MULTNOMAH VERSUS OREGON

Two Ancient Football Rivals Will Cross Bats Today. The two old football rivals, Multnomah Club and Oregon University, will meet in a baseball game this afternoon at Multnomah field. The club men are confident they will be able to win back the laurels lost in the big Thanksgiving football game. The club team has been out practicing every day for the past three weeks, and is now in the best of condition. Many of the old reliable club players will be in uniform this afternoon, and a number of new players will make their initial appearance in the "Winged M" suits.

The game promises to be the most important of all the intercollegiate series, and the winners will stand a good chance of being the amateur champions of Oregon. For a straight amateur team, Multnomah has one of the strongest in the state, and outside of Oregon, there are no college teams that would have any chance in a game with the clubmen.

So far the club has not decided on a pitcher for the game, but either Newman or Morris will do the pitching. Both these men are good slabsters, Newman being a California boy, with a long list of victories to his credit, while Morris is well known around the city and state. "Dolly" Gray, one of the best-known ballplayers in the city, will play short and it is expected that he will do good work. He has signed up as short on the Seattle Northwest League team, but so far has not reported. Cas Campbell, captain of the team, will hold down second tomorrow, and Murphy will play third.

The team will line up as follows: Pitcher, Newman or Morris; catcher, Stockton; first base, Sinnott; second base, Campbell; third base, Houston; shortstop, Gray; left field, Hinkle; center field, Frowbridge; and right field, Trimble. Manager, George Eastman, because of sickness, will be unable to accompany the team, and his place in right field will be filled by Raleigh Trimble.

MAKES OFFER TO MEET KELLY. Parsons, California Sprinter, Wants to Run in San Francisco. UNIVERSITY OF OREGON, Eugene, Ore., April 19.—(Special.)—Dan Kelly today received an offer to attend the P. A. A. games on the 27th of April at San Francisco. Herbert Hauser, secretary of the association, telegraphed that he could guarantee expenses for Kelly, and his trainer, Hayward, provided they would attend and race against Parsons, the California sprinter. Kelly, however, has a strained cord in his right foot, which will prevent him from running for weeks and precludes any possibility of acceptance.

When interviewed as to what he would do with the offer, Dan Kelly stated that he would hardly accept it were he in shape, because it is merely an advertising scheme for the meet, and not of sufficient importance to him. Kelly will be in the road with only a short time for training. He further stated that he would run Parsons any time in Oregon, but would not trouble himself to go out of his own territory until the world meet at James-town.

ACADEMY WINS 9 TO 7

Hill Loses Close Game in Interscholastic League. The fourth game of the interscholastic league was played yesterday afternoon between Portland Academy and Hill Military Academy, at Multnomah field. The P. A. team won, 9 to 7. The game throughout was a close contest, marked by numerous errors, and plenty of hitting. Phillips, who pitched for the cadets, was easy, and was touched up for seven hits, while Stone, the slabster for the academy team, allowed only four.

One of the features of the game was the batting of Park Myers, of the academy. He was up five times, given a pass once, another time struck by a pitched ball, lined out two two-baggers, and one triple. He was the terror of the opposing pitcher, and whenever in a pinch Phillips did his best to keep Myers from hitting the ball.

The fielding of the academy team was poor, and at critical times the boys fell to pieces. Their pitcher did good work, and with good support should have held the cadets to two runs. Hill played a better game than in the Allen contest, but Phillips, who took the place of Merchant in the box, did not make good. Had Merchant struck it could be probable that a different score would have resulted.

Up to the seventh inning the game was good, but in the first half the soldiers got three runs, and in the second half the academy duplicated the trick. P. Cookingham opened with a hit. Myers was hit by a pitched ball and Cookingham went to second. Hillburt, then made a hit, and through poor judgment, both Cookingham and Myers scored. Hillburt came in on an error. This put the academy team two runs to the good.

The score was: HILL ACADEMY. McEwan, ss. AB. R. BH. PO. A. E. Hayes, 2b. 4 1 0 1 2 0 1 Baker, 3b. 5 1 1 5 0 0 1 Davy, cf. 4 1 0 1 0 0 1 Daly, rf. 3 1 2 1 0 0 1 Phillips, p. 4 0 0 2 2 5 0 1 Merchant, 1b. 4 1 0 1 0 0 1 Hillburt, lf. 3 1 0 1 0 0 1 Totals 37 7 4 24 8 5

LONGBOAT WINS MARATHON

Toronto Man Breaks Record Over a 25-Mile Course. BOSTON, April 19.—Thomas Longboat, of the West End Y. M. C. A., Toronto, Ont., today won the 11th annual Marathon race of the Boston Athletic Association, in 2 hours, 34 minutes, 34 seconds, breaking the record for the 25-mile course by 5 minutes, 24 seconds, made by J. J. Caffrey, of Hamilton, Ont., in 1901. Robert Fowler, of Cambridge, who came in second, also beat Caffrey's record, covering the distance in 2 hours, 27 minutes, 54 seconds. J. J. Hayes, of New York, was third.

Longboat is an Indian, coming from Wentworth County, Ont. Today's race was the greatest in point of the number of contestants in the history of the event. The entry list contained the names of 12 long-distance runners from all sections of New England and Ontario. The chief interest centered in Longboat, who was a favorite, among the other notable contestants were Fred Lorz, Michael Spring and Samuel Mellor, of New York, all former winners of this event; T. J. Hicks, of Cambridge, winner of the St. Louis Marathon, and Robert Fowler, of Cambridge, who has won two Marathons. The men got away in a bunch, a mile from the village of Ashland, at noon.

The first mile was covered by 10 of the runners in four minutes. The first five miles were covered in time two minutes behind the record, Fred Lorz, the 1906 winner, passing at 12:23. Fifty yards before the finish, Longboat and several others, bunched.
