ALL AGREE THAT DAVIS DID RIGHT

Admiral's Conduct With Swettenham Approved by His Superiors.

PRESIDENT'S WARM PRAISE

Receives Admiral's Report on Kingston Affair and Commends Action. Evans' Commendation Approved by Roosevelt and Metcalf.

WASHINGTON, Feb. 1.-In unequivocal terms President Roosevelt today approved Admiral Davis' entire action in connection with his visit to Kingston, Jamaica, and requested the Secretary of the Navy to express to Admiral Davis his heartlest commendation of all that he did. The long-expected report of Admiral Davis of the incommendation of the connection of th long-expected report of Admiral Davis of the circumstances leading up to the with-drawal of the fleet from Kingston reached the Navy Department today and was at once laid before the President. Inasmuch once laid before the President. Inasmuch as the President already has announced that the diplomatic phase is a closed incident, the report itself will not be made public. However, Secretary Metcalf gave out the letter of Admiral Evans, commander-in-chief of the Atlantic fleet, warmly commending Admiral Davis for his conduct of a situation "which was, to say the least, somewhat embarrassing." The correspondence is supplemented by a strong letter of commendation of Admiral Davis by the President and Mr. Admiral Davis by the President and Mr. Metcalf.
The letter from Admiral Evans, dated
January 21, says:

Evans Commends Action.

Respectfully forwarded, approved, to the Secretary of the Navy through the Bureau of Navigaties. The report and its appendices, made by officers who were on the spot and therefore best able to judge, appear to set made by officers who were on the spot and therefore best able to judge, appear to set forth the whole situation very clearly. The commander-in-chief foels he cannot too highly commend Rear-Admiral Davis for the very dignified and masterly manner in which he conducted a situation which was to say the least, somewhat embarrassing, and he deems it particularly fortunate that there was at hand an officer such as he to deal with the problem.

The commander-in-chief heartly approved the rommendatory remarks relating to the

the commendatory remarks relating to the officers and men of the ships who accompanied Admirai Davis, but they did no more than is expected of officers and men in the Navy and no more than would have been done by officers and men of the other ships of the fleet and indeed, the ships sent were not chosen above those of the fleet. but for the reason that they were nearly ready for steaming, when the news of the disaster was received.

President Heartily Commends. The President wrote to Mr. Metcalf as

follows:

I have read carefully the report of Admiral Davis, submitted by you, together with the report of Admiral Evans, commenceding the actions of Admiral Davis at Kingston, I return them herewith and desire that you express to Admiral Davis my heartlest commendation of all that he did at Kingston, I approve his entire action. He upheld the best traditions of our Navy in thus rendering distinguished service to hus rendering distinguished service to

Metcalf Chimes In.

In order that no one should go away hungry pegmission was given to "repeat," meaning return to the table a second time. One man at four meals before he was willing to confess to a "full" feeling. The Salvation Army workers are most resourceful. At one of the orphanages there were once 30 infants in excess of the accommodations of the place. The collections from passing the tambourine were scant and there was no money to buy cradles. Nevertheless that night the tiny tots were tucked snugly s "Keep the pot boiling." Last year night the tiny tots were tucked snugly into warm beds improvised from 30 empty

vation Army workers until some time surance after the idea of slum work had been license.

put into effect. The manner of giving the organization the name it now hears was quite unusual. A handbill advertising a certain service had been printed which styled the workers at Rugby the "Hallelujah Army." In preparing a new circular for another meeting, one of the secretaries changed the name from the "Hallelujah Army" to the "Volunteer Army." General Booth, the leader of the work, looked over the secretary's shoulder, thought for a moment, then took a pen and crossed out the word "Volunteer," substituting "Salvation." And it has been known as such all over the world ever known as such all over the world ever

Presbyterian Mission Work.

A prominent worker in the Presbyterian Board of Foreign Missions states that it has established 27 mission fields on four continents and has distributed 1.700,000 pages of literature printed in 25 lan-guages, has collected 63,000 children of foreign countries into Sunday schools and has 40,000 pupils in 1000 colleges and other institutions of learning. This man told of one church in Korea where the membership increased in one year from 6000 to 12,000. The communicants of that particular convergention have voluntered particular congregation have volunteered 8000 days' work to further the cause of Christianity among their own country-

The cost of making converts to the dif-ferent religious in this country varies greatly. It is said the Mormons pay most for new adherents to their faith. for new adherents to their faith, and that the Salvation Army spends less per indi-vidual than any other sect in securing its converts. The evangelists declare that the distribution of so much cheap litera-ture nowadays makes it difficult for churches to get as good results from their printed matter as they did in former

First Churches in America.

