remarkable reatine of the moruing vetovered tion. The market had substantially recovered at one time during the moruing when the wild liquidation in Union Facille started the demoralization in the whole list. There were some violent gyrations due to the risk of shorts to secure profits at various times, but the tone of demoralization continued up to

rived there and the inclement weather checked buying. The later improvement was aided by the better condition of the Tresh Eastern arrivals.

Improvement in Potato Market.

Wheat and Flour Firm,

The wheat market continues firm with the demand much in excess of the supply. Oriental flour orders are not so heavy as last wenk, but are still more than the le trade can take care of
