

BOARD OF TRADE WILD ON WHEAT

Price Soars to \$1.11½ on Rumors of Frosts in Argentina.

SOLEMN WARNINGS ISSUED

Conditions, Brokers Say, Are Like Those of 1897-8, When Joe Letter Went Under, Carrying With Him Many Fortunes.

CHICAGO, Oct. 10.—(Special).—Wheat for May delivery soared today to \$1.11 1/2 on the wildest opening known to the Board of Trade in months. The closing yesterday was \$1.10 and predictions of frosts in Argentina, where the plant is now in the first stages of its growth, gave the shorts a tremendous scare. The grain trade of this country and Europe is counting on the Argentina crop to make up the deficiency in the world's supply and any hint of disaster in that country starts a panic in the pit here. The further fact that there were sharp advances in all the European markets served to send the boom in motion here. The shorts suffered heavily. The big traders are sending out warnings to the speculators to beware of the present market. They think it resembles to a marked degree the market and conditions of 1897-8, when the world watched the attempt of Joe Letter to crown himself "Wheat King." Many fortunes went down in that crash and the conditions now, the commission houses intimate, are ripe for a repetition of that disaster.

FOUR JERSEYMEN DROWN

Capsize Burning Boat at Sea to Extinguish Flames. KEYPORT, N. J., Oct. 10.—Four young men, all residents of Perth Amboy, were drowned in Haritan Bay, off this place, last night. They were members of a party of seven who left Perth Amboy in a skiff to visit Keyport. The boat caught fire and the occupants, being unable otherwise to put out the flames, overturned the skiff. Subsequently four of them perished, three being saved in an exhausted condition by a passing steamer, after having clung to the overturned boat for more than two hours. Those who were lost: HARRY BAXTER, clerk in the First National Bank, Perth Amboy. EDWARD OLSEN, clerk of the Perth Amboy Trust Company. FLOYD McHOSIE, employed by the Atlantic Terra Cotta Company. CHARLES WICKSBURG, clerk in a glass works.

EMPLOY CHINESE SAILORS

Owners of Fruit Vessels Find Norwegians Too Unreliable. MOBILE, Ala., Oct. 10.—Nearly all the vessels in the Central American fruit trade will, it is said, in the next few weeks replace their Norwegian crews with Chinamen. The Norwegian owners, it is said, have concluded that Butterick Patterns 10c-15c—November Delinctor 15c

owing to the unsatisfactory labor of their countrymen, their unreliability, their intemperate habits and the increasing number of desertions, partly on account of interference of boarding-house runners, they will no longer employ them. Each ship will sign probably 25 men, bringing the total number of Chinese to 2050.

TRUSTS TO BE RESTORED

Certain Lands in Bear Lake Irrigation Project to Be Settled.

WASHINGTON, D. C., Oct. 10.—Investigations on the Bear Lake irrigation project, Idaho and Utah, having reached a point where the segregation of certain lands withdrawn in connection therewith is no longer considered necessary, the Secretary of the Interior has ordered that such tracts in the following described areas not otherwise withdrawn, reserved, or appropriated be restored to the public domain and become subject to settlement on such date and after such notice by publication as the Department may prescribe. These lands shall not become subject to entry, filing or selection, however, until the expiration of 30 days from the date so fixed.

WHOLESALE CAR ROBBERY

Burlington Road Enriches Italian Laborers by \$500,000.

DENVER, Col., Oct. 10.—Over \$500,000 worth of merchandise has been stolen from the Burlington Railroad in transit between Chicago and Denver during the past year and 300 Italian laborers who pillored freight cars have been discharged, according to a report published in the Denver Times today. It is said that secret service agents ferreted out the system by which the robberies were constantly committed, but failed to secure evidence sufficient to convict any of the thieves.

NO ACTION ON COL. TUCKER

Recommendation of Garlington After Inquiry in Philippines.

WASHINGTON, Oct. 10.—Inspector General Garlington, who was sent by Secretary Taft to the Philippines to investigate certain charges made by Mrs. Tucker against her husband, Paymaster Tucker, returned to Washington last night. General Garlington spent five weeks in Manila and prepared a report, which he left for Secretary Taft to consider upon his arrival in that city. There is reason to believe that no action by the War Department is recommended.

Roosevelt's Guide Goes Crazy.

OGDENSBURG, N. Y., Oct. 10.—Michael Cronin, one of the President's Adirondack guides, has been adjudged insane and sent to the state hospital. It was Cronin who drove Vice-President Roosevelt 16 miles through the Lower Adirondacks to the nearest railway station in 1901 when a courier brought him the news of President McKinley's assassination. They made the 16 miles in one hour and 45 minutes.