When the religions of Europe first came in contact with American shores is a question that histody has not definitely decided. It is said that as early as the eleventh century a divine in Iceland had been consecrated as "Bishop of Iceland, Greenland and Vinland," and was the recipient of special favors at the hands of the Pope because he had visited the shores of Vinland and claimed it for the Catholic Church. Some of the oldest churches established under the patronage of the English crown are still standing in this country. In many instances the in this country. In many instances the royal arms are displayed on the walls and the altar holds the communion silver adorned with stilted inscriptions expressing His Majesty's good will to his faithful subjects. Notable among these is King's Chapel in Boston, now a Uni-

The first Sunday school of the Methodist Church in America was organized by Bishop Asbury at the home of Thomas Crenshaw, of Hanover County, Virginia, in 1786. The first bell used in a Methodist service in this country was one that hung in the church on the Maryland estate of Henry Dorsey Gough near his mansion Parry Hall. This was in the latter par of the eighteenth century. The Epworth League derived its name from the Ep-worth rectory in England, where John Wesley was born and reared. In politics the Congregationalists claim the famous "Ordinance of 1787" as their own. Its gregational minister. It prohibited slav-ery in the Northwest Territory-now Ohlo, Indiana, Illinois, Michigan and Ohle. Indiana, Illinois, Michigan and Wisconsin, and abolished the law of primogeniture, which made the eldest son the only heir to his father's estate.

Few Mohammedans in America.

A notable fact about religious conditions in the United States is the scarcity of Mohammedans. Although the follow-ers of this religion number hundreds of millions, there is just a mere sprinkling of them in this country. There are only three Ottoman subjects in Chicago, The largest Mohammedan colony we have is in Worcester. Mass., where several hundred Turks and Koords are employed as factory workers. There are several reasons why Mohammedans do not come here in numbers. The principal one is that before leaving his own country any subject of the Sultan must give bond that he will not change his religion while away. Mohammedans find living in a foreign country disagreeable because the The department has carefully considered kind of food required by their religion is not always obtainable, and they are likely to defile themselves. There has never en a permanent mosque in the United

TWO RECORDS OF BREVITY

Senate Takes Away Position Give It to Smith of Michigan, Because He Has Long Term.

ing one fixing the salaries of city mail-carriers, making the first year's salary OREGONIAN NEWS BUREAU, Washngton, Feb. 1.-Senator Mulkey, of Oregon, who was sworn in Wednesday last to serve until March 4, the shortest term on record, was presented today with an-other record for brevity. He was ap-pointed chairman of the committee on examination and disposition of documents and allowed to hold the chuirmanship just 15 minutes before he was deposed. Hale presented the resolution making the appointment and the Senate agreed to it without discussion. A quarter of an hour later, Hale asked to have the vote by which the resolution was adopted reconsidered. This was done. Hale then withdrew the resolution, also without explanation, and Mulkey was thereby divested of his chairmanship.

On inputry it was developed that the

On inquiry it was developed that the chairmanship had been promised to Sena-tor-elect William Alden Smith, who may also be appointed to fill the unexpired term of the late Senator Alger.

Wanted Plum for Smith.

The chairmanship of the committee on examination and disposition of docu-ments was secured for Mulkey through the courtesy of Spooner, this being the only Senate chairmanship now vacant. While the committee is not important, it would have provided a clerk and messenger, who could have held office until next December. But Kean of New Jersey interposed objection to giving this chair-manship to Mulkey, for in that event Smith would be left without a chairman-ship and, in view of Mulkey's brief term, the Senate finally decided to give the chairmanship to Smith. Mulkey will be allowed \$150 a month for a clerk, but this salary will be out off March4. salary will be cut off March 4.

