ANNOUNCEMENT.

I hereby announce myself as a candidate for the office of COUNTY ASSESSOR subject to the will of the county Republican convention.

d-w J. A. VAN EATON.

A PORTLAND REFORMER.

Since the Oregonian editor has become a reformer, he is never so happy as when he discovers one of his own kidney, a man after his own heart. As pants the heart for the clear cool waters of the mountain brook, so pants Harvey Scott after the real friend of the people!

The Oregonian has found such an one in Hon. R. G. Smith, of Josephine county, a member of the legislature who was so occupied with important matters at Portland during the session that he had not time to perfect his own bill to change the judiciary in Southern Oregon to make offices for more members of his own profession. While Smith was a member from Southern Oregon, he was intensely loyal to the Portland gang. He sneezed whenever they took snuff, absented himself when required, "stood in" always, and as chairman of the railroad committee did their bidding like a little man. When a reform measure was wanted from his committee he had to be dragged up from Portland by the hair of the head and compelled to produce it by force. He twice got away with the Eastern Oregon portage railway bills, and new bills had to be got up at the last moment, so loyal was he to the Portland corporation gang.

The talents of such a reformer are not going to be lost to the world if Harvey Scott can help it. He wants a special session now, called and engineered by Smith, of Josephine. We look for the people to arise en masse and second the motion for a reform session in charge of Scott and Smith, the eminent Portland reformers.

The supreme court in the Eastern Oregon asylum case, seems to take the ground that it cannot enjoin the governor from executing an unconstitutional law because the three departments of government are co-ordinate. This reads a little like one of Pennoyer's American Law Review articles. There is an obscure hint in the decision, however, that the secretary of state can be enjoined from drawing warrants to pay out money appropriated by the legislature for an unconstitutional puopose. Perhaps somebody will act opon this hint.—Oregonian.

It is said that "according to recent statistics, 547,642 of the farms of the country are occupied by negroes, and 120,738 are owned by such occupants. The negro race has not made so much progress in commercial or manufacturing vocations, but its showing in agricultural is certainly credita e, and that is porbably the line in which it is most likely to succeed."

The Common People.

As Abraham Lincoln called them, do not care to argue about their ailments. What they wan is a medicine that will cure them. The simple, houest statement, "I know that Hood's Sarsaparilla cured me," is the best argument in favor of this medicine, and this is what many thousands voluntarily say.

Hood's Pills are the best after-dinner pills, assist digestion, cure headache. 25 cents.

WEAK MEN

CURED AS IF BY MAGIC.

Victims of Lost Manhood should send at once for a book that explains how full manly vigor is easily, quickly and permanently restored. No man suffering from weakness can afford to ignore this timely advice. Book tells how full strength, development and tone are imparted to every portion of the body. Sent with positive proofs (sealed) free to any man on application.

ERIE MEDICAL CO., BUFFALO, N.Y.

A STRONG PLEA.

The good faith, prestige, honor and life of the Republican party are at stake. Those whom the party has placed in power should reckon the cost of hesitation in this matter, if good can be accomplished. This is the only question to be considered. The time when men will tramp half the night and carry a torch to elect a schemer into a state or county office on the tariff or money question is rapidly passing. The people want faithful, honest service, as economically obtained as it is in private business, and they will have it. The Republican party can now give it to them. Will it? If our Populist friends would abandon their China money and referendum and turn their attention to this alone, they would prove of a lasting benefit; but that would be too sane for them. But they will seize on it as a campaign pretext, and may win. Then we can be comforted with the sweet thought that we were no worse than others. I hope this will not be called either an apology or a justification.

ROBERT G. SMITH.

[Mr. Smith was chairman of the railroad committee in the house and when a bill was wanted for passage it had to be recalled from him by the house. He dodged voting on the railroad commission repeal.]

FOR CONGRESS.

Albany Herald: Marion county has at least four candidates for Mr. Hermann's seat in congress. They are C. B Moores, Tilmon Ford, T. T. Geer and Col. Hofer. Judge Bean, it is said, has declined to run. H. B. Miller, of Grants Pass, Thomas Tongue, of Hillsboro and Geerge Brownell, of Oregon City, are also in the race. Linn county has no candidates, and Albany will furnish neutral ground upon which to make the selection when the congressional convention is called.

[The editor of THE JOURNAL must be counted out of the above list. He is not so modest as to say he would not take the nomination, but he does not think it is in the cards. There are men in this district who have served in the ranks of the Republican party for twenty or thirty years who are entitled to more consideration. Experience in legislation and acquaintance with the needs of the state should count for something. And it will.]

