ATTENTION, CITIZENS!

Do not forget that before you can cast a vote at the coming state and presidential elections your name must be on the register. The time is now on to have your name put there. If not registered before May 15, you cannot vote. You can register before any notary public or justice of the peace free of cost, or at the court house in the county clerk's office. Do not neglect to register.

THE DISTRICT ATTORNEYSHIP

The people of this district are to have their partisan credulity worked upon in a very strange and remarkable manner. The office of public prosecutor is being run at by a young man who has been for some years and is still county superintendent of schools of Polk county. This has given him a knowledge of working political wires so that with the help of his Democratic law partner he has been able to get the Republican nomination for district attorney. He is still in one office for which if he was a lawyer he was not fitted and is now a candidate for another for which he cannot be fitted as he has never had any law practice.

It is stated he has never had a case in court and has had no experience whatever at civil or criminal law practice; yet partisan credulity is to be taxed to elect him public prosecutor of one of the largest and most important districts in the state. What a farce this filling of public offices is coming to be under the present nominating system. A man entirely unknown in the legal profession is to be elected to the highest office in the legal profession next to the judge himself. The conversion of the district attorney's office into a brooder for nursing unfledged lawyers is not a new thing but it has never been carried quite to the point of taking them up before they are out of the shell and applying the process during the incubator period.

This district is quite close but we have do doubt every Republican will be appealed to out of patriotic loyalty to party to vote this honor upon young Mr. Hart of Polk county. There is one thing about the spirit of young America—it never hesitates or doubts its entire ability to fill any office it can. No qualms of modesty afflict young Hart. He has no doubt he filled the office of county superintendent and can have none about his ability to handle the criminal business of this district. How does he know but what he can fill the office? He has never tried. All he wants is a chance. Mr Jeffrey of Salem who has practiced law for about ten years including a term as district attorney ought not run against Hart but give him a chance to learn the business at the expense of the tax payers.

EDITOR JOURNAL:—I would like to say a few words in regard to the manner the bids for wood for our public schools were let and accepted. A few weeks ago the board of school directors advertised for wood for the different schools, their advertisement read for so many cords Large Body Fir, not small or second growth fir; in consequence parties having second growth wood were barred from bidding.

On their opening the bids they totally ignored the bids that were in for large body fir as advertised and accepted two bids for second growth fir; and $2 40 and $2.20 respectively. Now by such action it was not justice to the schools or to the wood dealers. If the large fir bids were too high they should have been relet again for second growth and invited competition, and it would have been not only a saving of many dollars to the schools, but justice to other bidders who were barred out by their advertisement. The price paid was more than second growth could be had for

Such retrenchment and methods in past went far towards getting our school district in the hole it is. CITIZEN.

TAX REDUCTION PROGRAM

TO WHICH THE CITIZENS' CANDIDATES FOR THE COUNTY COURT

Will be Pledged if They Accept the Nominations Made at Salem Saturday

The Citizens' ticket contains the names of two excellent citizens for county judge and commissioner—W. W. Elder of Stayton, and W. W. Culver of Liberty. Mr. Elder is a successful business man from the eastern side of the county, a man who will defend the interests of the farmers. Mr. Culver is one of the model farmers and business men in the county.

Following plan for reducing taxes and putting Marion county on a sound financial basis was adopted by the convention:

Whereas, The total amount of taxes collected in Marion county for the past four years amounts to $621,652, as against $995,794 for the four years preceding, while the values of property have been constantly diminishing, we pledge the county judge and commissioner nominated on the citizens' ticket to reduce the total amount of cash taken from the people annually for the next four years instead of increasing the amount any further.

Whereas, The average expenditures of Marion county for the past six years have amounted to $70,973 per annum for county purposes, and the county court has been able to conduct the county the past year for $51,946, as against $71,434 in 1898 and $80,170 in 1897, we believe the county expenses can be still further reduced, and we pledge the county judge and commissioner nominated on this citizens' ticket to conduct the ordinary current expenses of Marion county for not to exceed $40,000 per annum. Before incurring any unusual or extraordinary expenditure for improvements or repairs for any sum to exceed $1,000, the expenditure shall first be submitted to the people and authorized by them.

We pledge the candidates for the county commissioner's court nominated on this citizens' ticket to put the county on a cash basis at the earliest possible date by ordering the prompt collection of taxes when they become due, by reducing the rate of interest on the county debt by the use of money at four per cent if the same can be obtained.

We pledge the candidates for county judge and commissioner to conduct the affairs of the county on a business basis and on a strictly non partisan basis.

Whereas, County and state taxes have been constantly increasing, we pledge the citizens' county court to reduce taxes as low as they are in other well-governed counties adjacent to Marion, and that they shall pledge themselves in writing to this effect

We pledge the citizens' legislative ticket to labor to reduce the state tax materially.

NATIVE SONS AND DAUGHTERS

Will Entertain Their Friends at the Armory Next Saturday.

There will be an entertainment at the armory in the city hall next Saturday evening which will be of especial interest. It will be given by Elizabeth Thurston Odell Cabin of Native Daughters and Dan Wablo's No. 3, Native Sons for the purpose of arousing interest in the two orders among those who are eligible for membership.

A musical and literary program has been arranged, and the Chemawa Indian band will be in attendance.

The principle address will be delivered by Mrs. R A. Miller, Grand President of the Native Daughters. Saul Blumauer, Grand President of the Native Sons, will also deliver an address.

A general invitation is extended to all Native Sons and daughters and the presence of all old pioneers is especially requested.

By order of Committee on Invitation.
