GEORGE BARNES IS SHOT DOWN AT CANYON CITY

Baker, Or., June 28.—Jealous and harboring a grudge against his successful rival for the hand of a woman, George Anderson, a well-known resident of Canyon City, Grant county, yesterday shot and instantly killed George Barnes, a pioneer member of the Oregon bar, who was the first attorney to locate in the town of Prineville, Crook county, where he had practiced up to his removal to Canyon City. News of the tragedy only reached Baker late last night, as telephone and telegraph lines have been out of commission from heavy storms.

The slayer has been arrested and is now in the Grant county jail at Canyon, which in less than a year and a half has housed five homicides.

The woman in the case is Barnes' wife, formerly Mrs. Alex. Bowsman. When Barnes first went to Canyon City, Anderson was a suitor for her hand, and at the same time had brought suit against her former husband's estate. Barnes became acquainted with Mrs. Bowsman, won her ,and at the same time fought Anderson in his suit. He defeated him in that also.

Anderson has sworn vengeance since, only waiting for his chance. Barnes did not take his threats seriously.

The tragedy took place on the streets of Canyon. Anderson met his rival face to face, and emptied an automatic revolver of heavy calibre into his body.

Barnes was a well-known figure in legal circles in Eastern Oregon, where he had practiced before all the courts in the district. He was an able attorney, and is said to have become independently rich from the practice of his profession.

Anderson, the murderer, is also well-to-do, owning considerable property in the John Day valley, Barnes was a member of the Elks' lodge at The Dalles, Or., and has relatives in Portland and other Oregon cities.

Barnes was 60 years of age.

MORSE SEEMS TO BE THERE TO STAY

[UNITED PRESS LEASED WIRE.]

Atlanta, Ga., June 28.—Application for a habeas corpus writ for Charles W. Morse, ice king and banker, serving a term in the federal prison here for bank wrecking, was denied today by United States Circuit Judge Newman. Notice of appeal was filed by Morse's attorneys.

Wrecker Found Guilty.

[UNITED PRESS LEASED WIRE.]

New York, June 28.—Joseph B. Reichman, former president of the Carnegie Trust company, was this afternoon found guilty of grand larceny in connection with the looting of the institution. It was alleged that he manipulated the funds so that dangerous loans were hidden when the bank examiner examined the books. Motions to set aside the verdict were denied and Reichman was seat to the Tombs.

Reduced Rates.

[UNITED PRESS LEASED WIRE.]

Carson, Nev., June 28.—Twenty-five per cent will be the reduction on class goods shipped over the Southern Pacific and the Tonopah and Goldfield railroads, according to an order issued here by the state railroad commission, effective August 1.

Avoid It Leave this tremendous alcohol question to your doctor. The danger is too great for you to decide alone. Ayer's Sarsaparilla is a tonic, entirely free from alcohol. Take it or not, as your doctor directs. J. C. Ayer Co., Lowell, Mass.

BRUTALITY OF THE BURNS DETECTIVES

THEIR LEADER SAYS: "IF WE CAN GET MRS. M'MANIGAL IN JAIL A FEW DAYS WE WILL HAVE A CHANCE TO QUESTION HER AND REMOVE HER FROM INFLUENCE OF COUNSEL FOR DEFENSE!!

[UNITED PRESS LEASED WIRE.]

Los Angeles, Cal., June 28.—Notice from the district attorneys office to show cause why Mrs. Ortie E. McManigal, wife of the alleged dynamiter, should not be cited for contempt of court was served today on Clarence Darrow, chief counsel for the McNamara brothers.

Darrow immediately answered that he was prepared to meet the issue. Steps are now being taken by the district attorneys office to produce Mrs. McManigal in court. The arguments will be made before Judge Hutton of the superior court.

Earlier in the day Detective McLaren of the Burns agency, outlined some of the plans of the prosecution.

"If we can get Mrs. McManigal committed to jail for a few days," he said, "we will then have a chance to question her and remove her from the influence of counsel for the defense. This is our last step."

