Republicans 110, Democrats 26.

SOME YET IN DOUBT

Jones, Cushman and Humphrey 12,000.

KING HAS GREAT MAJORITY

Many Ankeny Men Successful on the East Side—Two Democratic Senators from the West Side.

SEATTLE, Nov. 5.—The State of Washington has gone Republican, so far as returns now in show, by at least 12,000 majority for Supreme Court Justice and Congressmen.

King County alone contributes between 4000 and 5000 to these majorities. The Legislature on joint ballot will stand at least 110 Republicans to an opposition of 26. The Republican majority is more likely to be increased than lowered by the late returns, which are coming in slowly from more distant precincts.

The next Senate will be constituted as follows: Republicans, 32; Democrats, 8. Two districts are still in doubt. The House: Republicans, 38; Democrats, 3; seven districts still uncounted.

The west side of Washington presents almost a solid Republican delegation, of those yesterday elected. Two new Democratic Senators go in from the west side. These are: W. H. Moore, of Seattle, and John Earles of Whatcom. The west side count is practically completed, but a number of east side precincts are not yet fully reported, and later returns may change present results.

ON THE EAST SIDE.

Two Senatorial Districts Are Yet in Doubt.

SPOKANE, Wash., Nov. 5.—With Okanogan County to hear from the Republicans have elected each of the mountains in Washington three State Senators and 22 Representatives. The Democrats have elected three Senators and 11 Representatives.

These figures may be changed a couple of votes by later returns, but those to hand are nearly complete. There are four doubtful districts yet to hear from. The Senator in Stevens County and one Senator in Whitman County want to learn their fate on official votes. One Representative each in Lincoln and Whitman Counties is doubtful. The Republicans will probably have 12 more Legislators, therefore, on the east side of the mountains than the Democrats.

Spokane County, except four precincts, for Congress gives Cushman 474, Jones 424, Humphrey 432, Cole 326, Cotterill 312, and Holcomb 317.

The county Republican ticket, except Treasurer, is elected.

Advices from Whitman County indicate the election of Republican State Senators in the Eighth and Ninth Districts by small majorities, with Wilson as Assessor and McKenzie and White, Dems., in the lead for Representative.

Adams County elects G. W. Bassett, Rep., an Ankeny man.

Benjamin County elects P. Tenesee, Rep., whose Senatorial affiliations are yet to be shown.

Chelan County elects M. E. Field, Rep., claimed by both Benton and Okanogan.

Columbia County elects Conrad Noblock, Rep., an Ankeny man.

Douglas County elects A. M. Haynes, Rep., who has not yet expressed himself on the Senator.

G. J. Hurley, of Republic, Joint Senator from Okanogan, Ferry and Douglas Counties, Rep., is for Levi Ankeny.

Franklin County elects M. Muz, Dem. Garfield County elects W. H. Howell, Dem., to the House.

Kittitas County elects R. B. Wilson, Rep., and J. D. Dixon, Rep., to the House. Wilson is probably for Preston.

Klickitat re-elects George H. Baker, Republican National Committeeman, to the State Senate, and a Republican House member, both votes from Klickitat being for Ankeny.

Lincoln County elects John E. Howard, Rep., to the House. The other district is in doubt. Howard will probably be for Preston.

Spokane County elects seven Democrats and five Republicans to the Legislature. Two State Senators—Huber Rasher and John G. Graves—are Democrats. Five Democratic House members are: A. J. Riese, John Gray, Dana Child, P. F. Quinn and J. J. Fitzgerald. The Republicans' House members are as follows: J. H. Lindsey and Walter Henry, who are for Wilson, and S. A. Wells, E. C. Whitney and Walter A. Stark, who are anti-Wilson and probably for Ankeny.

The Senatorship in Stevens County is in doubt, but the Democrats probably elect Martin J. Maloney and Jerry Cooney to the House.

Ferry County elects James T. Johnson, Dem., to the House.

