## Black Is Offered Attorney-Generalship.

## MOODY GOES MARCH 4

## Friends of New Yorker Do Not Believe He Will Accept.

## HE WANTS TO BE SENATOR

## To Enter the Official Family of Roosevelt, ex-Governor Would Have to Sacrifice a Law Practice Worth \$100,000 Year.

NEW YORK, Nov. 17.—The World tomorrow will say:

Ex-Governor Frank S. Black has been tendered the offer of the Attorney-Generalship in President Roosevelt's Cabinet for the term beginning March 4, 1905. While President Roosevelt has not formally invited Mr. Black to become a member of his official family, the tender of the Attorney-Generalship has been made in a way that carries with it the assurance of the President that he would like to have New York's ex-Governor in his Cabinet of younger men which Roosevelt is understood to want as his associates during the new Administration.

It is the view of ex-Governor Black's friends both in New York and Albany that he will not accept the Attorney-Generalship, because it would mean sacrificing a law practice which, it is said, nets him \$100,000 a year, and which his friends say he could retain if he should be elected to the United States Senate. For this reason, the ex-Governor's friends assert, he would prefer to take the Senatorship.

The understanding of those New York Republicans who know of President Roosevelt's plan to prevent a fight over Chauncey M. Depew's seat in the Senate is that W. H. Moody accepted the Attorney-Generalship only on condition that his term should terminate on March 4 next. It is believed that President Roosevelt may invite Mr. Moody to remain in the Cabinet after that date in some other capacity. But this is a point which is interesting New York politicians very little. Their main concern is whether Mr. Black will accept the Attorney-Generalship.

## ATTORNEY MUST GIVE IT UP.

## He Cannot Hold Warrant Due State to Make Sure of Fee.

WASHINGTON, Nov. 17.—The Attorney-General today rendered an opinion in which he holds that a treasury warrant issued in favor of the State of Massachusetts, and now held by a local attorney here under power of attorney on the plea that his fee has not been paid, must be turned over to the state, and that should the attorney refuse to do so, the warrant will be canceled and a new warrant issued to the state.

About a year and a half ago Congress appropriated about \$100,000 to reimburse the State of Massachusetts for expenses incurred in fitting out troops during the Civil War, including interest and premium on gold paid by the state. Previously the state authorities had entered into a contract with a Washington lawyer to act as state agent in looking after the claim, and agreed to allow him 10 per cent of the amount received. The attorney holds the warrant and refuses to turn it over to the state until his fee of \$100,000 is paid. The state contends that the fee is greatly excessive and makes other allegations tending to show that the attorney is not entitled to the fee claimed.

The Attorney-General holds that the warrant belongs to the state and that the attorney has recourse to the courts to establish his rights in the matter.

## CANAL COMMISSIONER RESIGNS

## Hecker Finds the Climate Unfavorable to His Health.

WASHINGTON, Nov. 17.—Frank J. Hecker has resigned as a member of the Panama Canal Commission.

In his letter of resignation sent to President Roosevelt, Mr. Hecker said the climate of the canal zone is unfavorable to his health, and he felt constrained to resign. The President accepted the resignation, and in reply to Mr. Hecker's letter paid the retiring Commissioner a tribute, and expressed regret that his health would not permit him to serve any longer. Mr. Hecker is from Michigan.

President Roosevelt has not considered yet the subject of a successor to Colonel Hecker on the commission. There has been some speculation regarding the successor of Colonel Hecker and several names have been suggested, among them Senator Cockrell, of Missouri, and Judge Charles E. Magoon, who is now attorney for the Canal Commission.

## FICKLE ARMY OFFICER LET OFF

## Woman He Jilted Abhors Publicity, and Case is Dropped.

WASHINGTON, Nov. 17.—Secretary Taft today disposed of the case of Lieutenant-Colonel William L. Pitcher, Twenty-eighth Infantry, by directing the chief of staff to write a letter to the officer, a copy of which will be placed on record and will also be on file as a part of the record of Colonel Pitcher. This officer was accused of becoming engaged to Miss Harold, of this city, and a few days before the date set for the wedding unceremoniously breaking the engagement. In disposing of the case, the letter states that lack of evidence and a desire on the part of the friends of the young lady, as well as the publicity it would bring to other persons, has determined the department shall cease proceedings. The letter criticizes Colonel Pitcher, and in closing contains a severe reprimand for the language he used in communications to the department.

## TARIFF REVISION GOES OVER

## Roosevelt Will Not Discuss It in His Message.

WASHINGTON, Nov. 17.—Secretary of War Taft had a conference with the President today regarding some features of Mr. Roosevelt's forthcoming message to Congress. It is probable that at the Cabinet meeting tomorrow the President will

be able to present a pretty careful draft of the document. It can be said authoritatively that he will not discuss the subject of tariff revision in his message. The consensus of opinion as expressed to the President was that if the tariff is to be revised the work should be taken up early, but that no decision has been reached and none will be until the President has had opportunity thoroughly to discuss the subject with members of Congress generally.

## President Refuses to Retire Him.

WASHINGTON, Nov. 17.—The President has disapproved the recommendation of the Army Retiring Board for the retirement of Major Aaron Appel, of the Medical Department, on account of disability incident to the service. Major Appel is now under treatment at the General Hospital at San Francisco. The President's refusal was based on alleged irregularities in the proceedings of the examining board. This case has been pending before the War Department for a long time. The President has approved the findings in the case of Second Lieutenant John McC. Pruyn, Fourteenth Infantry, who was tried and convicted on several counts of conduct unbecoming an officer and sentenced to dismissal. The President has commuted the sentence to reduction of 100 furloughs and forfeiture of \$60 per month of his pay for six months.

## RUN DOWN AT HORSE SHOW

Prominent New York Man is Quite Badly Injured.

NEW YORK, Nov. 17.—Spectators were thrown into intense excitement tonight at the horse show in Madison Square Garden, when John G. Heckacher, secretary of the National Horse Show Association of America, was run down and trampled upon by a pair of horses on exhibition in the ring. Mr. Heckacher had started to

cross the ring. He was passing in front of a team driven by Mrs. Edward B. Le-dew, of Glen Cove, L. I., when one of the horses lunged forward and struck him. In an instant he was down, and his head and shoulders were struck several times by the horses' hoofs. When help reached him he was almost unconscious, his face was cut in several places, and he was bleeding profusely. Mr. Heckacher was at once removed to his home, where the fear was expressed that he may have concussion of the brain or a possible fracture of the skull. Mr. Heckacher is the father-in-law of Mayor McClellan, and is a member of many prominent organizations.