CONDITION OF STEEL BRIDGE IS DANGEROUS

Heeding the warnings sounded by the bridge committee of this city, and also many citizens, as to the unsafe condition of the Willamette river bridge, the board of county commissioners of Polk county yesterday afternoon met with Judge Bushey, and, after a consideration of the subject, entered into a contract with Paul Leahy, of Portland, for a general, but superficial, overhauling of the bridge.

Councilman Manning, of the bridge committee, called the attention of the council to the dangerous condition of the bridge at the last meeting of the body, and stated that a conference would be held between the boards of the two counties. Most of the tension members of the structure have become loose, and lately it has gotten so shaky that when teams pass over it it sways for six inches or more. These will all be tightened, and it is hoped that with that, and some other repairs, the structure can be put into reasonably safe condition.

The portion on the Polk county side was repaired three years ago, but the workmanship and the material did not measure up to the standard. The general presumption was that new piling was to be put in, but the contractors, instead of doing so, made use of much of the old piling and caps. That accounts in a great measure for the shaky condition of the structure on the Polk county side when teams pass over it. While this feature of the bridge's condition was discussed yesterday afternoon, no attempt will be made to repair it at this time.

It is estimated that it will require from one to two weeks for a crew of men to tighten the tension members.

PASTOR RUSSELL WILL PREACH IN PORTLAND

Pastor Russell of the Brooklyn Tabernacle is advertised to speak at the armory in Portland tomorrow, Thursday evening. The Journal takes especial pleasure in giving publicity to this fact, for the reason that it has had a peculiar experience from a newspaper standpoint with Pastor Russell. For some time The Journal has published as a feature of its Sunday edition the sermons of this famous preacher, and the result has been a surprise to it. Every newspaper has had experience along this line featuring some person or business, and generally with unsatisfactory results from a financial standpoint.

The Journal's experience with Pastor Russell's sermons has been unique. It has received letters from all parts of the United States commending the sermons and the publication thereof, and, what is more gratifying, to the business department, at least, is that these letters almost invariably contain a check or money order for a year's subscription to The Journal. The writer has never had the pleasure of listening to Pastor Russell, but has read his splendid sermons—sometimes, but he suggests that sermons that can cause so wide an interest indicate their author as a man of profound thought, of broad doctrine and unbounded every-day human nature. Pastor Russell will be worth hearing.

Your Neighbor's Experience

How you may profit by it. Take Foley Kidney Pills. Mrs. E. G. Whiting, 360 Willow street, Akron, Ohio, says: "For sometime I had a very serious case of kidney trouble and I suffered with backaches and dizzy headaches. I had specks floating before my eyes and I felt all tired outand miserable. I saw Foley Kidney Pills advertised and got a bottle and took them according to directions and results showed almost at once. The pain and dizzy headaches left me, my eye-sight became clear and today I can say I am a well woman, thanks to Foley Kidney Pills."—Red Cross Pharmacy.

Is the Tuberculosis Crusade Losing Ground?

Despite all the efforts being made by advocates of fresh air and egg-and-milk treatment, the number of new cases has not been noticeably decreased.

Write to us and ask to be referred to Clergymen, Priests, men and women who use Eckman's Alterative and are today well and strong without a trace of tuberculosis—pronounced so by physicians. Some of them took the Alterative 10 years ago when doctors said they would not live 10 weeks.

Could anything be fairer to yourself and those who love you and would do anything to restore you to health? If you are skeptical—investigate us, our medicine, our advertised statements. Write to those who have sent in affidavits and testimonials telling how Eckman's Alterative cured them. Here is one:

5323 Girard Ave., Philadelphia, Pa.

Gentlemen: "In the winter of 1903, I had an attack of Grippe, followed by Pneumonia and later by Consumption. I grew steadily worse. In the winter of 1904 I had cough, night sweats, fever and raised quantities of awful looking stuff and later, I had many hemorrhages; at one time, three in three successive days. Milk and eggs became so distasteful I could keep nothing down. Three physicians treated me. I was ordered to the mountains, but did not go. Eckman's Alterative was recommended by a friend. After taking a small quantity I had the first quiet night's sleep for weeks. My improvement was marked from the first. I gained strength and weight and appetite. I never had another hemorrhage and my cough gradually lessened until entirely gone. I am perfectly well. Everything I say here can be verified by my family and friends."

