HEARST OWNER OF WATER MONOPOLY

Shaw Pierces Weak Point in Independent Candidate's Armor.

WHAT HE SAW AROUND LEAD

Rich Mine Lying Idle Because Hearst's Homestake Company Owns All Water-Bents Standard Oil Monopoly.

BUFFALO, N. Y., Oct. 24.—Secretary of the Treasury Shaw delivered a speech to a large audience at the Auditorium here tonight, devoting much time to Mr. Hearst's campaign talk. Referring to a visit to Lead, S. D., a year ago, where is located the Homestake mine, discovered by Mr. Hearst's father he said. father, he said:

father, he said:

"I learned much concerning the methods. I saw the ore brought to the crushers and was told that 130 feet below the surface a railway system was in operation, 200 feet below another, and so on down for each 100 feet for a quarter of a mile. The next day I had the pleasure of riding from Spearfish through Lead to Deadwood on the pilot of an ongine, crossing the divide, the gorges and the cuts, making 30 miles in 10 minutes. It was an inspiring ride.

ing ride
"I was told one of the cuts through which we passed exhibited ore on either side yielding \$10 per ton, three times as rich in gold as the average ore of the Homestake mine. When I ore of the Homestake mine. When I expressed my astonishment that it was not heing operated, I was fold that the Homestake people had a monopoly of the water available in the district, I have never heard anyone complain that have never heard anyone companion that the Hearst mine controls all the water available at Lead, S. D., but when I consider the certainty of immunity from public criticism and public prose-cution. I would prefer to own the water available for mining purposes in the vicinity of Lead, S. D., than to own a controlling interest in the Standard

The latter concern will sooner or The inter concern will sound in later go to pieces, as a result of un-natural proportions or from continued prosecution, but the mines at Lead will yield millions in profits per annum to the end of time."

MEARST MEN MAKE PREDICTION

Woodruff Holds Tongue Till After Votes Are Counted.

NEW YORK, Oct. 24.—The first meething of the newly-appointed Democratic executive committee was held at the Victoria Hotel, the Democratic state head-quarters, today, W. R. Hearst and William Richter also were present.

At the conclusion of the session Arthur A. McLean, treasurer of the state committee and an executive results.

A. Molean, treasurer of the state com-mittee and an ex-officio member of the executive committee, said that the com-mittee met for the purpose of organizing and had done so and had received the re-ports from various districts of the state. These showed, he said, that the Hearst strength up-state was more than had

heen expected.

C. F. Murphy, the Tammany leader, to-day prophesied a majority of 74,000 for Hearst in Greater New York.

During the day Timonthy L. Weodruff, chairman of the Republican executive committee, and W. Barnes, of Albany, talked with the chairmen of the Republican party throughout the state. The various chairmen reported the conditions in their home counties. Asked what the reports were, Mr. Woodruff said:

"I don't care to discuss them."

"Will you say anything about the polit-

Will you say anything about the polit

"Will you say anything about the political situation generally throughout the state." Mr. Woodruff was asked.
"Yes." he replied. "I think about 9 clock on the night of November 6 I shall say semething."

There was a special meeting of the executive committee of the Independence League today at the Glisey House to take action on the alleged mutilation of the petitions of the league while in the pessession of the Board of Election, as contended by the league. After the meetsession of the Board of Election, as con-tended by the league. After the meet-ing the announcement was made that Mr. Hearst offered a reward of \$5000 for the arrest and conviction of the culpsit. Charles E. Hughes continued his cam-paign today, working along the southern tier of counties and closing the day with

night speech before a representative eeting at Cortland.

Hearst came to town today and addressed a noon meeting of the Commer-cial Travelers' League. Tonight Mr. Hearst addressed several large gather-ings arranged by the Independence League and the Democrats in the inter-est of his candidacy for Governor.

TEXANS AGAINST OWNERSHIP.

Cheer Culberson's Speech on Bryan's Paternalism to Echo.

DALLAS Tex. Oct. 24-At a banquet the members of the Legislature, Senator Culberson made the first pronounced ut-terance heard in this state against government ownership since Mr. Bryan prososed the scheme two months ago.

posed the econome two months ago. The cheering throughout his remarks was general, amounting to a demonstration.

Declaring at the outset that the success of the Democratic party depends upon its adherence to its fundamental principles. and especially opposition to paternalism and centralization, he sain that, great as have been the offenses of the Republican party, any single proposition in its his-tory is as maught compared with the policy of government ownership and opera-tion of all railroads. Mr. Culberson de-clated this principle was first announced tion of all railrouns. Sir. Culberson de-clared this principle was first announced in the platform of the Popullat party, and declared that the measure involved the most advanced and aggravated form of paternalism ever offered under a free gov-

Fnirbanks Speaks in Arkansas.