Walla Walla County elects A. F. Kees, E. M. Denton and J. B. Wilson to the House. All are for Ankeny.

returns have been received from Astor and Clark only. In the former precinct, Hadley, Rep., for Supreme Judge, had 91 votes to 47 for Reavis, Dem. For Congress, Jones received 103 votes, Cushman 117, Humphrey 109, as opposed to Cotterill, 48; Holcomb, 41; Cole, 47; Peaslee, Rep., for Legislature has 102 votes, as against 53 for Ramsey, Dem. In Clark County, Reavis had 90 votes, Reavis 17, the county vote was cast for Congressmen. For Legislature, Peaslee, Rep., has 45 votes, and Ramsey, Dem., 47. The county is conceded to 129, Republicans by 150 to 200 majority. Woodruff, Democratic nominee for County Clerk, will be elected by 200 majority.

CLARK COUNTY.

VANCOUVER, Wash., Nov. 5.—Complete returns received here from 22 out of 24 precincts in Clark County give the Republicans a large increased majority over 1500. Chairman Bowler, of the Republican County Central Committee, says full returns will give the Republican Congressional candidates—Jones, Cushman and Humphrey—a solid majority. The county ticket is elected by majorities ranging from 350 to 700, and without the loss of a man.

COLUMBIA COUNTY.

DAYTON, Wash., Nov. 5.—(Special.)—Congressional majorities for Jones, Rep., 201; Cushman, Rep., 186; Humphrey, Rep., 180. On vote for Judge of Supreme Court, Hadley, Rep., 200; Knoblock, Representative, Rep., 8; Republicans elect the rest of the ticket by good majorities, except Iraad, Dem. Clerk, who has a majority of 129. Chairman Bowler, of the Republican County Central Committee, says full returns will give the Republican Congressional candidates—Jones, Cushman and Humphrey—a solid majority. The county ticket is elected by majorities ranging from 350 to 700, and without the loss of a man.

FERRY COUNTY.

REPUBLIC, Wash., Nov. 5.—(Special.)—Election passed off quietly in Ferry County, but a full vote was polled, and is estimated at 550. Returns from 10 precincts out of 19 in the county give the Republican Congressional ticket 342; Democratic, 34; Cole, 80. George J. Hurley, Rep., for Joint Senator for Ferry, Okanogan and Douglas has a majority of 98 in the 10 precincts heard from at this hour. James J. Johnson, Dem., has a large majority for Representative. The entire Democratic county ticket is elected, except W. C. Brown, Rep., for Prosecuting Attorney, and G. W. Spencer, Rep., for County Clerk. Taking a conservative estimate on the present as a basis the remaining precincts will not change the result. Hurley for Joint Senator will probably have over a majority over Dr. Cooper in Ferry County.

FRANKLIN COUNTY.

PASCO, Nov. 5.—(Special.)—In Franklin County the Republicans elect the Sheriff, Auditor, Assessor, and the Democrats the Treasurer, School Superintendent and Representative. Sheriff Peck, Rep., has 89; Auditor, Dem., 80; Assessor, McClucken, Rep., 50; Treasurer, O'Brien, Dem., 30; Representative, Dem., 10. Above are probable results. Returns are half in on Congressmen and Justice, Republicans probably have a majority of 48.

PASCO, Nov. 5.—(Special.)—C. T. Hudson, Rep., is defeated for the Legislature, and M. C. Jones, Rep., for Representative. The Democrats also elect the Treasurer and Superintendent.

GARFIELD COUNTY.

POMEROY, Wash., Nov. 5.—Five precincts out of eight in Garfield County gave Republican majorities for Congress of 147; Legislature, 23. The race between the Legislative candidates is close, with Grant in favor of the Democrats. The Republicans elect Adams for County Treasurer, and two County Commissioners. The remainder of the ticket is probably Democratic, except School Superintendent, Assessor and Surveyor.

KITTITAS COUNTY.

ELENSBURG, Wash., Nov. 5.—(Special.)—The vote of Kittitas County on Congressmen, with two precincts missing out of 18, is: Cushman 104, Jones 103, Humphrey 105, Cotterill 77, Holcomb 68.