(Signed Affidavit) Annie Floyd Loughran.

Eckman's Alterative cures Bronchitis, Asthma, Hay Fever, Throat and Lung Affections. Ask for booklet of cured cases and write to the Eckman Laboratory, Philadelphia, Pa., for additional evidence. For Sale by all leading druggists and Perry's Drug Store in Salem.

SCHEDULE OF THE LOCAL BALL GAMES

The Merchants and the P. R. L. P. teams of the Twilight league will open the league season at the Willamette grounds at 6:30 this evening, provided the weather man keeps off the rain during the afternoon. The teams had planned to play the opening game last Friday evening, but rain spoiled their plans. The good attendance at last Sunday's game of the big league, despite the threatening weather, has given the Twilight members courage to attempt the opening game tonight, in spite of damp weather.

Manager Evans, of the Merchants' team, today said the game would be pulled off if the weather was anywhere near fair. If the game is postponed again the next attempt will not be made until Monday evening, July 3, when the P. R. L. P. boys will meet the Y. M. C. A. boys. The postponed game with the street car boys (that is, if tonight's game is postponed) probably will be played Friday evening, and all postponed games on the schedule probably will be played on a Friday evening, between regular schedule dates. Twelve games will be played during the season. Captain Fleming, of the P. R. L. P. team today gave out the schedule for the season. If the weather permits, the opening game will be played this evening between the Merchants and the P. R. L. P. teams. The remainder of the schedule is as follows: July 3, P. R. L. P. and Y. M. C. A.; July 5, P. R. L. P. and East Salem; July 10, Y M. C. A. and Merchants; July 12, Merchants and East Salem; July 17, Y. M. C. A. and East Salem; July 19, Merchants and P. R. L. P.; July 24, East Salem and Y. M. C. A.; July 26, Merchants and East Salem; July 30, Y. M. C. A. and Merchants; August 2, P. R. L. P. and East Salem; August 4, P. R. L. P. and Y. M. C. A. All games will be played on the Willamette grounds. The Twilight league officials have leased these grounds, and the game this evening will be played there despite the fact that a game has been announced on the college grounds for this evening between the school superintendents. No games between Twilight league teams will be played during the three days' celebration of the Cherry Fair, July 6, 7 and 8; the dates having been left open to permit the league members the privilege of entering their babies in the prize parade, and attending the baby show.

AMERICAN SENTENCED BY JAPANESE COURT

Tokio, June 28.—Friends of John E. Atkins, of the United States collier Saratoga, who recently was convicted by the Japanese judges and sentenced to five years imprisonment for having killed John L. Saunders of the United States cruiser New Orleans have subscribed 6,000 yen to appeal the case.

Subscriptions have come from men on the vessels of the Asiatic squadron and other friends of Atkins. One foreign woman gave 1,000 yen and the crew of the New Orleans gave 600 yen.

To forget to put coffe in the coffee-pot is a sign of a coming gift.

SEVENTY-FIVE THOUSAND SEE DEMONSTRATION

SOUTHERN PACIFIC TRAIN WITH ITS AGRICULTURAL AND HORTICULTURAL DEMONSTRATION ATTRACTS BIG CROWDS.

More than 74,000 Californian farmers attended the lectures of University of California professors, given under the auspices of the Southern Pacific company during the year 1910-11. The exact number of auditors to these lectures during this latest lecture tour was 76,236. This is an increase of 2,573 over the year 1909-10, and an increase of 38,966 over the year 1908-9, when the agricultural demonstration train was first inaugurated by the Southern Pacific company.

