Turkish Loan Plan May Be Introduced in the Archipeingo.

States and other foreign countries. The State Department was advised at the NEW YORK, Aug. II .-. Some data re time that the rates of imports entering China were 12% per cent and the export garding mortgage loans to small land-holders under Government supervision has been forwarded to Judge Henry C duties 7% per cent. One of the most important provisions of the British-China treaty was that abolishing the Ilkin tax. ide, Secretary of Finance in the Phil-ippines, by Charles A. Conant, who was in the Philippines last Summer for the It is presumed that similar rates are made in the American treaty and that the likin tax is abolished as far as it repurpose of studying coinage and bank-ing conditions. Mr. Conant says it aplates to American goods in transit. The likin tax has been one of the mo pears that mortgage loans under Gov ernment guaranty are successful, even under the conditions existing in Turkey, and that Lord Cromer is preparing to ex-tend the system in Egypt. The National Bank of Egypt has already made loans of about \$2,000,000 of this character, but on it has commercial bank it is in ardensome exactions of the antiquated Chinese system, as it was levied by the of. ficinie at various points throughout the interior without uniformity and often with less regard for commercial ends than for the enrichment of the unscrupulous local but as it is a commercial bank it is in disposed to lock up further capital in officials. The abolition of the local likin tax will go to encourage foreign trade and traffic in the interior of China. Mr. Sharretts' dispatch is dated at Shanghal and does not go into detail re-gurding the treaty he has signed.

CHINA NOT YET SIGNED.

ago and has since been engaged in work

It was announced about a month age that the British Commissioners had con-

cluded a tariff treaty with China and it was understood at that time that the

British treaty would serve as a basis for similar treaties with the United

ing out the details of a tarlif agreement.

But Not Likely to Decline-Portugal's

Embarrassing Demands. LONDON, Aug. 17.-In a dispatch from Shanghal, the correspondent of the Times says the protocol of the tariff treaty was d yesterday (Saturday) by the Brit. ish, American, German and Japanese rep-resentatives without reservation, and by the Austrian, Belgian and Dutch repre-sentatives by adopted referendum. This notable confinues the Times correspond. acaon, continues the Times correspond-

also see to lock up further capital in this form of security. A new bank is, therefore, in process of formation to engage exclusively in small mortgage and agricultural loans. The government is to guarantee dividends of 3 per cent on the capital, and is to employ the pub-lic tax gatherers, if necessary, to col-lect the intercet on loans. Mr. Conant said today:

lect the int said today: "I have sent some information on this subject to the Philippine Commission, in the helief that they might find it useful if they wish to prepare a similar project for the Philippines. If such a plan succeeds in developing the agricultural rerious losses, it is possible that similar to the United States. The Chinese Com-inscioner, lacking imperial sanction, did not sign the protocol, therefore if China modifies it, the signatures affixed yester-day will be void. The document provides that the new tariff become operative November 1. Portugal, adds the correspondent, com-plicates the situation by claiming a con-and the method is associated as associated as a series of the dovernor the small farm-ers in practical operation. Governor Taft and his association. will be some time before they able to take this up, but it will be greatly for the benefit of the Filipinos when they are able to borrow enough to equip themselves with the best, seeds and with modern tools." MINDANAO'S SITUATION CRITICAL.

James Nelligan, an executive officer of the Brotherbood of Rallway Teleg-raphers, was in conference with the offi-cials at miners' strike headquarters. He sold his visit to headquarters had nothing to do with the miners' strike. It is said that an attempt will be mad It is said that an attempt will be made to start the Matleby collisty of the Le-high Coal Company tomorrow. About 20 electric lights have been strung within the enclosure, and fully 50 coal and iron polloemen were taken to the minos this evening. The electric lights will enable the guards to be stationed at miny points and have a clear view of all the surroundings. At strike headquarters, some of the officers are exercised over the matter. Rev. J. J. Curran, of this city, who has

Rev. J. J. Curran, of this city, who has figured considerably in the strike, said in his address at his church tonight that

if J. P. Morgan did not do something to bring the strike to an end it would last for a long time. Will Try to Settle Differences.

