These gardens adjoin Kenilworth on the north-west and west. Sometime ago a committee called on Health Officer Pohl, but was informed that it was a matter for the Board of Health to handle, hence a new committee was appointed with instructions to urge that action be taken. a new committee was appointed with in-structions to urgs that action be taken. It was announced that the contract for improvement of Gladatone and Francis avenues had been let. It was also re-ported that the name of East Twenty-ninth street had been changed to Kenli-worth avenue, that of East Thirteenth worth avenue, that of East Thirteenth to East Twenty-minth and so on to the city limits. These changes have been made so that streets in Konikworth and the district east will conform to the streets to be opened in the Richmond tract between the Powell and the Section Line road. H. S. Harcourt, recently elected secretary and treasurer, resigned as vice-president, and Raiph Merchant was elected in his place.

FIRE THREATENS BIG MILL.—The big First Threatens Bio Mill.—The Dis-mill of the Eastern & Western Lumber, Company, at the foot of Twenty-first street, had a narrow escape from destruc-tion by fire last night. Only prompt action on the part of the night watch-man, Henry Fuchler, prevented a serious configgration. Pochler discovered smoke at \$400 o'clock and promptly turned in an alarm. Before the arrival of the fire-

men huge clouds of smoke were arising from the roof of the building and the employes on the night shift thought the place was doomed. The smoke was so-dense that the fire could not be located for a time. It was found not be located for a time. It was found in the dry kiln and after half an hour's work was put out. It is thought \$200 will cover the loss. It is believed the fire originated through apontaneous combustion.

SEWER SYSTEM FOR SELLWOOD.—At the meeting of the Sellwood Board of Trade Monday night A. N. Wills, presiding, the question of sewerage for that suburb was discussed, and it was decided that a system covering that suburb must be provided. Engineer Glimore was present and addressed the meeting. He said he believed that a sewer system could be provided for Sellwood at an average cost of 15e per lot. He believed he could, by close figuring, prepare a set of plans for a sewer system, fixing the cost at 150 a lot. After consideration the Board decided to employ Mr. Glimore to prepare the plans and agreed to pay him 350 for his work. The system will provide sewerage for the two sections east and west of East Pifteenth street, which is the highest point in the suburb. The land slopes east and west from this street. Former plans prepared provided a system that would cost above 150 a lot, which was regarded as prohibitive. Heretofore all plans have, falled for the reason they have not provided for all the east side of the suburb. It is not known how Engineer Glimore will overcome the difficulties in the way of an outlet to the river for that section.

FLORENCE ROBERTS IN "ZIRA"

Famous Emotional Actress at the Marquam Tonight.

This remarkable play was the dramatic son-sation of New York for over three months at the Princess theater, and in which tame came to Margaret Anglin in a single night. Then came the divine Sarah Bernhardt to applaud and weep in the midst of the Anglin enthusiastics.

One Western critic in speaking of Miss Roberts' portrayal of the character of "Zira" said: "Who could witness this grand artiste's denunciation scene in the third act without applauding? and, who.

third act without applauding? and, who, with any heart at all, could sit through it without hursting into tears? It gave Miss Roberts scope for one of the fluest, truest and mest moving bits of drama seen in many a day."
