Work Starts on New Church.—Active work has been begun on the new Methedist Episcopal Church, at Sunnyside. At the request of the pastor the quarterly conference held Thursday night by Dr. Hollingshead passed a resolution which makes impossible having any debt when the church is finished. The work is to be finished if enough reliable subscriptions are in hand as contracts are let and as the work proceeds. The cornerstone will be laid by Bishop Smith early in July and then if subscriptions have come in in sufficient amounts the work will be rushed to completion and if not it will wait until they are brought in. The people are helping nicely on account of the fact that this church has subscribed in an unprecedented manner, when the financial condition of the entire church is considered. The members have given at a larger ratio than any other church is considered among the finest ever arranged for any Portland church. Dr. Hollingshead declared at the quarterly conference held Thursday right that he had visited many cities and towns and had examined a large number of churches and that the Sunnyside church's scating plan and general arrangement are the best found anywhere.

Mispirected Mail. Causes Delax.—Fallure property to address letters and

Mispirected Mail. Causes Delay.—
Mispirected Mail. Causes letters and other mail of all sorts to houses on the East Side causes a vast amount of mail to go wrong and be delayed in finally reaching the correct address. Letters intended to go south of East Ankeny streat, the dividing line, may be addressed without "south" being added, but intended to go north of East Ankeny street, "north" must be added. A mailcarrier in a south route between East Morrison street and Hawthorne avenue, says that he gets an average of 20 pieces of mail every day that should have been sent, north of East Ankeny street, but had been sent south for the reason the sender had neglected to write "north" after the street name. The carrier said that the number of misdirected statements of business houses in Portland sent to East Side addresses at the beginning of every month is very great, as all carriers can testify, all because of the carelessness of clerks and stenographers in failing to write "north" on letters intended to go north of East Ankeny street. East Side carriers say that if business men and others will see that their letters are correctly addressed they will insure prompt delivery.

Street Opening Opposed.—Opening of East Seventeauth street these. MINDIRECTED MAIL CAUSES DELAY.

STREET OPENING OFFOSED.—Opening of East Seventeenth street through Midway is meeting with considerable opposition. There will be a meeting of property-owners interested next Monday night when the matter will be threshed out. To extend the street will take some private property in Midway. Another street south besides Milwaukie avenue is desired and another street is wanted for the proposed reinforcing water main for Midway and Sellwood. For these and other reasons the effort is being made to open East Seventeenth street through Midway. It is announced that that part of the Ladd farm between Milwaukie road and the Southern Pacific has been platted, which means that East Seventeenth and other streets worth Midway. STREET OPENING OPPOSED .- Opening of

Southern Pacific has been platted, which means that East Seventeenth and other streets south of Midway are to be opened. BROOKLYN ALUMNI GIVES COMEDY.—The Brooklyn Alumni Association rendered an interesting programme last night in the assembly hall of the Brooklyn school. A pleasing comedy, "Dear Old Ladles" was rendered under the direction of Mrs. C. E. Mathlot. Those taking part were Misses Bessle Hayely, Emma Erdner, Inga Anderson, Marguerite Dillon, Kathlerine Misslich, Gladys Todd, Nomah Shim, Ethel Luke and Wallace Snyder, Walter White, Raymond Kinser, Ross White, Raymond Kinser, Ross Gearhardt, George Erdner and Stewart Johnson, Misses Amelia and Lillian Jones gave a piano selection, Miss Mariette Dunn rendered a violin solo, Miss Kath-

