The Pentathion track meet to b The Pentatolon track meet to be held at the Y. M. C. A. gymnasium tonight is for members only, and will be held under the auspices of the Y. M. C. A. athietic club. This club was formed about a month ago, and its purpose is to build up an athietic spirit among the members of the association.

About 25 men have signified intention to enter the meet and the num-ber may be increased tonight. Gold silver and bronse medals will be given successful competitors. In the Pentathion meet points are given on a man's individual showing, regardless of the record made by other contestants, and a man must be a good all-round athlete to stand any show of winning a medal. Five events, the mile run, the pole vault, 100-yard dash, high jump and shot put, are on the list. For making certain records in these events a man is given certain points and to be able to score in all five events a man must be quick and strong and possess a great deal of

The Pentathion meet is a revival of the old Grecian track meet, and takes in the principal sports used in ancient times. This meet will be the first of its kind in Portland for a number of years, and a great deal of interest is centered on it, both by the Y. M. C. A. boys and by members of other ataletic organizations.

TEN TEAM AMATEUR LEAGUE

Five Clubs Come in at the Prelimi-

nary Meeting.

A preliminary meeting for the organiza-tion of an amateur baseball league was held last night at Multnomah Club. Representatives of The Dalles Athletic Club, the Y. M. C. A., M. A. A. C., St. Mary's Athletic Club, of Albina, and the new East Side Athletic Club were present, and all favored the plan. The new league is to be composed of ten teams, including the five mentioned, the Astoria Commercial C cial Club, the Capital City and the Illi hee Athletic Clubs, of Salem; the Van-couver Athletic Club and the Vancouver Barracks team. This league will be strictly amateur, and only registered A. A. U. piayers will be allowed to enter the games. A pennant will be given the team winning the championship, and cups and other suitable trophies will be given the piayers who make the highest batting, fielding and baserunning averages.

The directors of Multinomah Club are hearty supporting of the new Legue and

FRANK WILL BE SENT EAST

Portland Wrestler to Compete in A.

A. U. National Tournament.

The directors of the Multnomah

Club last night voted to send Edgar Frank to the A. A. U. National wrest-ling tournament as the representative of the club. This move has been ex-pected for some time past, as Frank was the only member of the club able to compete in the tournament. The tourney will be held some time in the latter part of March, either in New York City or in Newark, N. J. The time and place will be fixed some time this week, and it is expected by members of the sporting fraternity that the meet will be held in New York. Edgar Frank is one of the bestknown wrestlers on the Coast, and now holds the 125-pound champion-ship. He began wrestling at the club in 1900, and for the past seven years has been one of the leaders in this line of athletics. He will leave some time in the early part of next month and will, on his arrival in the East,

Former Los Angeles Shortstop Will Probably Be Umpire This Season.

begin training at once.

When it came to mailing 1907 contracts to the members of last year's Los Angeles baseball team. Manager Henry Berry for-got Jimmy Toman's name. Toman drew a blank, and the fact will not surprise the Coast League faus. Three years ago Toman was the best shortstop in the league, but during the past two seasons his work has been indifferent.

His release came partly at his own solicitation. It is not Toman's intention to quit baseball; he will probably be one

of the Pacific Coast League umpires for the coming season. His application to Danny Long has been made, and Man-

ager Berry has given him strong indorse-ment for the berth.

Jimmy should make an ideal judge of play. He has years of experience as a player, a complete knowledge of all the ins and outs of the game and a splendid judgment of all things pertaining to baseball.

The largest donation to the Y. W.-Y. M. C. A. building fund yesterday was \$2500 from Drs. E. C. and S. A. Brown, who increased their subscription from \$5000 to \$7500. It is expected that a number of others will increase the amounts first subscribed. The total amount re-ceived yesterday was \$2800, which brought the subscriptions up to \$256,682.80. There is \$83,207.20 still to be raised.

The committees reorganized at the noon

meeting yesterday, and will make a stronger effort in the remaining nine days to secure funds. The money has come in slowly because very few of the solicitors can devote their whole time to the effort, but all are much encouraged as nearly all who have been approached look with favor upon the effort to obtain money for a new building. The vote was no sooner taken than those opposed at-tempted to show that the bringing of the lodge meeting to this city would cause an expense of \$5000, which would not be necessitated by having the meeting, as heretofore, in the Bay City.