Representatives—Wilson, Rep., 109; Dickson, Rep., 102; Flynn, Dem., 96; McKel, Dem., 87. The election of Flynn has been conceded all day, but it now appears that Dickson is elected by from 6 to 12 votes over the Democrats. The Democrats elected the Auditor, Treasurer, Sheriff and Attorney. The Republicans elected the balance.

LEWIS COUNTY.

CHEHALIS, Wash., Nov. 5.—(Special.)—Forty Lewis County precincts give complete returns as follows: Cushman, 170; Jones, 150; Humphrey, 154; Cotterill, 103; Holcomb, 95; Cole, 102. Schooley is re-elected County Auditor, and Langhorne Attorney, both Democrats. The rest of the returns in Pacific county give Republican majorities in 14 of the 18 precincts. The 12 remaining precincts will not materially change the county result, but will increase the Republican majority on the State ticket, which majority is the largest in the history of Lewis County.

MASON COUNTY.

SHELTON, Nov. 5.—(Special.)—The vote in Mason County gives the Republican Congressional ticket a plurality of 140. There was a small amount of scratching. The principal fight in importance was on the Representative to the Legislature, there being but one member to elect. G. B. Anderson, Rep., is re-elected to the House by 51 over G. W. Dem. The vote on County Auditor is an exact tie. The Democrats elect the Assessor, School Superintendent and Justice. The Republicans elect the rest of the ticket.

PACIFIC COUNTY.

ILWACO, Wash., Nov. 5.—(Special.)—Complete returns from Ilwaco precinct are: Congressmen, Cushman, Rep., 120; Jones, Rep., 120; Humphrey, Rep., 117; Cole, Dem., 14; Cotterill, Dem., 14; Holcomb, Dem., 14. The vote on Supreme Court, Hadley, Rep., 112; Reavis, Dem., 12. Senator, Nineteenth District, John S. Welsh, Rep., 101. The county ticket has a Republican majority in Ilwaco precinct in every case.

