UNION LABEL

A FEW WORDS WITH HON. R. M. LA FOLLETTE.

Hon. R. M. La Follette, of this county in the Oregonian seeks to brand the editor of this paper with undue intimacy with Pat McArthur and President Bowerman.

Mr. La Follette, who is one of the Fulton leaders in this county, and whose son held a sinecure under Mr. Fulton at Washington, **FINDS FAULT WITH OUR REPUBLICANISM.**

We can say this in that gentleman, which he cannot say for himself, that we supported the Republican nominees for the legislature regardless of whether they were Fulton men or not.

We also supported the Republican nominee for United States senator, **NOMINATED BY THE PEOPLE.**

Whether Mr. La Follette did that or not is more of our business as we believe is every man voting as his conscience dictates.

Our own conscience troubles us a little for we supported Mr. La Follette several times so he could get to cast his vote for Senator Fulton, and probably the only regret was been that he was never able to get anything out of it **BUT A CLERKSHIP FOR A RELATIVE IN WASHINGTON.**

Fulton has been good enough a Republican for him even if he did not support the Republican nominee for Senator.

Now, it may be a little rough on Bowerman and McArthur that they **HAVE NO BETTER REPUBLICAN SUPPORT THAN THIS PAPER.**

The fact is, the old rotten disorganized political machine has no admiration for these sterling young Republicans.

They have shown leadership and ability in practical politics **SUCH AS NONE OF THE MACHINE BOSSES HAVE EVER DISPLAYED.**

For the welfare of the Republican party it is time some one was displaying a little horse sense which Mr. Fulton and his immediate coterie of advisers have been so devoid of as a sign-board indian.

When President Bowerman and Speaker McArthur showed that they were broader men than the machine faction, and named committees on broad lines of Republicanism, **THIS WRITER UPHELD THEIR WORK.**

The machine is down and out on factional lines, and if there is a new Republican machine it is big enough to include all men who are supporters of the Republican party.

THE CAPITAL JOURNAL HAS NO APOLOGIES to make for expressing admiration for the good work done for the Republican party and the people of this state in giving them a clean organization of the legislature devoid of factionalism.

What the Republican party needs is more of the manly Republicanism of the Bowerman and McArthur stripe and less of the dog-in-the-manger cut-throat Republicanism **WITH WHICH OREGON HAS BEEN CURSED.**

For this persistent course from R. M. La Follette towards us with inconsistency and seeks to place us in an unfavorable light with the Oregonian readers.

One thing we cannot forgive La Follette for and that is advertising as alongside of Tom Kay **AS A CANDIDATE FOR GOVERNOR.**

Apologies are due somebody and Tom Kay's family or political administrator ought to sue him for libel.

La Follette has plenty of means and a judgment is good against anything about him, **INCLUDING HIS REPUBLICANISM.**

A newspaper man cannot defend himself against insinuations that he is a candidate.

Whatever may happen in the dim horizons of Republican politics in Oregon, the editor of this paper hopes to be spared the dismal fate of being made **A CANDIDATE OF THE BUSTED MACHINE.**

NO SUNDAY BLUE LAW WANTED.

An effort is being made to make a very righteous Sunday law. It would stop theatres and baseball on Sunday.

It would put a bad taste in the mouths of about half our people and make them **FEEL LIKE SHEEP THIEVES ON SUNDAY.**

Laboring men have almost no day for recreation except on Sunday and are entitled to a chance to enjoy themselves.

As countries grow older and cities grow larger there is more liberty demanded on Sunday, **AND IT IS RIGHT.**

We cannot believe that the churches are back of this demand for more strict Sabbath legislation.

It is said the man who does not scrounge down to this demand for Sunday blue laws in Oregon **CANNOT SUCCEED IN POLITICS.**

But who wants to succeed by restricting the liberty of the citizen to any inoffensive enjoyment?

If the church organizations that have legislative programs for their foundations **HAVE THE POWER THEY WILL CURTAIL LIBERTY ANYHOW.**

So the people who want their freedom to worship or enjoy life may as well prepare to fight their encroachments one time or another.

POLITICIANS FIGHT DEVELOPMENT.

Everybody but the politician knows it would be a good thing to create Nesmith county.

The politicians help development of a state very little and many of them **ARE A POSITIVE HINDRANCE.**

For instance, the city of Portland has about 300 on the payrolls but has to have an outsider to boost the town.

IT WOULD BE A BONSEND TO OREGON TO CREATE TEN NEW COUNTIES.

It would open up new communities and develop new centers of growth.

But the politician fights anything that breaks in on his game.

Create Nesmith county and every office holder in Lane and Douglas county **WOULD HAVE HIS GRAFT MINIMIZED.**

Hence this writer predicts that Nesmith county will be killed in this legislature.

What is a committee on counties for **BUT TO CREATE NEW COUNTIES?**

It is certainly not to reduce the number of counties.

But Oregon must fight for every new county that is created.

CORPORATIONS FIGHTING LOCKS AND CANAL.

The Senate ways and means committee is composed of Nottingham, Wood, Smith of Marion, Hedges, Merryman, and Schaffer.

Of these it is reported but two are for the Jones bill for **FREE LOCKS AND CANAL AT OREGON CITY.**

Those for it are said to be Nottingham and Coffey.

Fortunately that bill cannot be repealed for **ABOUT 18 MONTHS.**

The money raised under the bill cannot be used for any other purpose.

Before that time a rivers and harbors bill may be passed by congress.

THE STATE SHOULD NOT LET THAT BILL LAPSE AND LOSE FREE LOCKS.

The House almost unanimously extended the time for that Jones bill two years.

In the Senate powerful corporation interests **ARE TRYING TO KILL ANY EXTENSION OF TIME.**

Yet every carload of freight in and out of Western Oregon will pay $15 to $25 more freight until the locks are free.

The Mission

Of those corpuscles in your blood that have been called "Little Soldiers," is to fight for you against the disease germs that constantly endanger your health. These corpuscles are made healthy and strong by the use of Hood's Sarsaparilla.

This medicine is a combination of more than 20 different vegetable agents in proportions and by a process known only to ourselves and it has for thirty years been constantly proving its worth.

Be sensible, take "just-as-good."
