that in a few localities there is now some restlessness on the tariff question American people are like every other peo ple—they grow restless under prosperity and well-nigh desperate under adversity. Mr. Shaw briefly discussed the term

Address to Czar Opposes Expropriation of Land and Dilates on Inviolability of Property While the Revolution Simmers.

ST. It characterizes the present as the most dangerous moment for Russia in a thousand years of her history, not on account of her foreign foes, but owing to the internal enemies, "who are seeking to seize the supreme power by blinding the people with false promises and deluding the peasants with dreams of free land."

The address assures the Emperor that the nobility are persuaded that the real Russian people have implicit confidence in the maintenance of "the supreme autocratic" power as essential to the regeneration and development of the country. Expropriation, it declares, would destroy the inviolability of property, which is the foundation of the state, and is in the interest of a purely Socialistic regime. The milliards of bonds involved in the scheme, it is asserted, would mean in the scheme, it is asserted, would mean a state of national bankruptcy.

FACTS IN NATURE.

Nature, But Health as Well.

For people who are run-down and nervous, who suffer from indigestion or dyspepsia, headache, billousness, or torpid liver, coated tongue with bitter taste in the morning and poor appetite, it becomes necessary to turn to some tonic or strengthener which will assist Nature and help them to get on their feet and put the body into its proper condition. It is becoming more and more apparent that Nature's most valuable health giving agents are to be found in forest plants and roots.

Nature's most valuable health giving agents are to be found in forest plants and roots.

Nearly forty years ago, Dr. R. V. Pierce, now consulting physician to the Invalida's Hotel and Surgical Institute, at Buffalo, N. Y., discovered that by scientifically extracting and combining certain medicinal principles from native roots, taken from our American forests, he could produce a medicine which was marvelously efficient in curing cases of blood disorder and liver and stomach trouble as well as many other chronic, or lingering aliments. This concentrated extract of Nature's vitality he named "Golden Medical Discovery." It purifies the blood by putting the stomach and liver into healthy condition, thereby helping the digestion and assimilation of food which feeds the blood. Thereby it cures weak stomach, indigestion, torpid liver, or billousness, and kindred derangements.

If you have coated tongue, with bitter or bad taste in the morning, frequent headaches, feel weak, easily fired, stitches or pain in side, back gives out easily and aches, belching of gas, constipation, or irregular bowels, feel flashes of heat alternating with chilly sensations or kindred symptoms, they point to derangement of your stomach, liver and kidney, which the "Golden Medical Discovery" will correct more speedily and permanently than any other known agent. Contains no alcohol or habit-forming drugs. All its ingredients printed in plain English on wrapper.

NEURALGIA AND ANÆMIA ARE CURED BY PINK PILLS.

Showing the Power of this Wonderful Prescription Over the Blood And Nerves.

For nearly a generation the people of this country have known Dr. Williams' Pink Pills, during which time proof of thousands of cures by this remedy has been published and confirmed and not one person has been harmed in the slightest degree by their use. The pills contain no opiate, narcotic or stimulant, nor any drug which could injure the most delicate constitution.

Two cases in one family is a creditable showing as to the efficacy of Dr. Williams' Pink Pills in disorders of the blood and nerves and the following cases may easily be investigated by the incredulous:

"For over a year," says Miss Charlotte Van Salisbury, of Castleton, NY., "I suffered from neuralgia and palpitation of the heart. My skin was pale and sallow and I was troubled with dizziness, fainting spells and fits of indigestion. I was very nervous and would start at the slightest sound. At times a great weakness would come over me and on one occasion my limbs gave way under me and I fell to the sidewalk.

"Of course I was treated by our local physicians and also consulted a noted doctor at Albany, but nothing they gave me seemed to benefit me. One day I read in a newspaper about Dr. Williams' Pink Pills for Pale People and I immediately gave them a trial. I soon felt much better and my color had begun to return. I continued using the pills and by the time I had taken eight boxes I was entirely cured.

"My sister, Sarah Van Salisbury, suffered terribly from anemia. She was pale and thin and we feared that she would become a victim of consumption. She tried Dr. Williams' Pink Pills for Pale People and in a short time she began to gain in strength and weight. She is now strong and well and we both heartily recommend Dr. Williams' Pink Pills to all who are in ill health."

Dr. Williams' Pink Pills are sold by all druggists or sent, postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50, by the Dr. Williams Medicine Co., Schenectady, N. Y. Descriptive pamphlets free on request.