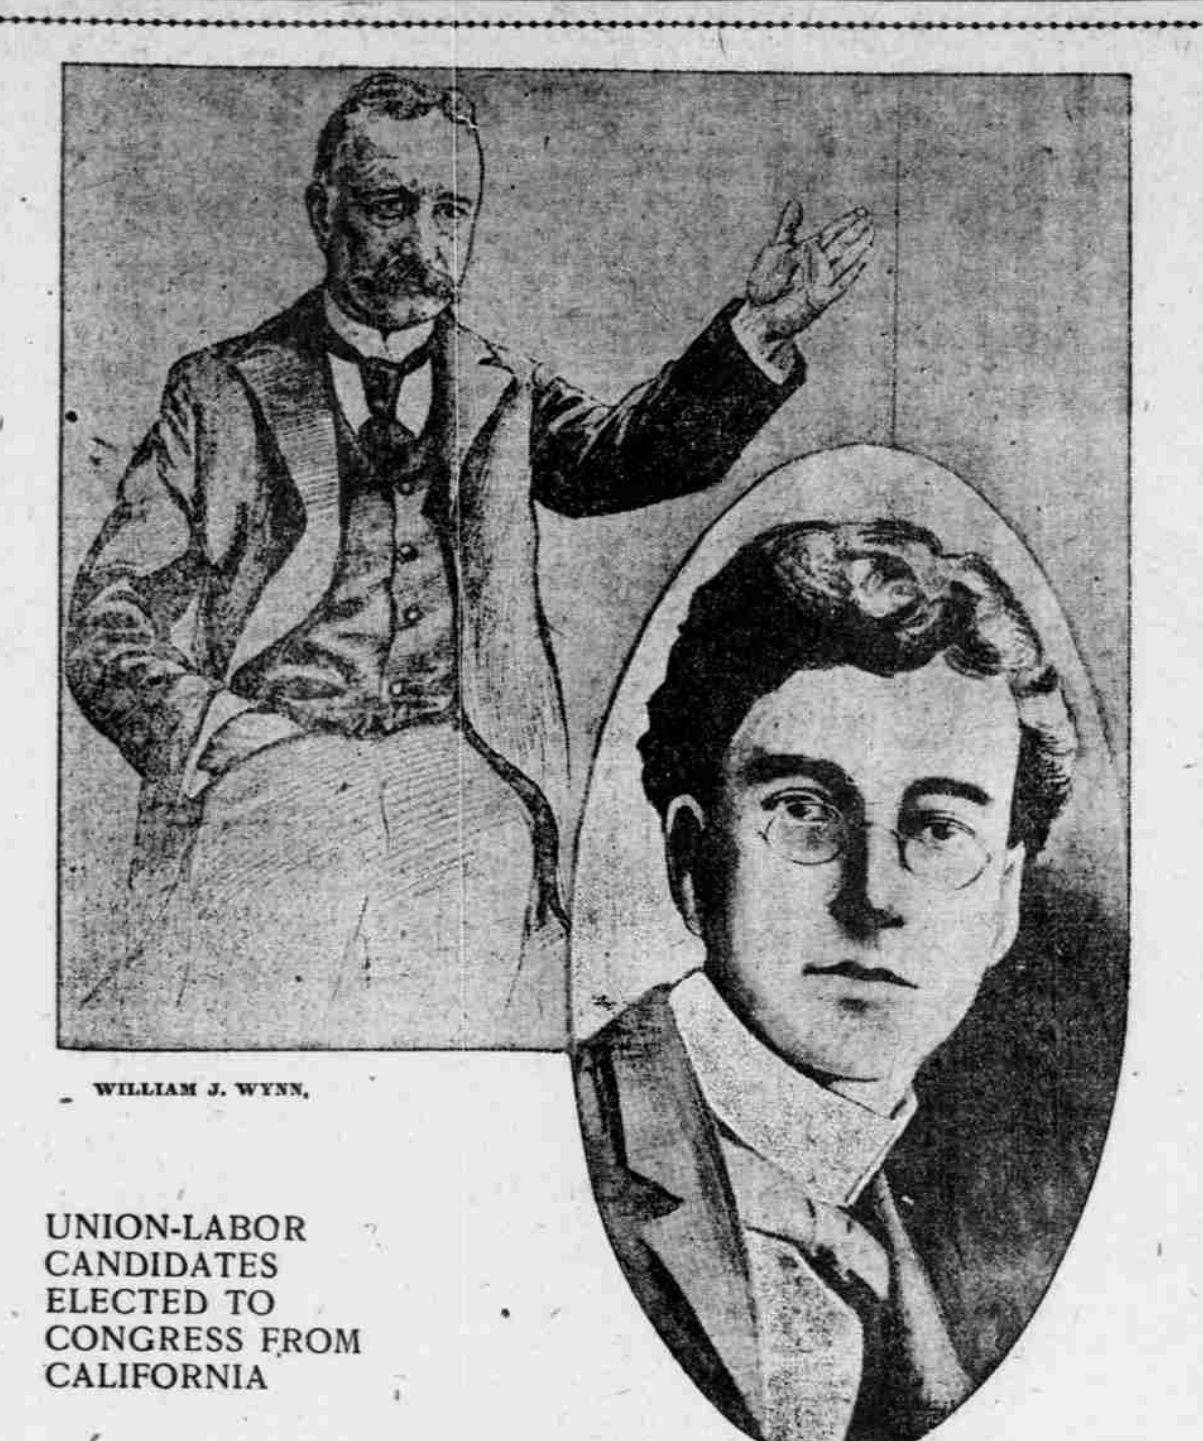

SOUTH BEND, Wash., Nov. 5.—Nine precincts in Pacific county give Republican Congressmen 209 and Democratic Congressional 203. Republican county ticket is elected except school Superintendent.

PIERCE COUNTY.

TACOMA, Nov. 5.—Total vote on Congressmen in this city: Cushman, Rep., 205; Jones, Rep., 200; Humphrey, Rep., 205; Cotterill, Dem., 86; Holcomb, Dem., 105; Cole, Dem., 150. The entire Republican county and Legislative ticket is elected by majorities ranging from 500 upwards.