If Gearin Had Been Republican,

Had Gearln been chairman of the com mittee, Mulkey would naturally have succeeded him, but, being a minority Senator. Gearin had no chairmanship and no patronage other than his clerk. The the Congregationalists claim the famous 'Ordinance of 1787' as their own. Its passing was said to be due chiefly to the efforts of one Manasseh Cutter, a Congregational minister. It prohibited slavbership on several committees, but no chairmanship. He will be the only Senator whose name will not appear in the Congressional Directory. The last edition for this session was printed before his elec-

ADDS TO CASCADE RESERVE

Hitchcock's Withdrawal Covers Valuable Southwest Timber Land

OREGONIAN NEWS BUREAU, Washington, Feb. 1.—The recent withdrawal of 597,740 acres of land in Linn, Lane, Jackson, Douglas and Klamath Counties was made on recommendation of the Forest Service with a view to making material additions to the Cascade reserve on the west and south. The bulk of the land withdrawn is vacant and covered with timber, being very similar to the adjoining land heretofore reserved.

The withdrawal does not affect any land within its limits which on January with was covered by a leafful filling or see the state of the form further consideration and have the resolution considered by the House, providing the Speaker will recognize him for that purpose.

GOOD SURPLUS IN JANUARY

Receipts Exceed Expenses Nearly \$7,500,000-Surplus for Year.

WASHINGTON, Feb. 1.—The monthly comparative statement of Government receipts and expenditures shows that for January the total receipts were \$55,237,496 and the expenditures \$47,827,241, leaving a surplus for the month of \$7,410,258, and a surplus for the seven months of the fiscal year of \$32,461,167.

The receipts from customs amounted to \$29,186,654, an increase of \$2,000,000; internal revenue, \$20,075,085, an increase of \$100,000; miscellaneous, \$5,975,680, an inrease of \$1.825,000.

The expenditures so far for the fiscal year on account of the Panama Canal approximate \$11,000,000.

Favors Philippine Bank Bill.

WASHINGTON, Feb. 1.—After con-sideration of the Philippine agricultural bank bill for several weeks, the House committee on insular affairs decided to-day to favorably report the measure. The Democrats opposed the bill. It is provided that the Philippine government may insure to an incorporated banking company an income of 4 per cent per year on the average amount of its capital actually invested in agricultural loans. The corporation is authorized to charge interest not exceeding 10 per cent. actually invested in agricultural loans. The corporation is authorized to charge interest, not exceeding 10 per cent, on loans. As an alternative the Philippine government is authorized to advantage of embezzlement of \$5000 from the trust company and was sentenced to five years in the penitefliary. Judge while he agreed with the Circuit that, government is authorized to advance capital and start the bank in case private

Raise Cost of Lake-Gulf Waterway. WASHINGTON, Feb. 1.-If the Caluits course from Lake Michigan to form drainage canal to the Mississippi, a planned by the sanitary board of Chicago, the international waterways commission insists that the cost of the project shall be increased by \$5,000,000. Three local engineers estimated that the sum of \$12,000,000 would cover the cost of the work, but the international board including in its membership some of the ablest Army engineers in the country, regarded that project as crude and importantly.

As an offset for this \$6,000,000 in expend- eration in about two weeks.

iture, the board shows that, instead of having to spend the whole appropriation at once, as would practically be necessary to carry out the local engineers project under the board's plans, the total of \$17,000,000 would be expended in the course of a considerable number of years. world to ANY and all persons.

WEAKNESS, DEBILITY: The greatest curse to man. Symptoms: Loss of memory, dimness of sight, lost vigor, pains in back, impaired memory, innbility to control the will-power, lost vitality, all of which may terminate in an untimely death, premature old age and sometimes insanity. Consult us about your condition and get yourself back once more to your normal manhood.

more to your normal manhood.

We FULFIL OUR PROMISES and NEVER accept a case unless we know we can cure it. We study the peculiar nature of every individual case and TREAT the CAUSES, not symptoms. WE TEACH OUR PATIENTS HOW TO HELP GET WELL—what to eat and drink during the course of treatment, and what to avoid. As to terms: Our large practice enables us to CURE for LESS MONEY than the AVERAGE SO-CALLED SPECIALISTS—and you see the results before you are required to pay us. HONEST, CONSCIENTIOUS WORK SPEAKS for itself. PRETENDERS, JEALOUS OF OUR SUCCESS, try to belittle us because OUR FEE IS SMALL, but INTELLIGENT MEN are not influenced by their arguments. We ask ANY MAN suffering from any disease we treat to CALL AND SEE US. Many cases SUPPOSEDLY INCURABLE are often the result of POOR TREATMENT, and when methods such as WE EMPLOY are directed TOWARD THE CAUSE and with care and proper attention to your case, YOU CAN be cured.