FORT SMITH, Ark., Oct. 24.-Concluding a busy day of campaigning in Arkansas, Vice-President Fairbanks spoke here tohight to a large audience at the opera-house. At the conclusion of his speech he held an informal reception and received the personal greetings of a large number of personal friends. Mr. Fairbanks goes from here to Topeka.

GALE ON GREAT LAKES.

Two Schooners Wrecked and Wind Rag-

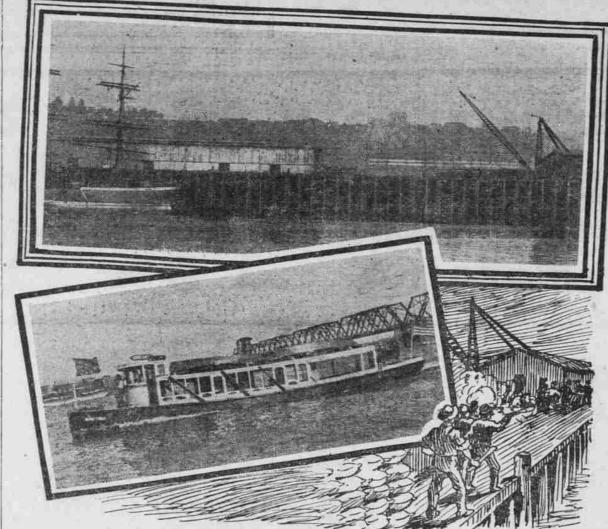

ing Wildly.

DETROIT. Mich., Oct 24—Another gale is blowing on the Great Lakes tonight, a maximum wind velocity of 45 miles an hour being reported at Mackinac. Small craft are suffering great hardshipe.

Two schoolers have been wrecked—the T. M. Mason, at Two Rivers, Wis., and the Englance and the large Bastern cities will find the Englance and the instance and state that they do not fear Farley or any other man. According to the way the longshoremen view the situation, any strikebreaker who attempts the tacties used in the large Bastern cities will find the Englance and the first news of to these, brought by coast ports, are that special policemen," said the Chief. "Our handle any general strike. If there should be serious trouble along the waterfront, we would need at least 56 officers there, lists, near Alpena. The crews of both vessels are safe.

The longshoremen view the situation, any strikebreaker who attempts the tacties used in the large Bastern cities will find himself up against a hard problem in this section of the country. The reason given is that he will be forced to depend

Government Receives First News of Result of Anti-Japanese Agitation-Injury to Trade May

Be Immense.

WASHINGTON, Oct. 24 .- With the exception of a brief communication from Ambassador Wright containing certain clippings from Japanese' news papers, showing the feeling of resent-ment which the Japanese people are exhibiting over the anti-Japanese sen-timent in California, the State Department has nothing to indicate that this feeling exists. Fear is expressed, however, that persistent agitation may result in an anti-American boycott in Japan that will dwarf in magnitude the injury inflicted on American trade in the Orient by the boycott in China.

MILLIONS FOR MAIL SERVICE.

Estimates for Postal Department Show Large Increase.

WASHINGTON, Oct. 24.-Postmaster General Cortelyou has submitted to the Secretary of the Treasury for transmis-sion to Congress estimates for the Post-office Department and the postal service for the coming fiscal year. The amount asked for salaries in the Postoffice Department is \$1,528,350, being a net increase of \$12,520 over the appropriation for the current year, while the amount asked for the maintenance of the postal service is \$206,003,190, a net increase over the present appropriation of \$15,000,000. The estimates last year were about \$12,000,000 above the appropriations for the year before.

year before.

The apparently large increase in expenditures contemplated by the present estimates, according to the Department, represents but a normal advance over the expenditure of last year, made necessary

to meet the constantly growing need of the service and the public demand for improved facilities. The principal items for which increased appropriations are submitted are as fol-

Compensations of Postmasters. Compensations of Postmasters, in-crease \$1,500,000; compensation to clerks in first and second class postoffices, in-crease \$3,000,000; pay of letter carriers, in-crease \$1,156,700; pneumatic tube service \$4,500,000; pay of railway mail clerks, in-crease \$538,900; foreign mail service, in-crease \$538,000; rural delivery, increase \$1,475,000

An item of \$300,000 for freight and ex-An item of some for registrate to pressage on supplies is incorporated to meet the requirements of the law passed at the last session of Congress, which, it is said, will result in a saving of considerable money to the Government.

WHO WILL SUCCEED MEYER!

Gossip Says Griscom, and That Barrett Will Go to Rio.

WASHINGTON, Oct. 24.-The fact that George von L.
