SALEM, Sept. 19 .- (Special.)-As a re- Judicious second, Count Em Out third; sult of the rain last night the track at the State Fair was not as fast today as it has been for the other races of the week, but excellent results were attained. The opening race was the 2:40 trot, with four starters. Belladi and Lord Kitchener were distanced in the first heat. which was' taken by Harry Marvin, with Sweeden in second place. In the second heat the leading horses changed position, but Marvin took the next two heats. In the third heat Sweeden's sulky broke at the three-quarter pole, but she continued in the race, and when in front of the grandstand the sulky collapsed entirely. Threlkeld was uninjured and held the horse.

The 2:18 consolation pace for non-win-1:47% ners of the greater Salem stake was a two-in-three event, but required four heats to determine the winner. Leroux drove Francisco over the course in 2:17% for the first heat, Harry Hurst, Daniel J., Ollie M., Adimont and Orville passing under the wire in the order given. In the second heat Daniel J. won the first eligible to run on all of the association's tracks place in 2:20, Hurst holding second, while Francisco dropped to third place. The third heat was a fine exhibition between Adimont and Daniel J., the former taking the heat in 2:18%. In this heat the other four starters were distanced. The final heat was a spirited one between the two remaining horses. Addimont passed beneath the wire first, but was disqualified for interfering with Daniel J. on the home stretch, The judges gave Daniel J. the race.

Dr. Sherman took the five-eighth of a mile dash, with Adnor and The Maniac in second and third places. The halfmile dash was covered by Meteora in 0:48%. 51m Brownell was crowded by Cora Goetz for second place.

The most exciting race of the day was the conclucing event, the three-quarters of a mile dash. There were six starters, and some time was lost in scoring. Miss Remsen, the favorite, got away well, and gained a good lead. As the three-quarter pole was approached Poretto urged Doreeh forward, and Miss Remsen's lead was reduced. The race between the pair wes a magnificent one. After passing the three-quarter pole. Doreen expended his best efforts and gained the lead by half a length and kept the position until within a few yards of the wire, when the Favorite, ridden by Donovan, made a re-

Score: markable spurt and fairly leaped into the lend and finished first by a head. The race was generally pronounced one of the finest exhibitions of racing of the week. Following is a summary of today's Thees:

#### BROWN GETS A WATCH. Cantain of Pendleton Team is Re

warded for Good Work.

The baseball fans of Pendleton today made Robert P. Brown, captain of the Pendleton ball team, a present of a handsome gold watch as a token of their ap-preciation for the efficient services which he rendered during the season just closed. The watch was nicely engraved: "Pre-sented to R. P. Brown by Baseball Fans, Pendleton, Oregon, 1902." Brown was "up in the air," the first time this season, but managed to express his sincere thanks for

in the case-that of whether the chancel lor had power by jurisdiction to restrain the commission of a criminal act. The opinion of the court is brief. It reads: "The majority of the court who heard the application to dissolve the injunction of Judge Field are of the opinion that the contest which has been enjoined is a prisefight, and that it is not material whether the victor in the contest is to

receive more of the reward offered than the vanquished. "The court is divided equally on the question whether the chancellor has pre-ventive power to restrain the holding of such a contest, Chief Justice Guffey and Judges, White and Burnam holding the negative, and Judges Durell, Hobson and

Orear holding the affirmative. The mo-tion to dissolve is therefore denied." The decision is, so lawyers say, so far-

reaching that it will prevent all boxing contests in Kentucky in the future. Robert C. Gray, manager of the Southern Club, tonight declared the contest off, so far as his club was concerned. Mr. Gray announced that the \$30,000 worth of

tickets which have been sold for the bout will be redeemed at any bank. The South-ern Athletic Club is out about \$5000, in-cluding the forfeit of \$2500 put up to in-

sure the bringing off of the contest. At midnight it was announced that the fight was off absolutely and unconditionally. An attempt was made to have the two men appear in a six-round bout at one of the theaters, but this was objected to by McGovern's manager, and, after a conference of several hours' duration be5

Some Believe Fight Will Come Off.

FRANKFORT, Ky., Sept. 19.-Although the Frankfort decision is conceded to be a knockout blow for boxing contests in Kentucky, there is some belief in Louiswille that the fight will be held Monday night. Today's injunction was against the Southern Athletic Club, and Mr. Gray and the latter announced tonight that his club had severed all connection with the

event and submitted to the court's decree This, of course, leaves the field open for some other promoter to take up the contest, as neither puglilist was enjoined by today's decision, nor was a ban placed upon boxing contests in Louisville.

