AND THE
British Reviews.

Great Inducements to Subscribe!!
PREMIUMS AND REDUCTIONS.

L. SCOTT & CO., NEW YORK, continue to publish the following leading British Periodicals, viz.:
1. THE LONDON QUARTERLY (Conservative).
2. THE EDINBURGH REVIEW (Whig).
3. THE NORTH BRITISH REVIEW (Free Church).
4. THE WESTMINSTER REVIEW (Liberal).
5. BLACKWOOD'S EDINBURGH MAGAZINE (Tory).

The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written news items, crude speculations, and flying rumors of the daily journal, and the ponderous tone of the fatiguing historical writers after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look for the only really intelligible and reliable history of current events, and as such, in addition to their well-established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

The receipt of ADVANCE SHEETS from the British publishers gives additional value to these Reprints, inasmuch as they can now be placed in the hands of subscribers about as soon as the original editions.

PROSPECTUS OF THE NATIONAL REPUBLICAN.

WASHINGTON, D. C., July 1, 1851.
The undersigned commenced, in the month of December last, the publication, in this city, of a weekly newspaper, called the National Republican.

It is printed on a large sheet, twenty-seven by forty-two inches, and is furnished at the low prices stated below. It will contain all the original matter of the daily National Republican, with the exception of local news not interesting to country subscribers. It will give full reports of the proceedings of Congress, and of the other departments of the national Government. It will contain all the news of the day, foreign and domestic, markets, etc., as well as original correspondence from all parts of the country. The miscellaneous department will receive special attention and, in all respects, the effort will be made to establish the character of the National Republican as a Family Newspaper. Washington being now the central point of the current military operations, great attention will be paid to furnishing the readers of the National Republican with full and especially with accurate, accounts of the progress of the war for the Union.

In politics, the paper will be Republican, sustaining the Administration of Mr. Lincoln, but disclaiming, however, any pretension to be the organ of the President. There is no Republican paper in the District of Columbia, or in the vicinity of it, and it is believed that recent events have opened to such a paper an important sphere of useful effort. The time has come, when the actual administration of the Government upon Republican principles will explode the misrepresentations which have made those principles so distasteful to the South. But it is not only here, and in this vicinity, that the projectors of the National Republican hope to make it useful. To the whole country they offer a journal which will discuss national politics from a national standpoint, and which will never be swayed from patriotic duty by any overbearing pressure of local interest.

Terms of Subscription.
One copy for one year, - \$2.00
Three copies for one year, - 5.00
Five copies for one year, - 7.00
Ten copies for one year, - 12.00
Twenty copies for one year, - 20.00

When a club of subscribers has been forwarded, additions may be made to it on the same terms. It is not necessary that the subscribers to a club should receive their papers at the same post office. Money may be forwarded by mail, at our risk. Large accounts can be remitted in drafts on Boston, New York, Philadelphia or Baltimore; smaller amounts in gold, or in notes of solvent banks.

The Daily National Republican is published every morning (Sundays excepted) at \$2.00 per annum, in advance. Address, W. J. MURTAGH & CO., Washington, D. C.

TURNER'S FOREST WINE BITTERS.

The Greatest Remedy of the Age, FOR THE CURE OF Dyspepsia, Liver Complaint, Weakness of Stomach, Or any Derangement of the Digestive Organs.

THEY regulate and prepare the stomach to receive and digest food in a healthy manner, giving action to the Liver, by removing the secreted bile, allowing the body its natural strength. It is very essential for persons of every age and condition in life, to be careful and keep their Digestive Organs in good order. By doing this, they will be proof against any, or all, of the prevailing diseases, incident to the different climates, no matter what the temperature of the same. These Bitters are sure to do this in every case, if taken according to directions.

There are thousands of small arteries and avenues in the human frame, leading to and depending upon, the gastric juices produced by the stomach for the support of the entire body. If the stomach is diseased, surely it cannot do its work. Consequently, the body must be fed from unprepared and unnatural saliva, causing corruption throughout the whole system. But if the stomach is kept in order, the created saliva goes to enrich the blood, giving a natural freshness to the countenance, and strengthening the whole frame.

We desire any and every person using the Bitters to show them to and ask the opinion of their confidential family physician, in regard to the merits of the article.

TURNER'S FOREST WINE BITTERS
Are sure to regulate the stomach, the main avenue to the whole body;
Are sure to counteract Biliousness, when in a malarious climate;
Are sure to agree with the most weakly, as well as the most robust persons;
Are pleasant as a Beverage;
Are economical and cheap;
All travelers should carry these Bitters with them, to prevent Biliousness and Fevers, caused by changes of water and climate.

