**Held on Charge of Murder**  
S. B. Lewis, the O. R. & N. track watchman who is held responsible for the wreck and death of Engineer Thos. Rogers at Warrendale, was arrested at The Dalles last Tuesday by Detective Ed Wood and Deputy Sheriff Archie Leonard.

Lewis, who is 33 years old, admits deserting his post. It is not clear, however, that he can be held on the charge which has been preferred against him, as the court may hold that he was entitled to quit when he felt disposed to do so.

He was taken to Portland for a hearing on the charge of murder.

TO THE HOME SEEKER:

There are several reasons why you should look over this part of Clarke County before you settle on a place for a home.

"The North Bank Road" gives us the large cities of the Northwest for a market. The soil is deep and rich and is well adapted to the raising of all kinds of fruit. Prunes, apples, pears, grapes, and all of the small fruits are grown here to near perfection. Stock raising and dairying is a source of profit to a large number of farmers in this region.
