REACTION IN THE STOCKS

HEAVY OFFERINGS CARRY PRICES TO A LOWER LEVEL.

Dardanelles Situation Reflected in Selling of International Stocks for London Account.

NEW YORK, Jan. 7.—The stock market today had a reaction, which had been looked for many days by the professional element.

The reaction was in foreign securities caused by the Dardanelles protest of Great Britain which was reflected in international stocks at the opening.

There were wide movements in some of the less active stocks, including gains of 7 1/2 and 10 per cent.
