Madam Yale Hints

Free today—Mme. Yale's Book of Beauty Lectures. (At toilet goods department) Free today—To every purchaser of 50c or over of Mme. Yale's Preparations a 4-oz. bottle of her Fruit-Cura. Free today—To every purchaser of 75c or over of Mme. Yale's Preparations a 50c jar of her Skin Food.

Facial Massage

A little of Mme. Yale's Almond Blossom Cream rubbed into the skin immediately after washing the face will keep the skin smooth and white, and preserve its beauty. A few moments spent giving the face a daily massage will preserve its youthful contours and soft expression.

The Bust, Neck and Arms

The flesh can be increased and beautifully moulded by daily massage and Mme. Yale's Bust Food. For the development of the arms, neck and bust it never fails. There is nothing else in the world like it.

Wrinkles

Mme. Yale's Skin Food supplies the skin with its own kind of substance, making it impossible for wrinkles to form or remain. It should be rubbed into the skin just before retiring and left on the face all night.

Health

Mme. Yale's "Fruit-Cura" is the greatest tonic in the world for giving to women health and strength; it invigorates the brain, tones the nerves, strengthens the muscles, builds up the tissues and floor; it sets in beautiful motion the vital organs of the whole body by creating new, youthful matter and by a building-up process. Beauty without health is as impossible as warmth without sun.
