STEAM BOAT RACE.—Many persons were attracted to the river front late Friday afternoon by the long and repeated blasts of the steam boat whistles, thinking some boat was in distress, but such was not the case. It was only the signals of victory of a 40 mile race between the rival steamers, Northwest, of the Kellogg company and the Bentley, of the Oregon Pacific company. They left Portland about the same time Friday morning and the race was begun just after passing through the locks at Oregon City. The Northwest was slightly in the lead when they started and lead the way the entire distance to this city. The last few miles was a hard race, as both boats were give their best speed. The engineers had opened the throttles to their last notch and the firemen were doing their best at the furnaces. The Northwest came in ahead with the Bentley's bow almost touching her wheel. The stage of water in the river now makes fast boating on the upper Willamette a safe venture. This river has been practically void of these exciting events. At Astoria and the Sound cities, boat racing is a very common occurrence, and is attended with a great interest and often large sums change hands on the results.

SCHOOL ELECTION MONDAY.—Monday is the day for the annual school election in this city. One director and a clerk are to be elected. At the annual school meeting last Monday evening a unanimous vote was tendered Mr. F. R. Smith for him to accept the nomination for re-election. He had previously stated that age and other business affairs would not permit him to accept the office. Since the strong request was made, it has not been learned whether he will persist in not accepting the office. Candidates are numerous for clerk, and after the election is over will be a better time to judge who is the popular candidate.

PAVING.—The demand for having our streets paved is growing stronger every day. The street committee is deliberately studying out the best methods and propose to be sure they are right and then go ahead. This method of procedure is bound to bring us the best article when we do get it. Let the good work go on.

CARD OF THANKS.—The family of Mr. Blair wish to thank their friends and especially Mrs. Grubbe for the kindness shown them during their late affliction.

MORE IMPROVEMENTS.—Among the many improvements this spring, Mrs M. E. Wilson is extending the shelf room in her store, preparatory to receiving the largest and most fashionable stock of millinery ever brought to Salem.

VERY DRY.—The weather still continues somewhat moist, but Farrar & Co, can supply the choicest dried fruit way down.

"Our Prize" is the baking powder that makes so many of J.G. Wright's lady customers happy.

GARDEN AND FIELD.—Now rustle your work in garden and field, and then get some of those superior fresh seeds at Clark & Epley's 100 Court street.

THE RACES.—For the next fair is announced, and now you should attend to having your stock in time. John Knight can do you a perfect job of horse-shoeing.

E. Schoettle, the artistic tailor now has a fine stock, and is prepared to make up some of the greatest spring suits ever seen in Salem.

ONLY THE FINEST.—DeLeon & Jaeger, the leading barbers, use only the finest perfumes, oils, bay rum and tonic, consequently their patrons are always pleased with their work.

FOR SCHOOL CLERK.—I hereby announce myself as a candidate for School Clerk for District No. 24.

### The Board of Directors of the Agricultural Society Hold a Long Meeting and Complete Their Program.

The directors of the state fair met at the state house Friday afternoon and completed the speed program for the coming fair and transacted all other business which came before them. All the members of the board were present including Secretary Gregg, of Portland. The board is now composed of J. T. Apperson, Oregon City, President; Van B. DeLasmutt, R. C. Bybee, A. T. Miller, Portland; John G. Wright, T. L. Davidson, Salem; M. Wilkins, Coburg, Wm. Galloway, McMinnville; W.T.Mattock, Pendleton; J.C. Simpson, Son-in-law; T. G. Richmond, Dallas; D. S. K. The time for the fair to open was made a week earlier this year, on account of the Portland exposition. The date now will be Sept. 14th.

The matter of granting the Capital Street Railway a right of way, was left in the hands of the executive committee, as was also the matter of title to the grounds, certain premiums and the securing of a bond. The world's fair matter was left in the hands of a special committee, consisting of Van B. DeLashmutt, D. S. K. Buick, W. F. Matlock and J. C. Simpson. In regard to improving the grounds the executive committee was authorized to do certain work and better the condition of the grounds. The society was asked to subscribe $250 to the subsidy for the extension of the electric street car line to the fair grounds. Warm discussions took place on many of the questions which were up. The board held a meeting in the afternoon and another in the evening which continued until a late hour before all the business had been disposed of. ## SOCIAL NEWS.

THE BAND HOP.

Last Friday evening the rooms of the Salem City Band contained a large number of Salem's society goers and a good time was indulged in until a late hour. These hops are getting to be one of the best social treats that Salem has had for some time.

BAPTIST SOCIAL.

The young people of the Baptist church were highly entertained by the Misses McNary at their residence, 534 Commercial street, last evening. Games and conversation were the topics of the evening after which a choice luncheon was served. The guests departed at a late hour voting the occasion a success.

THE W. C. T. U. SOCIAL.