The McKinley Republican Club of Brownsville, at a recent meeting, by a unanimous vote, resolved that "we pledge ourselves not to vote for any man who will not pledge himself to support every measure, consistent with public welfare, to reduce taxation."

The club would do better to help nominate men who do not go in to make money out of politics by serving the machine. Resolutions are well enough, but work to educate representatives to a proper sense of responsibility to the people is better.

It is not a crime, as some seem to think, for a Republican to favor the "initiative and referendum." Think-people realize that some check must be placed on legislatures, and the only check that remains, and we believe important measures, affecting all citizens and tax-payers should first be submitted to them.

Mr. Hermann has been going to have the upper Willamette improved ever since before going to congress the first time. He has had many trials at it and the river is just as before. Let's give Mr. Hermann a chance to rest.—Salem Statesman., (rep.) That would suit the Democrat, and it would like to name his successor; but of course cannot. At the same time our prediction is that Mr. Hermann will not take a rest regardless of the Oregonian and Statesman.—Albany Democrat.

Do not fail to attend the school meeting tonight and vote the levy of school tax.

AT THE MINES.

The Machinery and Provisions in—To Begin Running Feb. 3d.

Mr. J B. Tillotson, who has had charge of clearing the road between Gates and the Santiam mines returned to Albany Saturday, says the Democrat, having completed his work. Though there is eleven feet of snow at the summit, and it has rained and snowed alternately the machinery and provisions are all in. Most of the machinery was in place, and it was expected to have everything in running order, so that the entire twenty stamps will start upon February 3d. There is about 10,000 tons of ore on the dumps ready for use, but of course some of this is surface ore and will not be used at least for some time. The mill will start on some average ore from the interior, probably running twenty-five dollars to the ton, perhaps more. Forty tons a day will be about the capacity of the mill. About fifty men are at work.

While the decision leaves the constitutional question untouched the effect will be that the state legislature can order public buildings erected wherever it pleases, and it will be difficult to restrain the action. It will mean in the future the location of state buildings in different parts of the state the same as under other well regulated state governments.—Albany Democrat.

A PRACTICAL QUESTION.—Why should the people of Portland pay any man $1000 a year for sitting in the city council when the same seat could be just as acceptably filled for half the money? That is one of the questions that no political twiddling or shuffling can get around.—Portland Telegram.

The Ideal Panacea.

James L. Francis, Alderman, Chicago, says: "I regard Dr. King's New Discovery as an Ideal Panacea for Coughs, Colds and Lung Complaints, having used it in my family for the last five years, to the exclusion of physicians' prescridtions or other preparations."

Rev. Joha Burgus, Keokuk, Iowa, writes: "I have been a Minister of the Methodist Episcopal Church for fifty years or more, and have never found anything so beneficial, or that gave me such speedy relief as Dr. King's New Discovery." Linn county wants the blue ribbon for the lowest county levy, for its 15 miles, and Marion for its 14 miles.—Astorian.

Attend the school meeting this evening.

A "RUN-DOWN," "tired out" woman who complains of backache, headache, loss of appetite, extreme lassitude and that "don't care" feeling is pretty sure to be suffering from "Female Weakness," some irregularity or derangement of the special functions of womanhood. Very often womb troubles set the nerves wild with affright and as a result the woman suffers from sleeplessness, nervousness, nervous prostration, faintness and dizziness, irritability and indigestion. In all cases of irregularity or suspended monthly function and in all those nervous diseases depending upon local causes, Dr. Pierce's Favorite Prescription will restore you to perfect health. Instead of the exhaustion and feeling of weight and dragging down in the abdomen, you feel fresh and strong. For young girls who suffer from irregularities, for the hard-working woman who suffers from catarrhal inflammation of the lining membranes causing a constant drain upon the system, there is no prescription used by any physician which can equal in results Dr. Pierce's. For over thirty years Dr. R. V. Pierce, chief consulting physician to the Invalids' Hotel and Surgical Institute of Buffalo, N. Y., has used his "Favorite Prescription" in the diseases of women which had long been his specialty and in fully ninety-eight per cent. of all cases, it has permanently *cured*.

Mrs. JOHN M. CONKLIN, of *Patterson, Putnam Co., N. Y.*, writes: "I am enjoying *perfect* health and have been since I took the last bottle of Doctor Pierce's Favorite Prescription. I took five bottles of it. Never expected to be any better when I commenced taking it, but thank God, I can say that I am glad it reached my house. I had falling of the womb, and flowing caused by miscarriage, and was very weak when I commenced taking your medicines. I was cured by taking five bottles in all—two of the 'Favorite Prescription' and three of the 'Golden Medical Discovery.'"