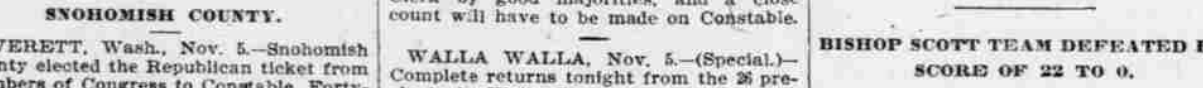

SPOKANE COUNTY.

SPOKANE, Nov. 5.—(Special.)—The whole Republican ticket is elected in Chelan County, with the exception of County Attorney. The Congressional and Judicial ticket will win out by 100 majority. For Representative by from 50 to 50 majority. The election of Field is conceded by the chairman of the Democratic central committee, as well as the defeat of Wilson, Rep., by both Adams, Dem., for Representative by from 50 to 50 majority. The election of Field is conceded by 11 precincts give Congressmen Cushman, Rep., 62; Jones, 44; Humphrey, 43; Cotterill, Dem., 25; Holcomb, 20; Cole, 22; Justice Heyler, Rep., Reavis, Dem., 20; Representative Field, Rep., 44; Adams, Dem., 30. The county Republican

ticket is elected straight, with the exception of County Attorney and the Sheriff, which is in doubt.

SNOWHOMSH COUNTY.

EVERETT, Wash., Nov. 5.—Snowhomsh County elected the Republican ticket from members of Congress to Constable. Forty-three out of 64 precincts heard from give: Jones, 370; Cotterill, 158; Cushman, Rep., 318; Holcomb, Dem., 159; Humphrey, Dem., 321; Cole, Dem., 158. For Supreme Judge, Hadley, Rep., 318; Reavis, Dem., 154. In the 48th Legislative District, Johnson, Rep., has 1533; Craigie, Rep., 170; Smith, Dem., 90; Moore, Dem., 84. In the 49th Legislative District, Ferguson, Rep., has 1283; Morgan, Rep., 1371; Waterhouse, Dem., 67; Hissell, Dem., 68. In the 20th Senatorial District, Smith, Rep., has 1382; Anderson, Dem., 67. The Republican majority on the head of the ticket is 1622; on the county ticket, from 250 to 200.

THURSTON COUNTY.

OLYMPIA, Nov. 5.—(Special.)—Complete returns from 29 of the 32 precincts in Thurston County give the Republican Congressional ticket 117, and the Democratic ticket 64. The five precincts yet to hear from will give the Republican Congressional ticket a plurality of about 90, thus making the Republican plurality in the entire county about 675. The precincts heard from give the following vote on Representatives: King, Rep., 107; George W. Hopp, Rep., 108; C. O. Young, Dem., 87; J. C. Conine, Dem., 86. The returns from county districts that have come in today increase the Republican plurality on the entire county ticket, and over estimates of last night. Every candidate on the Republican ticket is elected. It is probable that complete returns will not be obtainable until the official count is made, as in the five missing precincts the vote was not down and the official returns have been sealed.

The scratching of tickets was very general by both Republicans and Democrats. Chairman T. N. Henry, of the Republican County Central Committee, ascribes the chief cause of the Republican scratching to the cry of "ring rule" that was raised in the campaign. The Democratic scratching was due, he says, to the action of the Democratic County Central Committee in arising a practical endorsement to the independent candidacy of Thomas Lemay, for County Commissioner, by refusing to name a candidate for that office. The pluralities on county officers were never before so far from uniformity. They will range from 100 to 800.

WAHKIAKUM COUNTY.

CATHLAMET, Nov. 5.—(Special.)—Complete returns from over half the county give John T. Welch, Rep., joint Senator. Nineteenth district, a majority of 120. Megler, Rep., Representative Twenty-fourth district, has run behind his ticket 35 votes so far, but as the precincts to hear from are strongly Republican, he yet has a chance to win. The entire Republican county ticket has a large majority, excepting for Auditor and Commissioners from the First district. Both these offices will be won by the Democrats, who are largely in the lead. The Republican state ticket has a majority so far of 150 out of a total vote of 500.

