THE HOME STORE

THE OLD WHITE CORNER

In preparing for the Spring season we have been more painstaking in selecting styles, colors, etc., and very keen about qualities and prices. This season offers a broader range of merchandise than ever before and imitations are shown in every line. We have endeavored to get the best and our long experience has given us the knowledge which makes it possible for us to judge between the spurious and the real worth. Our economical business methods and close attention to our business enables us to undersell the more extravagant fellow. Buying for cash gives us a great advantages in the way of discounts, and large quantities gets us the lowest price concessions.. Our store is a safe one in every respect.

THE FIRE ESCAPES BLOCK

(United Press Leased Wire.)

New York, Feb. 27.—Two persons were perhaps fatally burned and several were painfully injured early this morning as the result of two fires in this city.

The fire in which the greatest number were hurt started in a tenement in First street. The fire escapes were black with tenants when the firemen arrived, and many were found groping their way through smoke filled hallways. One tenant and his daughter inhaled flames, and are not expected to live. At the same time another fire in an apartment building on East One Hundred and Fortieth street created a panic, resulting in injuries to several.

WARNER IN FULL CONTROL

(United Press Leased Wire.)

St. Louis, Feb. 27.—Senator Warner has been elected chairman of the state Republican convention, which convened here today, and late today Secretary Taft will be endorsed for the Presidency. Warner and Attorney-General Hadley are in supreme control.

OREGON PROFITS LARGER

(United Press Leased Wire.)

New York, Feb. 27.—The "street" was much excited this afternoon over a report that the Oregon Short Line would declare a dividend of 7 per cent, after the market closed for the day.

This rumor was denied at the offices of the Union Pacific road, where it was stated that no such action was being contemplated, and that the directors would not meet today. The executive committee held a short meeting today to discuss routine business.

KOHLER BECAME GLOOMY

(United Press Leased Wire.)

Philadelphia, Feb. 27.—Jacob Kohler, supposed to be despondent because he is out of work, shot and instantly killed his wife this afternoon and seriously wounded his father-in-law and brother-in-law. He then attempted to commit suicide, inflicting a serious wound. He is 25 years old.

QUELLING CHICAGO ANARCHISTS

(United Press Leased Wire.)

Chicago, Feb. 27.—All anarchists flee from Chicago or fall into the hands of the police. Chief of Police Shippy has listened to the warning of Chancellor E. M. Dunne, of the Chicago arch diocese, that an execution similar to the one of Father Heinrichs, of Denver, by the victim last Sunday, may be staged in Chicago at any time.

For two weeks the pick of the detective bureau has been secretly looking the hot beds of anarchists. Not is ready, and as soon as all "leads" in the city have been run it will be spread over them. It is supposed that the assassination of Father Heinrichs has encouraged the enemy of anarchists in Chicago.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