LECTURES ON TEMPERANCE—Miss Marie C. Brehm, who has devoted a number of years to the scientific study of the liquor and the temperance question, and who is now the special lecturer representing the Presbyterian Church of North America, will be in the city May 9 to 12, to deliver several addresses. She is a forceful

several addresses. She is a forcefu speaker, and she makes her lectures wel speaker, and she makes her lectures well worth the bearing by the calm, thoughtful, and sane manner in which she treats her subject. Sinday Miss Brehm will occupy three different pulpits, speaking at the Forbes Presbyterian Church in the morning, at the Marshall-Street Presbyterian Church in the emorning, at the Marshall-Street Presbyterian Church in the evening. Monday evening Miss Brehm will give her really popular address at 8 o'clock, in the First Presbyterian Church in the evening. Monday evening Miss Brehm will give her really popular address at 8 o'clock, in the First Presbyterian Church under the auspices of the Portland Presbyterian Christian Endeavor societies. This meeting is particularly for the young people of Portland and promises to be an important gathering in the cause of temperance. A chorus of singers from several of the different young people's societies will render special and appropriate music. No admission will be charged and no offering will be taken.

Grocers' Wives to Entertain.—The

GROCERS' WIVES TO ENTERTAIN.—The Association met yesterday at the conven-tion hall, in the Commercial Club, and tion hall, in the Commercial Club, and discussed plans for the entertainment of the wives of the delegates attending the National convention of retail grocers, to be held here in June. It was decided to name an active committee of ten to have sole charge of the entertainment. The following were named: Mrs. J. C. Mann, Mrs. Emil Gunther, Mrs. Dan Kellaher, Mrs. D. C. Burns, Mrs. Emil Wommelsdorf, Mrs. J. C. Casson, Mrs. Ben Bellamy, Mrs. George Hochstedler, Mrs. B. J. Dresser and Mrs. F. W. Funk. Mrs. Dan Kellaher presided and will call the next meeting of the committee. The ladles will act in conjunction with the executive committee of the association.

Girl. Evades Capture — Amanda

GIRL EVADES CAPTURE - Amanda Wiroski I4 years old, jumped through a window on the first floor of a roomingrouse, at 111 Cook street, and painfully brulsed herself, at 4 o'clock yesterday morning, n order to escape her indignant father. Fred Wiroski, who was at the door in company with Patrolman Strong, seeking to arrest the girl and an Is-yearseeking to arrest the girl and an Is-yearold youth, Tony Wiyovich, who was occupying the piace with her. Not minding
the shock of falling six feet to the
gravelled walk, the girl ran several blocks
before being overtaken. The young man
was arrested in the room. The girl denied that there had been anything wrong
and as the father declined to prosecute,
Wiyovich was later released.

PAVING COMPANY STARTS WORK.—The

Wiyovich was later released.

Paving Company Starts Work.—The contractors for paving Grand avenue, between Beimont and East Clay streets, have started on the East Side of the street. The railway company is finishing relaying its track on the west side of the street and will be out of the way of the paving contractors early next week. More men are employed on Grand avenue at present than were ever seen before on an East Side street at any one time.

HOME BEFORE EUROPEAN TOUR.-Mr. and Mrs. H. Wolf, of this city, who have been spending the Winter in Southern California, will return Monday, accompanied by Mrs. M. Franklin, of San Francisco. After spending a few weeks in Portland they will leave for Europe having secured passage on the German steamer Deutchland, leaving New York on June 5.

WILL MEET IN PORTLAND.—The American Association of Farmer's Institute Workers will hold its annual meeting in Portland August 16 and 17. John Hamilton, farmers' specialist of the Department of Washington, who makes the announcement says that special efforts will be made to get representatives from all the different institutes in other states to

Takes Boys for Outing.-W. O. Nisley left yesterday afternoon with his class of boys at the Mission, on the East Side. for an outing at Vancouver Lake. They went by electric car to Vancouver and then marched to Vancouver Lake, where they pitched tent for the night. Today they will fish and enjoy camp life, returning this evening.

WILL ERROY MODERN CHURCH.—Plans will be drawn for a modern church building for the First English Evangelical Church, East Market and East Sixth streets, to be erected on the site of the present structure. Measures for erection of the building have just been taken. Rev. Frank B. Culver is pastor.

## PLAN FOR REPAIRS

Split Sleeve Will Be Used on Burst Water Pipe.

MENACE TO OTHER TUBE

Work Will Cost \$5000 and Piling to Be Driven May Damage Other Main Under River, Is Opinion of Engineer.