At their rooms on Court St. last evening the ladies of the W. C. T. U. prepared a social that was in every feature not to be excelled in the capital city. Recitations, solos, and speeches were given to the delight of the audience, until a choice luncheon was dicussed, after which the guests departed at a late hour wishing many repetitions in the future.

"YUMPING YIMINY."

What a house that "Ole Olson" had, and what a laugh he kept going for over two hours! He drew the finest audience of the year to the Casino and sent away the best pleased crowd which has left a theatrical performance in Marquette for two or three seasons. The company was a good one, and together they kept tickling the risibilities of the audience from the rise of curtain to the end of the comedy. "Ole Olson" has what was not expected in it, a fairly defined plot, and at the same time the auditor and spectator is kept laughing until he is tired and sore. The songs and local hits—the latter refined and pat in every instance—brought down the house completely.—Marquette (Michigan) Mining Journal.

MISSIONARY TEA.

Mrs. W. N. Ladue entertained the ladies' missionary society of the First Presbyterian church at her residence on Capitol and Chemeketa streets yesterday afternoon in a highly social manner. The meeting of the society was the ending of the first year of its organization, and was very satisfactory, both in a financial and social way. During the afternoon verses of scripture were read and songs sung to the delight of the guests assembled, when a choice luncheon was discussed in a charming manner after which the ladies departed well pleased with the work of the past year. Those present were: Mrs. W. N. Ladue, Mrs. R. S. Wallace, Mrs. C. H. Chapman, Mrs. I. I. Winans, Mrs. T. B. Jackson, Mrs. I. Vandyne, Mrs. J. Van Eaton, Mrs. L. G. Caldwell, Mrs. E. T. Albert, Mrs. J. McGowan, Mrs. Muir, Mrs. Adams, Mrs. Lucas, Mrs, J. F. Beggs, Mrs. F. B. Mizner, Mrs. L. M. Baker, Mrs. T. G. Albert, Mrs. John Albert, Mrs. Grilly, Mrs. F. E. Hodgkins, Mrs. Black, Mrs. A. Olinger, Mrs. S. McFadden, Mrs. L. Applegate, Mrs. Dr. Gwynne, Mrs. H. V. Matthews, Mrs. W. F. Boothby, Mrs. E. C. Baker, Mrs. F. Lockley, Mrs. A. L. Buckingham, Mrs. Munson, Mrs. J. W. Crawford, Mrs. J. M. Martin, Miss Olinger and Miss Kate Ladue.

MORE BOOKS.—Wm. Harris, of this city, left about thirty books at the JOURNAL office to be added to the prison library. The good work of supplying the convicts with wholesome literature is still going on. This effort was started by the JOURNAL and before the legislature adjourned the opinion had reached such a heighth that they were compelled to make an appropriation of $500 for that purpose. That amount with the large number sent out from this office makes a good foundation for a substantial library.

REMOVED,—The stove and tin store of Barr & Petzel has been removed from next door to Ladd & Bush's bank to 247 Commercial, two doors north of Red Corner drug store. 3 7-dtf

FEATHERS FLEW.—That was the case at the state bidding for feathers the other day when Buren & Son walked off with the contracts against all competitors, including Portland bidders. This is the second year that this Salem house has been successful and they justly conclude that they are headquarters on feathers. d tf

LEG SAWED OPEN.—Wm. Mulkey met with a painful accident at the Rock creek sawmill. He was one of the hands employed in the mill and was running a saw. In some manner the saw caught his ankle and before he could extract himself from his perilous position the saw split his leg from the ankle to the thigh and laid the bone bare the whole length. He was taken to his home near Mehama and medical aid summoned from this city.

A Mystery.

How the human system ever recovers from the bad effects of the nauseous medicines often literally poured into it for the suppositive relief of dyspepsia, liver complaint, constipation, rheumatism and other ailments, is a mystery. The mischief done by bad medicine is scarcely less than that caused by disease. If they who are weak, bilious, dyspeptic, constipated or rheumatic, would oftener be guided by the experience of invalids who have thoroughly tested Hostetter's Stomach Bitters, they would in every instance obtain the speediest and decisive relief from rational medication. This medicine is a searching and at the same time a thoroughly safe remedy, derived from vegetable sources, and possessing, in conjunction with the basis of pure spirits, properties as a medicinal stimulant not to be found in the fiery rum bitters and stimulants often resorted to by the debilitated, dyspeptic and languid.

## CHURCH NOTES.

A Norwegin church is soon to be erected in Sellwood.

Rev. Father Farrelly of Los Angeles has been appointed assistant to Rev. Father McNamee of Santa Cruz.

Rev. I. J. Ahlstrom, general missionary elect to the Swedes of California and Oregon, left Iowa for this coast on March 4th.

Rev. P. Carrasco, rector at Visalia, Cal, has been transferred to San Luis Obispy, and Rev. P. T. Farrelly, of Santa Ynez, to Visalia in his place.

Bishop Fowler left last week for the East by the way of Los Angeles, and expects to hold a conference in Philadelphia on March 4th. His health is improved and his friends anticipate a continued improvement.

