ESTIMATED PLURALITIES IN MULTNOMAH COUNTY.

United States Senator, Jonathan Bourne, Jr. (Rep.), 1813.
Governor, George E. Chamberlain (Dem.), 330.
Supreme Judge, Robert Eakin, 6151.
Representative in Congress, Second District, W. H. Ellis (Rep.), 7974.
Circuit Judge, Fourth District, Alfred F. Sears, Jr. (Rep.), 7309; C. U. Cantor, (Rep.), 5750.
Sheriff—
Against equal suffrage amendment, 4170.
Against new local-option law, 1710.

Tom M. Word is the victor in one of the closest political fights ever waged for Sheriff in Multnomah County. With the returns practically complete, Word leads Stevens by 117 votes. The contest aroused the keenest interest, and political headquarters, the Sheriff's office, and the County Clerk's office were thronged all day yesterday by eager watchers, who watched the tide of battle ebb and flow. Stevens carried the West Side by the decisive majority. Word was the victor on the East Side and in the country precincts.

Next to the contest for Sheriff that Governor absorbed most of the attention at the political headquarters. As forecasted in The Oregonian yesterday morning Chamberlain has carried Multnomah County by 330 votes, Jonathan Bourne, Jr., has a plurality of 1813 votes.

Multnomah contributed largely to the defeat of the woman's suffrage amendment, the majority against giving women the right to cast ballots being 4172. The new local option law was defeated by the decisive majority of 1710.

The Republican state, legislative, judicial and county tickets carried the county by large pluralities.

One of the most interesting contests was that which was held in the Sellwood, in which a bitter contest prevailed. In the precinct the total registered voters was 367; the total vote cast 300, there being about 200 voters sworn in at the polls by means of affidavits. In this precinct the total vote was 300, there being about 200 voters sworn in at the polls by means of affidavits.

OREGON'S DEMOCRATIC GOVERNOR WHO IS RE-ELECTED

trict, has defeated Charles V. Galloway by about 3500. W. R. Ellis, Republican, in the Second District, has a lead over James H. Graham, Democrat, that will approach 15,000.

Wittes C. Dunway, Republican, for State Printer; Frank W. Benson, Republican, for Secretary of State, and Robert Eakin, Republican, for Supreme Judge, have defeated their respective opponents by unprecedented pluralities.

Woman suffrage was beaten by about 10,000 and the proposed local option amendment was lost by about the same vote. The Legislature is overwhelmingly Republican.

The success of Governor Chamberlain was achieved through his carrying a number of counties that went against him in 1902, and through his having equalled or exceeded his vote of that year in the other counties. He carried a large majority of counties and in Multnomah has a plurality of about 330. His largest lead is in Baker—about 700.

The counties carried by Dr. Withycombe were 14 in number, as follows: Benton, Columbia, Coos, Curry, Douglas, Jackson, Josephine, Lake, Lincoln, Sherman, Tillamook, Wallowa, Wasco, Washington.

Mr. Bourne's plurality, for United States Senator (long term) has been somewhat reduced from early estimates, which seemed to indicate a margin of about 5000. His unexpected loss in Marion County to Mr. Geurin, the Democratic candidate, by about 700, the Geurin plurality in Baker County of about the same figure and the heavy adverse vote of Linn, with some minor changes, lopped off about 2500, leaving the Republican candidate for United States Senator with a safe lead of 2500 over his Democratic opponent. The returns are not complete.
