SAVINGS BANK IN COURT

Chicago Judge Has New Scheme to Aid Reformed Prisoners.

CHICAGO, April 11.—A "savings bank annex" to the branch of the Mutual Court provided over by Judge Cleland was announced yesterday by the judge as an additional means of reform held out to unfortunates who come before him. Arrangements have been completed whereby any person paroled by the Court will have started for him a savings account in a Chicago bank, with a gift of \$2 from the bank to start the account. The gift carries with it the condition that the person to whom it applies will not violate the parole and will deposit to his own account at least \$2 each month. The amount deposited may not be withdrawn until the end of the year. The plan is intended to encourage thrift and economy by the men usually brought before the courts on the charge

of drunkenness. It is a development out of Judge Cleland's present plan of paroling the men to responsible persons in the neighborhood. Semi-monthly reports are made to the judge.

The principal condition imposed on the paroled person is that he will stay away from drink for the period of a year and is not sent to the Bridewell in that time.

Holiday to Dig Dandelions.

CHICAGO, April 11.—A dispatch to the Record-Herald from Topeka, Kan., says: The 45,000 people in Topeka are expected to do battle against the dandelion next Tuesday. Every man is expected to dig the dandelions out of his front yard. While this army is at work in front of the homes of Topeka, Governor Hoch and all state officers, assistants, stenographers, male and female in the statehouse, will close the building and wage war on the pests in the statehouse grounds. One hundred boys in the Topeka Reform School will march to the Capitol grounds to the

music of the school band and aid in digging up the weeds.

Bank Closed by the State.

ST. JOSEPH, Mo., April 11.—The Bank of Conception, in Clyde, closed its doors yesterday by order of the Secretary of State. Its liabilities are given at \$120,000, with assets almost equal to that amount. The depositors will be paid in full.
