DRAMATIZATIONS GIVEN

Approximately 75 children took part in dramatizations and songs at the primary conference of the LDS church Sunday. Two-part singing was demonstrated, with DarThel Bybee as choruster. The hospital scene with all the children in white offered a fine charity lesson. When a child has a birtnday, he voluntarily gives as many pennies as he is old, to a hospital fund, which enables crippled children to receive medical attention free.

Mrs Luther Fife was the visiting stake member and gave a story entitled "Mr. Grouch". Vera Jensen, Ruth Larson and Lucille Goates were sustained for another year as the main officers. Many children other than LDS children are taking part in these stories and lessons every Tuesday at 4 o'clock. Lorin Goates, member of the bishopric, gave a story, telling how to make the world more beautiful because having lived in it. The hall was filled to capacity.