Bad as last Sunday was for aggressive church work, Rev. L. L. Wirt, of Oakland, went to Melrose, the next station south of Fruitvale, and organized a Sunday school of twenty members.

A Baby Missionary Band, organized some months ago in the Baptist churches of San Francisco, is growing. It is connected with the Women's Home Mission Society and is under the direction of Mrs. Sawtelle. The oldest members are ten years old and there are seven members not yet one year of age.

The Hamilton-square Baptist church in San Francisco is undertaking to pay for its lot, while the pastor is soliciting funds for the new church. Pastor and people, Ladies' Aid Society and Sunday school are all hard at work for the enterprise. Their mission on Pierce street is progressing.

The friends of Rev. C. Curry, a superanuated minister of the Methodist Episcopal church, residing in Stockton Cal., have determined to celebrate the approaching of the 50 anniversary of his wedded life by paying off a mortgage of $400 on his little home.

Rev. Prof. A. D. Hayes, of the Methodist University of the Pacific, San Jose, has declined the call recently tendered him to the pastorate of the first Congregational church in that city, preferring to retain his present position.

About six conversions are reported in the revival meetings at the Pacific Grove, which have continued about a month. At the communion season Feb. 15th thirty of the converts were admitted to the Methodist Church, of which Rev. Mr. Gale is pastor.

Rev. T. G. Brownson, of McMinnville, preached two very able and interesting discourses in the Baptist church Sunday. He has been hired to supply this pulpit every 2d and 4th Sundays. The members of this church could not have done better than to secure his services, as he is well liked.

A very good audience assembled at the new church Sunday morning and evening to listen to Rev. Derrick's first sermon in the new building. The building is conveniently arranged, has a good location, and when completed will be a cosy place of worship. We have not learned when and how often meetings will be held in the future.

Last Sunday was a red letter day at the Presbyterian church in this city, some seventeen of our most worthy citizens uniting with that denomination. The Presbyterians are to be congratulated upon their good fortune.—West Side.

The Christian Inquirer writes a lengthy discourse upon the topic "How to Treat Your Minister." This is a delicate question and the stomach of the gentleman to be treated should be carefully considered before the invitation is reduced to words.—Tacoma Globe.

Among the latest things in the way of church parties, and it is understood they will be introduced here after lent, is what is termed a "hammer and needle party." Each lady is required to bring a needle, spool of thread and several buttons, while the gentlemen bring hammers, blocks of wood and nails. All the materials are placed on the table. The ladies take the hammers, etc., and the gentlemen the needles, thread and buttons. Then begins the contest. The gentleman sew as many buttons on within the few minutes as they can and the ladies drive as many nails within the specified time. The entertainment is very mirth-provoking and prizes are given.—Columbian.

On Saturday, articles of incorporation of the Woodlawn Methodist church were executed. Six hundred and fifty-five dollars was pledged in addition to the lot for the church, and it was voted to proceed to build at once. Plans were adopted for a building 32x50 feet, with an additional lecture-room 14x20 feet. The building will seat 400 comfortably, it will be ornamented with a spire 50 feet high with an open belfry and ornamental iron final. The elevations show two fronts, one on the east and one on the south, finished in Oriental Gothic style. The interior will be plastered and finished in oil in good taste. The bid accepted by the board calls for an expenditure of $2,000, not including the furniture. When finished, it will be one of the neatest church buildings on the peninsula outside of the old corporation limits.

ABOUT THE SAME.—You can now get a suit made to order of those choice new patrons at the Woolen mill store, for just about the same cost as ready made clothing.

The World Enriched.

The facilities of the present day for the production of everything that will conduce to the material welfare and comfort of mankind are almost unlimited, and when Syrup of Figs was first produced the world was enriched with the only perfect laxative known, as it is the only remedy which is truly pleasing and refreshing to the taste and prompt and effectual to cleanse the system gently in the Spring-time or, in fact, at any time, and the better it is known the more popular it becomes.

French Mushrooms—Sroat & Giles'.

FIRE—Dr. Minthorn went up to his ranch on Crooked Finger creek this morning having received a telegram Friday night that his house was destroyed by fire. No one was injured, his aged mother escaping safely. Insurance $200.

DANCE.—Friday night at Macleay a party was given. Prof. Diamond furnished the music and a number of Salem people were present. All enjoyed a good time.

A Wonder Worker.

Mr. Frank Huffman, a young man of Burlington, Ohio, states that he had been under the care of two prominent physicians, and used their treatment until he was not able to get around. They pronounced his case to be Consumption and incurable. He was persuaded to try Dr. King's New Discovery for Consumption, Coughs and Colds and at that time was not able to walk across the street without resting. He found before he had used half of a dollar bottle, that he was much better; he continued to use it and is to-day enjoying good health. If you have any Throat, Lung or Chest Trouble, try it. We guarantee satisfaction. Trial bottle free at Fry's Drugstore.