Professor W. T. Clarke, superintendent of the University of California extension in agriculture, has the following to say relative to these special agricultural and horticultural demonstration trains:

"The special agricultural and horticultural demonstration trains now being operated by the Southern Pacific company and co-operated in by the University of California college of agriculture, is by far the most extensive effort of its kind that has ever been put forth in any part of the country. A spirit of co-operation with the producers is manifested and the Southern Pacific company, recognizing the fact that better results should be obtained from the farms of the state, and also recognizing the fact that its best interests are bound up in the success of the producers, has joined with the College of Agriculture and experiment station of the state, in bringing to the farms and to the workers thereof improved methods of procedure whereby better returns could be obtained."

The Southern Pacific agricultural and horticultural demonstration train is always accompanied by an operating official of the company and usually by the agents of the district through which it traverses. It is thoroughly advertised and the press of the state has kindly given it prominent notice. Through these press notices and advertising the state in general has received notification of the coming of these trains and this has helped wonderfully in bringing the interested ones to the station for the time that the train stops.

The train covered a mileage of 2608.4 miles in 1908, held 259 meetings which were attended by 37,270 people during the 61 days the train was out. During the 1909-10 season, 3436.6 miles were covered, 222 meetings were held, the attendance was 73,663 the train being out 63 days. More than 4,000 miles were made during the 1910-11 season. The train was out 76 days, 225 meetings were held at which there was a total attendance of 76,236.

With only a few exceptions the attendance at each town where a stop was made, showed a large increase. The slight falling off at these few stations was caused probably by the farmers not receiving notice of the visit in time, in many cases it requiring an entire day for farmers of a district to reach the railroad station. The train this year was enlarged to 10 cars, five of which were coaches containing exhibits; two baggage cars, one standard sleeper, one diner and one baggage car fitted with sleeping accomodations for the train crew. The entire season's work was accomplished without any accident or casualty and the public was appreciative of the work. The exhibits and demonstrations were divided into the following 15 heads:

Field crops, soils, fertilizers, animal industries, veterinary science, dairy industry, horticulture, viticulture, irrigation birds and mammals, plant diseases, poultry, public health, home economics, university farm school and entomology.

EVIDENCES OF GUILT ARE FOUND

Every question as to the guilt of Edward H. Martin now serving a 15-year sentence in the state penitentiary for the murder of Nathan Wolf, First street, Portland jeweler and pawn broker, three years ago, was removed yesterday, when the revolver which Martin used in his murderous assault, and jewelry and envelopes containing Wolf's business address were found buried under the house in Sellwood where Martin lived.

The old four-room cottage at East Umatilla avenue and East Fifteenth street, which was the harbor for several months of one of the worst criminals in Portland's history, gave up its story as it was removed from the lot. C. L. Hastings, a housemover of Gladstone, and A. Larson and L. G. Lambertson, found the articles that had been cached under the floor of the dining room by Martin the night of the murder.

Murderer's Cache Found.

The house had been moved about 10 feet from its foundation, when one of the workmen's eyes caught the glint of jewelry. He crawled under the house to investigate, and in removing a few inches of dirt a small pasteboard box, containing part of a watch-chain, several rings welded together and used for window display purposes, a nickel-plated revolver and two dozen envelopes used for enclosing repaired jewelry were unearthed. A. Larson, one of the discoverers, noticed the name and business address of Nathan Wolf stamped on each of the envelopes. Recalling the attack made upon Wolf at the pawnbroker's place of business and remembering that Martin had resided in the house at the time of the murder, Larson immediately notified Captain of Detectives Moore of his discovery.

Notice of Intention to Improve Front Street.

Notice is hereby given that the common council of the city of Salem, Oregon, deems it expedient and proposes to improve Front street, in the city of Salem, Oregon, with concrete pavement, from the south line of Trade street to the south line of D street, at the expense of the adjacent and abutting property within said limits and according to the plans and specifications adopted for said improvement and on file at the office of the city recorder, which said plans and specifications are hereby referred to for a more specific and detailed description of said improvement, and are hereby made a part of this notice.

