash., arriving there August 20th. Frank tells a very interesting story of his trip. He expects to go with the Golden Shore on her next trip.

Wanted—A horse, weight about eleven hundred; broke to work, not afraid of autos, not over eight years old, must be sound in every way, and color, bay or black. Address, Frank Barnes, Barnesdale, Ore.

This morning Doctor Wendt performed a very difficult operation by extracting a buckle which had lodged in the throat of the two year old child of A. B. Wood of Beaver. The little fellow had swallowed the coin last Monday, but was not brought to the doctor until Friday. The doctor stated that this was the first particular case of its kind that he had ever had and he found it necessary to invent and make a special instrument for the operation. The parents are much pleased over the doctors success.

Dr. Wendt is the only Eye Specialist permanently located in Tillamook. Your eyes which are the most sensitive organ of your body should be examined by a physician who is capable to recognize diseases other than the need of glasses. I guarantee my glasses and am always here to make good that guarantee. Prices are reasonable as anywhere.

On Sunday a Mr. Jacobs, who had been living on a homestead near Blaine, died at the Tillamook Sanitarium. He came out here last April from Kalamazoo, Mich., and thought he would try our country for the benefit of his health. He was taken seriously ill, however, a few weeks ago, and was taken to the sanitarium. His wife had been sent for and she was on her way here to care for him at the time of his death. She did not know of his death when she arrived Thursday. Funeral services were held at the Ramsey House Friday and were conducted by Rev. Kuhlman. Interment took place at the I. O. O. F. cemetery. Mrs. Jacobs was to leave for Kalamazoo Saturday morning. Deceased was 50 years old, and leaves a married daughter who resides at Detroit, Mich., besides his wife. We sometimes think we have troubles, but as a rule they are nothing compared with the trial of Mrs. Jacobs, who, with little means, journeys away out here to this western country to find her only support cold in death. It is certainly one of life's cruel incidents.

BIDS WANTED.

Bids will be received until 6 P. M. on Monday, Sept. 8, 1913, for 100 cords of wood in four foot lengths to be delivered in the basement of the new school building at Tillamook City.

ABOUT THE NEW MOON.

Editor Herald:

When will we learn to respect the new moon changes in the fall of the year? The one just passed reminds me of one that occured thirty years ago this fall. We had finished building a bridge across the north fork of the Trask River the ninth of Oct. The next new moon brought a flood of water down the Trask that drowned three or four cows for Myron Perkins on the Trask and ten or twelve for Peter Brant and others on the Wilson River.

KI-RO-PRAK-TICK

Is a comparatively new science that has found the cause of disease and the science of removing it by hand adjustments. If your nerves fail to perform their duty there is something wrong. You have some ailment. The way to get well is to remove the cause. Chiropractors do this by special adjustments.

We successfully treat rheumatism, stomach, bowel and kidney trouble, throat and lung trouble, and all diseases of women and children. If you are sick try spinal adjustments and get well. Others have, so can you. Consultation free.