CHICAGO, Aug. 17. - The executive committee of the Federation of Labor will undertake tomorrow to reach an amicable estilement of the differences existing between the street-car men an their employers, a meeting between the committee, and the street-car officials being arranged. The Federation today adopted resolutions declaring that in case the trouble cannot be settled by arbitration and it shall become necessary to call a strike, the Federation will give the strikers the moral support of the

good digestion; sound sleep; a

cession of two small islands near Macao, and the right to build a railroad from Macao to Canton as a guid pro quo for her acceptance of the new tariff. This incident, says the representative of the Times, in conclusion, illustrates the difficulty underlying this whole question.

China Should Promote Commerce. SHANGHAI, Aug. II.-Liu Kun Yi, Chang Chin Tung and Yuan Shai Kai,

oys respectively of Nankin, Hankow and Governor of Pechili, in separate con-ferences with T. S. Sharretts, Tariff Commissioner for the United States, have con-curred in making two significant and un-equivocal declarations. The first is that equivocal declarations. The tirst is that the critical time has arrived when China must make a supreme effort for the pro-motion of commerce and friendly inter-course with America; the second declara-tion is that as an evidence of her good faith in this intention and her apprecia-tion of the granter policy of the United tion of the generous policy of the United States toward her, China will make an unlented exhibit at the St. Louis Exposition.

UNITED STATES OF EUROPE. Political Union for Economic Protec-

tion, Says Strasburg Professor.

BERLIN, Aug. 17.-Baron August Sartorius von Waltershausen, professor of political economy at Strasburg, and one of the leading German authors on American subjects, will contribute a striking article to the forthcoming number of Zeitschrift fur Social Weissebschaft, on the United States of Central Europe.

The writer will argue that the Central European states will sooner or later be compelled to erect a common tariff barrier against the aims of the United States to economic ascendency or against those of Great Britain, with greatly moderated tariffs and perhaps free trade between Baron von Waltershauser themeelves. believed that eventually a complete political union between Germany, Austria, Switzerland, Belgium and Holland is probable, and this union will give these countries an impregnable economic posi-The baron will argue also that great states like the United States and Russin possess recuperative powers superior to those of the isolated and small countries of Western Europe. In support of this statement he instances the fact that the United States issued loans at 7 per cent at the end of the Civil War and refunded those loans at 2 per cent in 1892.

BERLIN BOURSE IRREGULAR.

Moros Show Bitter Opposition to the Americans

MANILA, Aug. 17.-The Moro situation in Mindanao is considered critical, and it is believed that American troops will soon move against Bacalod, where the recent murder of two men of the seventh Infantry was plotted. A small party of Moros surprised an outpost of the Twenty-seventh at Camp Vickars, Mindanao, August 12, killing two and wounding one American. They were from Bacaiod, which has a strong fort and other defenses. Bitter oppositio to the Americans exist at Bacalod, and Captain Penshing, of the Fifteenth Cavalcommanding the American forces at ry, commanding the American forces a Lake Lano, recommended the reduction

of the fort. General Chaffee, who left Manila on a final tour of inspection, reached Sam-boanga, Island of Mindanao, last Friday. In a conference with the local command-er, General Chaffee argued that unless the American forces moved decisively against the hostiles they would loss the support of the friendly Moros.

MUTINY OF FILIPINO CREW.

Rose Up Against Spanish Officers

Constabulary to Rescue. MANHLA, Aug. 17.-The native crew of the Inter-Insular Steamer Mis Hermanos mutinied at Port Virac, Island of Catanduanes, last Thursday. They mitrdered the chief engineer of the vessel and wounded the captain, the mate, the secwonneed the capital, the index index, all of whom are Spaniards. Members of the native constabiliary went to the rescue of the ship's officers. They fired into the crew and killed three of them. Twenty-five of the crew surrendered and five jumped overboard and are believed to have been drowned. During the fighting on the Mis Hermanos, the steamer ran aground, but was subsequently floated.

Manila Cholera Report.

MANILA, Aug. 17. - Cholera reports show few cases of the disease here, but a large number in some provinces. total number of cases reported to date is 23,636, with 17,556 deaths. Estimating the cases that have not been reported to the authorities, the total number is believed to have reached 30,000.

Remarkable Cure of Dysentery
