"FORCE" is made of the best white wheat, steam-cooked, rolled into thin flakes, combined with the purest barley-malt and baked. Always "crisp" it before serving it by pouring into a pan and warming it in oven. Then serve in large dish with cream, piling the flakes in one side of the dish and pouring the cream in the other side, dipping the flakes as eaten.

Your grocer sells it. No other Flaked Food is "just as good."
