Trimmed Hats Worth to \$15.00 \$5

Here is the story of how we came by a lot of hats, which means a bargain that will set all Portland astir. Our New York buyer happened into one of the largest millinery houses in N. Y.; they showed him 300 Trimmed Hats, containing hats worth at retail up to \$15.00, and gave him a price. He wired us—not to know whether he should buy, but how many to take. We answered, "Take them all. We will sell them." They're here. The smartest, most clever styles, the best materials, and the biggest assortment Portland has ever heard of at the price. Shapes are of felt, velvet and satin. Trimmings are ribbons, quills, wings, silks and velvets. Every one of the season's best colors represented. Val. to \$15, at **\$5.00**
