

Clatsop County Proud

Hampton operates the Warrenton sawmill, providing direct and in-direct family-wage jobs in Clatsop County. 🌲 Hampton is a family-owned forest products company operating with core values of ethics, safety, candor, innovation, execution and **people**. 🌲 We believe our employees are our greatest resource and we strive to provide a safe work environment and a secure future for them, their families, and the **community** in general. 🌲 We are **proud** of our employees' many community activities. Warrenton/Hammond Healthy Kids is one of several recipients of the generosity of our employees. 🌲 Volunteer fire fighting, Clatsop County 4-H and FFA Youth, Clatsop Community Action Food Bank, and Adopt-A-Family are some of the other activities our employees and our company support. 🌲 Hampton looks forward to our ongoing commitment to be good Clatsop citizens and we applaud the volunteer efforts of our employees.