CATHLAMET, Nov. 5.—(Special.)—Returns from Wahkiakum County show that the Republican ticket was successful in those precincts with the exception of Megler for Representative, Fabian for Auditor and Canaris for Commissioner from the First district. Megler has a chance of election for these three precincts give Harrington a majority only 36, and there are four more precincts to hear from. They have about 150 votes and usually give Republican majorities.

WALLA WALLA COUNTY.

WALLA WALLA, Wash., Nov. 5.—(Special.)—Unofficial returns for Walla Walla County on Congressmen show today the following result: Jones, Rep., 172; Cushman, Rep., 181; Humphrey, Rep., 170; Cotterill, Dem., 102; Holcomb, Dem., 95; Cole, Dem., 87; Jones plurality, 70; Cushman plurality, 82; Humphrey plurality, 73. No account is taken of the vote on the Socialist ticket.

Unofficial returns from all precincts give for the Legislative ticket the following: Wilson, Rep., for Representative, 717 votes, while his opponent, McInro, Dem. (for railroad commission), received 679; Wilson's plurality, 38. The result from the Thirtieth District on the Legislative ticket is: Kees, Rep., (against commission), 86; Denton, Rep., (against commission), 84; Dunphy, Dem. (for commission), 76; Robinson, Dem. (for commission), 73. Kees plurality, 15; Denton's plurality, 86.

The vote as received for Judge of Supreme Court is: Hadley, Rep., 1590; Reavis, Dem., 894; Hadley's plurality, 696. The Democrats elect County Auditor and Clerk by good majorities, and a close count will have to be made on Constable.

YAKIMA COUNTY.

NORTH YAKIMA, Wash., Nov. 5.—(Special.)—Returns from all but three small precincts are in, and these will probably not arrive until tomorrow. The Republican ticket is elected, except Englehart for Senator, and Dilley for Sheriff. The majorities on the county ticket range from 50 to 800. Hon. W. L. Jones' majority in Yakima County will exceed that of any other candidate, and will be nearly 1000. Grant, Democratic candidate for Sheriff, has a majority of over 500. Englehart is defeated by not to exceed 20 votes. Possibly the returns from the distant precincts and the official count may elect him.

THE NEW STATE SENATE.

Washington's Upper Body is Largely Republican.

The next State Senate of Washington, where the railroad commission bill will meet its fate, will be made up of the following:

WHY WILSON WAS DOWNE.

Admits Because Legislative Candidates Were Pledged for Him.

SPOKANE, Wash., Nov. 5.—(Special.)—The chief interest yesterday in the election of County Auditor was the defeat of John L. Wilson, as shown by the defeat of nearly all of the Legislative candidates who he depended upon to help make him United States Senator. He tacitly admitted that his candidates were defeated because they were pledged to vote for him. He made no effort to give any other explanation for their disaster.

He was asked: "Do you attribute the defeat of a majority of your Legislative ticket to anything except the pledges laid upon your candidates to support you in your Senatorial fight?"

Mr. Wilson hesitated some time. At last he said: "I don't think I will answer that." That ended the interview.

land had carried the ball to the center of the field. It was lost on a fumble. Swope played a pretty trick of punting to himself, advancing 10 yards, and after he tried several end plays, he punted to Fenton's 35-yard line, getting possession of the ball again by Portland's foul. A field goal was tried, but it failed, and the ball went back to Portland again. The team failed to advance, and Fenton punted 40 yards. Bishop Scott tried twice to advance, then Portland took the pigskin on a fumble. After five downs, Fenton went over the line on a 15-yard run for a touchdown, easily kicking the goal. Score, 22 to 0.

OREGON'S PROSPERITY

INDICATED BY THE RECORD SHOWN BELOW.

Fifty-four in Three Days—Who Got Them and What They Were—Don't Fail to Investigate the Eilers Piano House Co-operative Plan.

Times are indeed prosperous in Oregon. And while times are good in almost every section of the United States, there is probably no section where the good times are enjoying a greater share of the good times than in this great state of ours.

