New Issue

THE PACIFIC TELEPHONE AND TELEGRAPH COMPANY

First Mortgage and Collateral Trust 5 per cent Sinking Fund 30-Year Gold Bonds, Dated January 2, 1907. Interest January 2 and July 2. Due January 2, 1937.

These bonds cover the entire property of the company, operating the exten-sive Bell telephone system in California, Oregon and Washington, with branches into adjacent states. They are a first mortgage on the entire plant and real estate in San Francisco, a first lien through stock ownership on the system in Oregon and Eastern Washington, and a refunding lien on the "Sun-set" property in California and Western Washington. The value of the prop-erty covered amounts to three times the bonds outstanding (including the

present issue), and net earnings to three times these interest charges. A large portion of the proceeds of these bonds will be used in improving the systems in Portland, Seattle, Tacoma and Spokane.

We offer \$3,000,000 of the above bonds for public subscription at 1021/2 and accrued interest. Subscriptions will be received up to and including January 21, 1907. The purchase price will be payable upon the delivery of temporary -bonds, which will be exchangeable for permanent engraved bonds when is-sued. The privilege is reserved of rejecting any or all subscriptions and of allotting a smaller amount than subscribed for.

Descriptive Circular on application to, and subscriptions will be received by Messrs. Ladd & Tilton and The United States National Bank
