ALL PULL TOGETHER.
Oregon, Washington and Idaho Form Interstate Development League.
Spokane, Wash., May 29.—An Interstate Development League, embracing the representative organizations of Oregon, Washington and Idaho, and working harmoniously for the good of the entire Northwest, is the project that was launched at the conclusion of the elaborate banquet in honor of the Portland visitors at Spokane. It was decided to leave the working out of the details to committees to be appointed by the Portland Commercial club, the Spokane Chamber of Commerce and the Lewiston Commercial club.
It is expected to have the organization perfected in time to have the first meeting of the new Interstate Development league held at some point in Washington early next fall.
Mr. Wilcox's plea for aid for an open river met with a most cordial response from all the speakers who followed him. President J. J. Browne, of the Spokane Investment company, and a former resident of Portland, made an exceptionally strong plea for aid.
Mr. Wilcox very cleverly stated that the mouth of the Columbia was also the mouth of the Spokane, the Snake and every other river draining the Columbia basin. In asking the aid of Spokane in placing the work on the south jetty on a continuing contract basis, as he expressed it, "so some of us will live long enough to see it finished."

THE PIONEER PAINT COMPANY.
The pioneer paint establishment of Portland is that of F. E. Beach & Company, of 135 First St., the oldest and most reliable house of its kind in the Northwest. It carries an immense stock of the best things in paints and building materials, together with an unusual list of specialties. Those who need anything in these lines can certainly profit by going to F. E. Beach & Company. Remember the number, 135 First street.

"THE MILWAUKEE"
"The Pioneer Limited" St. Paul to Chicago.
"Overland Limited" Omaha to Chicago.
"Southwest Limited" Kansas City to Chicago.
No trains in the service on any railroad in the world equals in equipment that of the Chicago, Milwaukee and St. Paul Railway.
They own and operate their own sleeping and dining cars and give their patrons an excellence of service not obtainable elsewhere. Berths on their sleepers are longer, higher and wider than in similar cars on any other line. They protect their trains by the Block system. Connections made with all transcontinental lines in Union depots.
