The one score of the game was made by Drennan on his three-base drive, and Hurley's out. Despite the condition of the ground, the play was remarkably fast. Campbell got in his daily stunt of throwing a runner out at first on a clean hit to right, and Joe McCarthy kept Seattle from scoring in the first by making a one-handed stop of a hard-hit ball over second base. Tacoma had three men on bases, with one out, in the fifth, but good work by Dairymple and

EXPECT A WINNING TEAM.

WASHINGTON WILL BE COACHED BY KNIGHT, A PRINCETON GRADUATE. UNIVERSITY OF WASHINGTON, Seattle, Oct. 7.—(Special).—The present outlook for the Washington team of the University of Washington will turn out one of the strongest football teams in the Northwest during the coming season. The Washingtonians are happy over the prospects of a good team. They are confident that the defeats of the last two years will not be repeated.

All the varsity players of last year will return, with the exceptions of Huntington, Cosgrove and Duffy. This leaves but three places to be filled from the many substitutes who will be back to uphold the "purple and gold." Washington loses a strong man in her former captain, Huntington, who held the position of left halfback for three consecutive years. During that time he established the reputation of being one of the leading halfbacks on the Coast. Dunlap and Sidel, however, are both ready to win their laurels at Huntington's old position. J. C. Knight, a graduate of Princeton University, will coach the team. Mr. Knight played end on the Princeton "Varsity" in 1886. In 1886 he held an end position on the Chicago Athletic Club team. Last season he was with the famous Michigan eleven under Yost. He has assisted Stevenson, of Ann Arbor, and Lea and Edwards, of Princeton, at Ann Arbor; and Fitch, of Cornell, at the Agricultural College at Lansing, Mich. He has studied thoroughly the style of play of Lea, Edwards and Yost.

Coach Knight has also won a reputation in aquatics as well as in football. He trained for three years under James Rice, the trainer of the Detroit Boat Club, from 1885 to 1890. During those years he rowed
