POOR SHOW AT JAMESTOWN .- Declaring the Jamestown Exposition much inferior to the Lewis and Clark Fair, L. H. Adams, of Portland, member of the Legislature for this county, returned from an Eastern trip yesterday. Mr. Adams says that the exposition is poorly attended, that it is only partly finished and that he does not see how it will escape financial failure. The weather was very hot when he visited Norfolk, being 32 degrees at 1 o'clock in the morning and more than 100 degrees in the day time. Mr. Adams attended the annual meeting of the American association of baggage transfer men, representing all parts of the United States. He says that the association will probably meet in Forliand in 1909, and that it will bring some 206 delegates. Many tributes to the Rose Flests in Portland came to the ears of Mr. Adams. He met several travelers who were greatly charmed with the flower exhibition. Mr. Adams is glad to be home again, for he says that he found no city with climate equal to that of Portland.