Seamen should carry them to prevent Scurvy, Ship Fever and the like when they are deprived of fresh vegetables.
All persons of sedentary habits, who cannot rest at night, should take them before going to bed (as a food and disordered stomach always produces a nervous irritation of the muscular glands, causing sleepless nights). They assist the stomach to perform its natural powers, allowing the patient to rest with ease. They are very rich and nutritive wine, formed by the addition of nine different kinds of roots, bark and herbs, making a very palatable as well as one of the most nourishing Bitters in the world. There has never been any article introduced into the market such universal confidence, and been so highly applauded by the public, as these Bitters. They have been in use about six years, and the sale has increased so much that it now takes three large buildings, covering over nine lots of ground, to do their business.

For the better protection of the public (after this date, April 15th), we have for a label, a (spendid and very expensive) Steel Engraving, with the portrait of each member of our firm, making a perfect guarantee against counterfeits or imitations of the genuine article.
N. B.—Hereafter our BOTTLED BOTTLES BITTERS will be manufactured from White Wine, which makes a decided improvement, unequalled by any other Bitters in the United States. Sold wholesale, by TURNER BROTHERS, Corner Washington and Franklin streets, New York; Niagara street, Buffalo, N. Y.; corner Broadway and Front streets, San Francisco, Cal., and for sale by Merchants and Druggists everywhere. J. L. M.

NEW BUILDING.

BETTER FACILITIES, AND MORE ACCOMMODATIONS.

I would announce to the people of the Upper Willamette that I have moved into my new building on the corner of Oak and Ninth Streets, in front of the Court House, where I will be found ready and willing to meet all my old friends and patrons and a fair proportion of new ones. It will be my aim to keep a complete stock of

Staple Goods, with as much Fancy and Ornamental Stock as the market may demand. Having formed business connections with extensive Business Houses in Portland and San Francisco, together with a TEAM which I keep constantly running during the summer months, I flatter myself that I can offer to my customers INDUCEMENTS NOT SURPASSED BY ANY HOUSE IN THE UPPER WILLAMETTE.

I have, at much expense, made extensive preparations for Storage, by which means I am enabled to receive and place in market any production of either FARMER or MECHANIC.

I will also receive and ship to any commercial point, Goods, Produce, or other wares, giving the parties advantage of other markets, and extensive business acquaintance.

A LARGE STOCK OF JAYNE'S AND OTHER Patent Medicines.

To counteract, as far as possible, the hard times, I calculate to bring my business to CASH AND READY PAY PRINCIPLES, making small profits and light charges. Those who are weary and heavy laden (with gold dust) give me a call. Eugene City, Jan. 1, 1862. J. L. M. A. S. McCURE.

SCOVILL'S SARSAPARILLA, STILLINGIA, Blood & Liver Syrup.

It is highly recommended by physicians to cure the following diseases, having their origin in a disordered state of the blood. Scrofula, Tetter or Salt Rheum, Scald Head, Canker, Ulcerations and Enlargement of the Joints, Cancerous Tumors, Erysipelas, King's Evil, St. Anthony's Fire, White Swellings, Obsolete Eruptions, Pimples on the Face, Rheumatism, Blisters, Pastules, Dyspepsia, etc.; Syphilitic and Mercurial Affections are cured; Chlorosis or obstructions in Females, Leucorrhoea or Whites, are relieved by the use of this very valuable MEDICINE.

The medicinal properties of Sarsaparilla in conjunction with Stillingia are well known by all medical men to be the best compound yet discovered to cleanse and purify the blood, and eradicate all humors from the system.

We have given the recipe to most physicians in the country, that they may know what they are using; and will continue to send it by mail to those desirous of knowing the ingredients entering into its composition, that they may prescribe it in their practice.

This preparation stands at the head of the list of remedies for curing all diseases arising from impurities in the blood or diseased matter lurking in the system. Thousands who have used the Stillingia and Sarsaparilla will testify to its remarkable effect in removing all impurities from their blood, giving tone and vigor to the whole human frame, and restoring a healthy action to all the functions of the body.

The testimonials received in its favor from many members of the Medical Faculty would, were we to publish them, fill a large volume.

It is prepared under the supervision of one of the oldest and best practical chemists in the country, (Mr. W. S. Merrill, Cincinnati), so as to insure a uniformity of composition and purity in all the ingredients.

As a spring remedy, to purify and cleanse the blood, leaving it free from all humors and impurity, we assert with confidence, there is no better remedy.

Sold by all Druggists, and by REDINGTON & CO., Agents, 409 and 411 Clay Street, San Francisco. To whom all orders should be addressed.