Mayor Lane and the members of the Water Board, at a special meeting held yesterday afternoon, adopted a recom-mendation by Chief Engineer Clarke that a split sleeve be clamped over the that a split sleeve be clamped over the broken 24-inch cast-from main under the Willamette River, as a means of adjusting the difficulty. This work will cost approximately \$5000, and will be done under the direction of the board. Operations will be started at once, in order that the fractured pipe may be placed in commission at the earliest possible moment.

possible moment.

Mr. Clarke submitted a report, in which he recommended the course stated, but he said that there is an element of danger to the large steel tube, which crosses under the river a short distance from the cast-iron pipe, which was broken. Two rows of piling must be driven, one on either side of the fractured pipe, in order that the gravel and silt may be removed to give an opportunity for the workmen to operate on the conduit.

ate on the conduit.

The driving of piles, it is feared by Mr. Clarke, may jar the steel pipe, which is the sole source of the Bull Run water supply for the West Side. If this should burst, it will necessitate the turning on of Willamette River water. Mayor Lane and the members of the board believe, however, that, notwithstanding this element of danger, it is the best solution of the problem. The matter was referred to Mr. Clarke last Wednesday morning, when the Water Board met in special session, along with other suggestions by memte on the conduit.

the Water Board met in special session, along with other suggestions by members of the board. After consideration, Mr. Clarke reported back yesterday afternoon that, in view of all the facts relating to the matter, it is his best judgment that the split sieeve be clamped about the burst pipe, even though it is necessary to run the risk of breaking the large steel main in driving the piling needed in the preliminary work.

Mr. Clarke, in his report to Mayor Lane and the members of the board

ane and the members of the board esterday afternoon, did not at first say that he would recommend the course stated, notwithstanding there is an ele-ment of danger connected therewith but the Mayor did not seem inclined to out the mayor did not seem inclined to accept the recommendation unless Mr. Clarke would so state in the report, and this was added. In this manner, if any accident occurs, it will be charged to Engineer Clarke, although the members of the board said they realize that there is a remote possibility of working havoc with the other tube, now the sole support of the West Side for Ruil

there is a remote possibility of working havoc with the other tube, now the sole support of the West Side for Buil Run water supply.

In order that the danger to the steel pipe may be placed at the minimum, it was stated at the meeting, the piling will be driven under the direction of the Water Board, and the greatest care and caution used, it was explained. The job will require several weeks. The process of repair is simple. Iron clasps will be placed around the broken sections of the pipe, with packing, and will be clamped on.

The break in the pipe occurred six weeks ago, at which time it was believed by the employes of the Water Board that both tubes that supply the West Side with Buil Run water had burst. Following this conclusion, the superintendent ordered the auxiliary pumps in the Palatine Hill station started, and Willamette River water was turned into the West Side mains. It was later accidentally discovered that only one pipe was broken, and that the pollution of the supply on the West Side was unnecessary. An investigation is in progress to fix responsibility.

ELMAN PLAYS MONDAY

Young Russian Genius Will Present Beautiful Programme at Heilig.

Among the beautiful numbers which Mischa Elman will play at the Heilig on Monday evening will be the Gossec Gavotte, the Handel Sonate and the Sarasate Caprice, all of which have earned him the most lavish praise from all the critics. The Coast has already accepted Elman as the musical sensation of the season, and it now remains for Portland to pass its judgment on the young ar-

The recital here will be Elman's \$24 The recital here will be Elman's 83d concert since the day of his debut in New York December 10, and after Portland he has but two more, Tacoma and Spokane, before he goes East and sails for Russia. Eighty-five concerts in five months is surely a remarkable record for any artist, and more especially for one who was almost unknown to New York up to the day of his debut. Elman has made a remarkable record, and his great made 2 remarkable record, and his great beauty of tone, as well as his flery mu-sical remperament, have placed him in the very first rank of the greatest vio-linists the world has ever known.
