BY W. J. PETRAIN.

In spite of the fact that his umpirelets, Fred Perine, chased Bobby Groom and Ote Johnson early in yesterday's game, McCredle's cohorts were out to win and ucceeded in trimming the Seals in a contest which ended with Portland having the better of a scrappy argument by a

6 to 2 score.

The scoring of a brace of tallies in the initial canto by each team, inaugurated a series of argumentations with Perine which, on the part of the players, ceased to an extent after the two Portland stars had been sent to the showers and street togs, but the crowd got it into its collective brain that "Bull" was defective and roasted him unmercifully. Perine was off on several decisions, and, thanks to one of his erratic rulings. Portland collected two more runs than were legitimately due the home guard.

mately due the home guard.

These two, however, would have made no difference in the general result because Southpaw Jack Graney was on the job, both with his trusty left arm and his After Lanky Robert had been given the vaciation signal, Graney took up the burden with the score two all, and his puzzlers were amply sufficient to curb whatever desire the Scals may have had whatever desire the scale may have had to register. The southpaw's work was a source of great delight to all who witnessed the game, and as he gets credit for the victory, it evens matters up for the defeat given him on the previous day.

Groom Objects to Ruling.

Groom's ruction with Perine, and his subsequent banishment, came about be-cause Bobby believed, and so did the fans. that he had fanned Zeider, the third Seal to face him. The first two representatives of the earthquake helt were easy for the cooler, but Zeider had two strikes called on him, and Groom shot one directly over the plate, which Perine ruled as a bad

om got talkative over this and when Selder punched out a safe hit, he be-came still more inclined to speech mak-ing. Naturally the remarks were directed at Mr. Perine. Zelder purlained second in his customary manner, and Groom decided to walk Melchier. Williams shot one at Johnson, who messed it up, and the bags were populated. Beck came through with a smashing double and two runs were collected at Whaling's perch.

Berry popped out, and Groom was given the skidoo signal by the umpire. Fortland evened up matters in the sec-end half of this inning. Casey walked, and Bassey got in the game with a single to right. Raftery's poke at Cur-tis forced Casey at third, but Bassey and Baftery got busy and pulled off a double steal. Ote Johnson then came to the steal. Ote Johnson then came to the front with one of his long drives, which was good for two cushions and scored both runners. Beck muffed Ryan's line drive, but Johnson was held at second. After the two had pulled off a second double steal for the infing. Ryan was nipped between the bases and run down by the infielders. Cooney ended the inning by an out at first.

Cooney Robbed of Hit.

In the fourth Perine robbed Cooney of a hit and Portland of a run, by declaring that Hildebrand had nipped his pop fly over third. Hildy made the four-flush play and got away with it after having grasped the hit off the ground. Danzig followed this play with a long three-hagger, but was left as Whaling was unable

The banishing of Johnson, in the third ling, after he had struck out, necessitated a switch in the Portland team Ryan was brought in from right field and "Slim" Marshall sent to the outer gur-

den.

In the fifth Graney opened with a three-bagger and did not hesitate at third, because Melchior's return of the bail went wild, and the little pitcher completed the circuit. Casey and Bassey went out in order, but Raftery singled, and when Marshall punched one past Zeider, which was followed by a boot on the part of Beck. Tom raced all the way from first to the plate.

to the plate.

"Bull" practically presented us with a couple of aces in the sixth, for he missed a play at the plate, because he expected it at third base. Cooney and Danzig were out, when Whaling walked, and Graney singled to right. Casey followed this with another bingle in Melchior's territory, but instead of throwing to Curtis, as Perine expected, Harry laced the ball home, and Berry clearly had Whaling out, He scored because the umps did not see He scored because the umps did not see the play. Bassey picked one for a safety and Graney scored the sixth and last run.

Groom Again on Mound.

Today will be ladies' day, and Bobby Groom will make another effort to get along with Perine, while Oscar Jones, the hitherto unlucky one, will slab it for San Francisco. The official score follows:

BAILEY'S VOTE INCREASES McCormick Likely to Gain Nothing

in Clerkship Contest. HILLSBORO, Or., July 30.—(Special.)—With 11 precincts counted in the County Clerkship contest, McCormick vs. Bailey, Incumbent, James McBride has counted an increase of 35 for Bailey. This gives Bailey a majority of 50. The other ten precincts will not materially change the result. Banks and Buxton precincts, relied upon by Contestant McCormick's attorney to reduce Bailey's vote, were disappointments, as Bailey gained four votes in the two districts.

in the two districts.

Judge McBride adjourned the count this afternoon, as he was unable to proceed, having been ill since the famous Reghitto right-of-way case, when he drank some of the irrigation water on the famous onion patch, resulting in cholera morbus.