This notice is published for ten (10) days pursuant to the order of the common council, and the date of the first publication thereof is the 28th day of June, 1911.

Remonstrances may be filed against said improvement within ten (10) days from the last publication of this notice and in the manner provided by the city charter.

CHAS. F. ELGIN,
6-28-11t City Recorder.

Call for Bids.

Notice is hereby given that the undersigned will receive bids up to 6 o'clock p. m. on Monday, July 3, 1911, for the improvement of Chemeketa street from the east line of Water street to the west line of Fourteenth street, with Bitulithic pavement, on a bituminous base, according to the plans and specifications adopted for said improvement.

The council reserves the right to reject any or all bids and waive any and all irregularities in the manner of submitting bids in the interest of the city.

CHAS. F. ELGIN,
6-28-3t City Recorder.

Call for Bids.

Notice is hereby given that the undersigned will receive bids up to 5 o'clock p. m. on Monday, July 3, 1911 for the improvement of Asylum avenue, from the center lines of Twenty-fourth street, to the city limits, with concrete pavement, according to the plans and specifications adopted for said improvement.

The council reserves the right to reject any or all bids and waive any and all irregularities in the manner of submitting bids in the interest of the city.

CHAS. F. ELGIN,
6-28-3t City Recorder.

A Terrible Blunder

To neglect liver trouble. Never do it. Take Dr. King's New Life Pills on the first sign of constipation, biliousness or inactive bowels and prevent virulent indigestion, jaundice or gall stones. They regulate liver stomach and bowels and build up your health. Only 25 cents at J. C. Perry's.

DR. M. P. MENDELSOHN
DOCTOR OF OPTICS

LOCATED AT ROOMS 210-211, UNITED STATES NATIONAL BANK BUILDING. BE NOT MISLED

As there are no extra charges for examination of your eyes. One charge pays for examination, frames and glasses. The services and materials are far superior to any in this city. Dr. Mendelsohn carries the best stock of materials that can be purchased.

Thirty years of practical experience is at your service and the prices are lower than elsewhere for the material and service you get of Dr. Mendelsohn. The entire problem lies in those words—rightly fitted lenses by the right man.

All broken glasses replaced while you wait. Prices reasonable.

OFFICE HOURS, 8:30 TO 12; 1 TO 5 P. M. EVENINGS BY APPOINTMENT.

THEY ASK THAT THE CONVICTS BE RETURNED

Approximately 80 farmers residing in the vicinity of Sublimity have petitioned Governor West to return the convicts who were being used by the state in the neighborhood in road work, but who were withdrawn by the governor because of a charge that their presence there was causing the residents fright.

The petitioners declare that but one man objected, and that he misrepresented the facts, that the petition declaring that he told "the biggest falsehood that a man ever told." The petition then asks that the convicts be returned, as they are needed on the roads, and says that without them no use can be made of a rock crusher which was taken to the grounds for doing the road work. The list is headed by J. T. Hill, the road supervisor of the district.

The governor has not yet decided just what his action will be, but, unless other protests come in, he will probably answer the prayer of the petition by returning the convicts.

Notice of Assessment.

Notice is hereby given that the common council of the city of Salem, Oregon, will at or about 8 o'clock p. m., on the 3d day of July, 1911, at the common council chambers, at Salem, Oregon, proceed to assess upon each lot or parcel of land liable therefor its proportionate share of the cost of the improvement of Center street, from the west line of Liberty street to the west line of Front street, in the city of Salem, Oregon, according to the plans and specifications adopted for such improvement, and on file at the office of the city recorder.

All persons interested in said assessment shall appear at said time before said common council, and present objections if any they have, to said assessment, and apply to said common council within five days, following said date, for the privilege, if they so desire, to make said improvement in lieu of their assessment.

Done by order of the common council of the city of Salem, Oregon, this 26th day of June, 1911.

CHAS. F. ELGIN,
6-28-3t City Recorder.