Lounced and twisted along across the grass between pitcher and third, Some-body grabbed it, and it flew after Weed, the present. While a great deal of credit is due to but the first baseman for the Tacoma bunch wasn't high enough for it, and it the energetic work of Manager Cohen in looking after the business interests of the Baseball Association, the fact that the lo-

went by him on the hike. Muller went home for the first tally of the day, and cal team played winning ball was due greatly to the able manner in which Can-Weed and Van Buren stopped at second and third respectively. Anderson hit the prettiest hit of the day, and the two men tain Brown handled the nine on the field. He succeeded in getting and holding toon bases hastened home, making three that inning. There was a good chance for gether a lot of young fellows who, in ad-dition to being able to play ball, could a few more, but Stevall went out at first conduct themselves as gentlemen. All the and Sammy knocked a liner near third that looked as though it was going to be members of the ball team have left town, with the exception of Captain Brown. Several are playing with the Northwest a hit which McCartny handled with such League teams. It is a fact that all the uick action that he got Anderson out at men who played on the local team were third. Sammy got to second, but he went at a moment later, when Murdock nocked a grounder to third. at some time during the season offered sitions in the larger, towns of the Northwest.

Nobody got past first in the second, but in the third the fun began again for Port-land, but not for Tacoma, Van Buren Ralph Hays has gone East to attend college. During the time he was with the Pendleton team he pitched 16 games and and Weed both went out, and Andrews smilled just to show the Portland specta-tors how easy their team was. The smile lost but one, which is a splendid record or a 20-year-old boy. Salisbury and Schills are now with the was short-lived, however, for Andy hit, and while Johnson was throwing Stovall Butte team, while Adams is playing with Portland.

four balls he stole second. With these two men on bases Sammy hit his hardest and started around the circuit on the run, his legs keeping time to the cheers of the crowd. The ball came in to Johnson and

he made a bad throw to Andrews at third to catch Anderson, who was nearly there. The Tacoma manager couldn't get his raits on it securely, and it went by him, while Andy went home for score No. 4. Andrews rushed after the elusive sphere, it before Stovail could leave for and got

home. He was red-eyed at the way the pitcher had thrown the ball, and he yelled something to him, and then threw the ball that had caused all the trouble right at him, point blank, Mr. Johnson stepped aside. and the ball went on to the right bleachers, where it became blocked and Stovall and Sammy walked home, making the score 6 to 0. Andrews started pitcher with wrath in his eye, and told him to get out of the box as fast as

he could, Johnson walked to the bench and Harmon was ordered in in his place. He didn't show up for much, for the first man, Murdock, went to first on balls, and the second, Delsel, hit. Witheck hit a grounder and it was fielded so quickly that Murdock went out at third. Andrews went for the unfortunate pitcher on the seach and told him to make tracks for the hotel, and his words were bitter with frost.

Johnson didn't like it a bit, and didn't hesitate to say so, but the manager's order prevailed, and Johnson started to hike out. He picked up his batease, and 'You have been this way all velled: Summer, and I'm not going to stand for it." Andrews waved his hand with a sarcastic gesture, and Johnson climbed the sall, and started for the nearest car line. Taconal made her only run in the fourth,

to put up. He was a little previous, however, for Weed made a single, and Andy hit by a pitched ball. Stovall knocked a grounder to first, but that gentleman dropped it, when Fortland's tall first basemin got close, and Stovall was safe. Harmon went wild, and gave Sam ny first on balls, forcing in Weed for taily No. 7. These bases were full, and Mur-No. 7. dock went in for a hit, but he couldn't make it. He struck out, and the chances

ended for the inning, and Ed Lyons was so disgusted that he picked up his cushion and went off home.

MANY YEARS ALONE

For 15 years old Dr. Kessler was the only specialist in this city for diseases of men, and hundreds of men are healthy today who were cured by him of Prostatic Inflammation or some private disease. He could point to thousands he has cured, but he has always made it a rule to never use a patient's name. He wouldn't tell your own father that he was doctoring you. His word is good and he guarantees to cure any case he takes. He cured a case of private disease last month that had been treated by five doctors. He wants just such cases that other doctors can't cure.

## SAD SUFFERING WOMEN

The Ladies' Department is luxurious, and there is no need of you suffering any longer from your complicated diseases. Dr. Kessler will see you himself if you call for him. He is a very busy man, but any lady who desires to consult him in person can see him. Quite a number are sent by country doctors. All such are provided with a comfortable, homelike place while they are being treated. Always write a few days before coming so he can arrange for you.