It is a fact that the Eilers Piano House has considered a luxury, and although at this day no well-appointed household is without one, a piano is a necessity. Eilers has considered the safest indication of Oregon's prosperity, as it is also a positive proof of this state's ability to furnish for its people the very best instruments at prices and on terms of payments not obtained elsewhere.

Last Saturday twenty-three sales were recorded on the books of the company, as follows: Mrs. J. Smith, a Kimball organ in oak case; C. W. Dyer, a fancy Bush & Gerts mottled Walnut upright piano; Mrs. B. Zumwalt, of Oregon City, a fine dark mahogany-cased Chickering; Dr. W. G. Valente, a fancy mahogany new Hobart M. Cable; A. I. Forch, a mottled walnut Victor; W. H. Palmer, an oak case Whittier; W. W. Hopkins, a Cornish organ; Sisters of Visitation, Lewiston, Idaho, a fancy Chickering upright piano; Mrs. P. Callahan, a fancy Kimball organ; Fred G. Wilson, of Union, a fancy new-scale Kimball piano; Mrs. R. Anderson, of Reuben, a fancy walnut-cased Neuhalm; Mrs. E. M. Robinson, a fancy new-style Reo; Mrs. Grant Daugherty, of Oregon City, a fine Needham, nearly like Mr. Anderson's; Mr. J. Richardson, one of the many-toned Crown Orchestral pianos; Mrs. J. H. Lewis, a fine Kimball organ; C. S. Hayes, Pacific Queen organ; J. F. Johnson, Pacific Queen organ; Eilers Piano House, a fine Kimball organ; A. F. Sheets, the new-style, medium-sized Hime upright piano; S. A. Drayton, a fine upright piano; Alexander Houx, a fine Pacific Queen organ; Mr. R. M. Needham, a Pacific Queen organ.

Monday the following sales were reported: G. S. Smith, a fancy sample Brinkerhoff piano; Mrs. C. Lewis, a Jacob Doll, large upright mahogany piano; James M. Johns, a fine new Wescor Orchestral; Mrs. E. Moore, a fine new H. M. Cable Kimball piano; Mrs. Herman Berg, a fine, new-scale Kimball piano; Mrs. J. H. Lewis, a large cabinet grand Wescor; Mrs. J. H. Lewis, a large cabinet grand Wescor; Similar instruments to Mrs. L. Schmuck and Mr. Arthur Brown; A fine sample upright piano was sold to Mr. R. G. McLeod.

A fine Kimball upright was secured by Mrs. Gertie Howes; Mrs. M. A. Cornelius also purchased a fancy Kimball upright; Mrs. J. H. Lewis, a fine Kimball organ; Tuesday's sales were as follows: University Park, one of the finest mottled mahogany Wobser uprights; Mrs. J. H. Lewis, a Durand organ; Mrs. J. H. Lewis, a fancy Wescor Orchestral upright piano; Mrs. J. H. Lewis, an elegant fine Orchestral grand Wescor upright; Mrs. E. Christian, an elegant new baby upright piano; Mrs. P. B. Doak, of Wagner, an upright piano; Mrs. J. H. Lewis, a fine sample F. G. Leitch piano in mottled mahogany case. Up to noon on Wednesday the returns were as follows: A fine Draper mottled walnut upright to Mrs. J. H. Demsey; A beautiful sample upright mahogany case to Mr. P. A. Frinseth; A fine mottled mahogany Brinkerhoff to Mrs. H. Finn; A beautiful, large ornamental grand sample Steger upright in a fancy English case to Mr. E. Lewton, Mount Union; Mrs. P. McCarty, the well-known transfer man of Vancouver, Wash., a fine sample upright mahogany-cased case to Mr. E. Lewton; A Crown in fancy quarter-sawn oak case to Mr. E. Lewton, Mount Union; A fine Kimball chandel organ in solid walnut case to the Odd Fellows Lodge, No. 62, Felts, Wash., selected by Mr. Circle.

There is bound to be an advance in piano prices, owing to the fact that railroad companies have increased the freight rates very materially, and on account of the greatly increased manufacturing cost through higher wages of experienced piano workmen.
