PHILADELPHIA, January 17th, 1862. To the Editors of the Pacific Medical Journal—Gentlemen: My attention has been called to an article in the December number of your journal, in regard to the admission degree granted by the Philadelphia College of Medicine to Dr. L. J. Czapka. When the application for the degree was made to the Faculty, it was accompanied by affidavits and testimonials to the effect that Dr. Czapka, was a regular graduate M. D. of the University of Pesth, had served as a surgeon in the Hungarian army, and was a regular practitioner of medicine. On the strength of these the degree was granted. The admission degree, as its name implies, is conferred on graduates only, and gives us new privileges. Had there been the slightest suspicion of irregularity, the application would have been refused. By inserting this in your journal you will do an act of justice to the college, and confer a favor on me. Yours, very respectfully, H. RAND, Dean of the Faculty of the Phila. College of Medicine.

Hall's Sarsaparilla, Yellow Dock and Idoide of Potass.

This celebrated preparation has stood the test of six years with the California public—who are justly considered as a community the most intelligent in the world—during which period we are proud to say it has given more than satisfaction—it has become the HOUSEHOLD REMEDY.

For Californians particularly, who, from much exposure, bad food, imperfect shelter and irregular habits, suffer more than any other community in the world; and we are safe in saying that as a rule, California Rheumatism cannot be cured thoroughly without a free use of

Hall's Sarsaparilla. It is the only preparation that will CURE Rheumatism, as thousands can testify who have tried the medicines of the Best Doctors in the country, without receiving any benefit therefrom. In all cases it gives immediate relief when taken as per directions on the bottle.

Females. In delicate health would do well to try the virtues of this remedy, as it insures peculiar beneficial influence upon the vascular system not obtained by any other remedy. It quickly removes from the blood and other fluids the impurities of unhealthy secretions, which engenders a long train of diseases, such as

Scrofula, Ulcers, Boils, Blisters and Pimples on the Face and Body, Humors, Pustules, Tumors, Sores, Roscor Erysipelas, Tetter, Scald Head, Swelled Neck, Liver Complaint, Lumbago, Gout, Chronic Sore Eyes, Cancer, Enlargement of the Ovaries, and diseases of

The Heart, are cured by the renovating action of this truly valuable medicine. It acts like a charm, purifying the blood of all morbid and corrupt matter, and at the same time strengthens and invigorates the entire system.

Salt Rheum will positively yield to the medicinal powers of this remedy, in conjunction with Hall's Rosemary Cerate, it has cured cases of over twenty years' standing, the disease having nearly defaced the whole surface of the body.

Mercurial Discharges, and all diseases arising from Lead, Mercury, and Arsenic, such as Aching pains in the Joints, Dimness of Sight, Low Fevers, and worst of all, Mercurial Rheumatism, are relieved by one bottle of this remedy.

Night Sweats, Wanting of Flesh, Spitting of Blood, Habitual Costiveness, and Piles—thousands testify to the efficacy of Hall's Sarsaparilla, Yellow Dock and Idoide of Potass in the above named diseases. It increases the appetite and the flesh, gives a healthy tone and vigor to the whole system, building up

A New Constitution. As the constitution is the blood and this remedy thoroughly purifies, cleanses, and purges it of impure matters, and at the same time stimulates into healthy action the whole Visceral System, which is engaged in the manufacture of the blood, hence the health of the whole system will follow and a long life, with a healthy and cheerful mind—sure indications of a healthy body—can be obtained by the most delicate person, by thorough purging the blood in the spring and fall of the year, with Hall's Sarsaparilla, Yellow Dock, and Idoide of Potass.

Imitations. Owing to the great and unparalleled success of the remedy, hundreds of unprincipled persons seek to palm off on the public, worthless trash called by the same name. The genuine Hall's Sarsaparilla contains neither Spirits, Mercury nor Arsenic. So d by Druggists and Dealers every where for \$1, and by the proprietors, H. HALL & CO., 55-56m 401 and 534 Clay street, San Francisco.

Sands' Sarsaparilla, FOR THE REMOVAL AND CURE OF All Diseases arising from an Impure State of the Blood or Habit of the System.

IN this preparation are strongly concentrated all the medicinal properties of Sarsaparilla, combined with the most effectual and the most salutary productions of the most potent simples of the vegetable kingdom; and the combination is such that one medicine improves and the other, producing a compound differing entirely in its character and properties from either preparation, and unrivalled in its operation on the system when laboring under disease. It has been so fully tested, not only by patients themselves, but also by physicians, that it has received their unequalled recommendations and the approbation of the public, and has established on its own merits a reputation for value and efficacy far superior to the various compounds bearing the name of Sarsaparilla.
