Table with columns for Club, W, L, Pct, AB, R, H, E. Lists standings for Sacramento, Portland, and other teams.

Again the Beavers took the Sacramento Senators into camp, despite the introduction of Frank Arrillanes, late of the Boston Americans.

The Senators scored the first run of the day when they were favored by circumstances in the fifth inning, but this run was all that fell to their portion during the matinee and Portland finally got into the scoring habit and tripped Sacramento's fifth-inning exploit.

Rankin Makes Error. Arrillanes had gotten by without serious damage till the sixth, though in the fifth inning "Tribby" Rankin robbed Portland of one or two runs by a poor decision calling Buddy Ryan out at first.

While the Sacramento team was arguing about the crossing of signals and the like, both Rapps and Sheehan advanced to third and second bases. Sheehan tried to score on a short passed ball, but was out at the plate, and Rapps was left at third when Gus Fisher failed for the second time as a hitter.

Bill Steen opened the seventh by walking, and took second on Ryan's sacrifice. Olson panned, but Krueger smashed one fast. Briggs for two sacks, scoring Steen with the last run of the game. Krueger was left at second when Casey went out, Shinn to Damig.

Lone Run Comes in Fifth. The visitors' lone run was acquired in the fifth. Burns, the first man up, bled, and Spiesman fanned in the effort to advance the runner. Steen then pined a right pitch which sent Burns to second.

Casey was caught napping in running badly to second base, which permitted Arrillanes' grounder to roll unimpeded to right field, and George Ort allowed it to roll between his legs, which mix-up allowed Burns to score and the Senatorial pitcher to take second.

Ort, however, made up for his error later when he picked a hard liner from the bat of Hal Danzig of the right field fence. It was a nice catch and George got a hand for the feat.

The same teams play again today, and as this is ladies' day, a large crowd of fair fans is expected. Charley Graham probably will introduce his Boston recruit, Pape, while Portland will depend upon Eugene Krapp. Yesterday's score follows:

Oakland, Cal., Oct. 6.—Six hits off Burns, one of them a home run drive by Howard, proved sufficient today to give Los Angeles its second victory over San Francisco by a score of 4 to 2.

Browning was relieved in the sixth inning, Eastley taking up the burden and while the latter was touched up for five hits, none of them figured in the tally column. Los Angeles had its batting clothes hammered for the day. Crigg hammering out a three-bagger and

COACH AND CAPTAIN OF PULLMAN TEAM WELL QUALIFIED

Oscar P. Osthoff, new coach for the football team of the Washington State College for 1910, is a University of Wisconsin graduate, wearer of four "W's" (track, football, baseball and basketball) and hence a great athlete himself. He was placed as a member of the All-Western football eleven, as a tackle. Osthoff holds three A. A. U. championship swimming records, won at St. Louis in 1904. He has taken hold of a squad where seasoned timber will compose about half of the eleven and is getting good work out of the men already.

Lyle Buck, captain of the 1910 Washington State College football team, is in his third year at the college. He is a half back, but also plays baseball, being captain last Spring of the college nine. He weighs about 155 pounds, but is stocky. His aggressiveness and generalship have won him the coveted place on the football eleven.

Smith getting a double, besides Howard's long drive. Criger and Nagle, who relieved him in the sixth, allowed nine hits, but poor base-running prevented San Francisco from piling up more than two runs.

R. H. E. Los Angeles 4 11 San Fran 2 9 1 Batteries—Criger, Nagle and Smith; Browning, Eastley and Williams.

Oakland 2; Vernon 6. LOS ANGELES, Cal., Oct. 6.—Oakland won the game from Vernon in the first inning today, 2 to 0, and after that period there was no scoring. The scoring was partly due to an accident. With the bases filled in the first inning, Wolverton was hit in the forehead by a pitched ball. He dropped to the ground and it took some time to revive him. He was unable to continue in the game.

Batteries—Hitt, Carson and Hogan; Moser and Mitz. WILLAMETTE CUTS OUT OREGON. "State University No Longer Can Dictate," Says Sweetland.

SALEM, Or., Oct. 6.—(Special.)—"There will be no game between Willamette University and the University of Oregon this year, because Oregon desired to secure a late date with us and absolutely refused to play on an early date," declared Coach Sweetland of Willamette tonight.

"I will not allow our team to play heavy games in the middle of the season, when we are supposed to be competing with teams of our class. We asked for an early 1910 date with the University of Oregon as far back as last year, stating October 22 specifically as the time when we would play Oregon. Oregon returned contracts for us to sign for a game November 12. Oregon has always been in the habit of making the game with Willamette a one-team proposition and dictating from start to finish when and how we should play. Such methods will be cut out from now on. If Oregon does not wish to play us on our own grounds with half-way terms on our part there will be no more games."

"We asked Oregon to transfer the contracts from November 12 to October 22 and were refused. We then closed a date with Oregon Agricultural College for October 22. Willamette does not intend to wear itself out in mid-season against the Oregon huskies. If Oregon wishes to play here she must give Willamette half a show and discontinue dictatorial methods. There has never been a wrangle about gate receipts. What I have said explains the entire situation."

UNIVERSITY OF OREGON, Eugene, Or., Oct. 6.—(Special.)—The Oregon-Willamette football game has not been called off, as has been reported, the difficulty being a dispute in the date for the contest. The outcome of the situation depends upon the agreement reached by the two managements.

Auto Race Declared Off. NEW YORK, Oct. 6.—Announcement was made tonight that the grand prize race for automobiles, which was scheduled to take place over the Vanderbilt cup course on Long Island October 15, has been declared off.

Criticism of the fatalities from the Vanderbilt cup races, it was said, was the cause of this action. There is a possibility that the race will go to Savannah.

WASHINGTON HIGH BEATS VANCOUVER

Portland School Team Lands 16 Points in First Football Contest.

PARSONS PLAYS STAR GAME

Fast, Aggressive Head Player is Former Salem Boy Who Scores Two Touchdowns for Victorious Team—Crowd Big.

VANCOUVER, Wash., Oct. 6.—(Special.)—Scoring three touchdowns and one goal, aggregating 16 points, Washington High School of Portland, defeated Vancouver High School here today on a fast field before a fair-sized crowd in the first game of the Portland Inter-scholastic League football season.

The game was governed by the new rules but no revelations in style of play were witnessed. Both elevens resorted to a combination open style and line-plunging game involving both the new and the old styles of football. The victorious team used the new football rules more often and more successfully than did the local aggregation.

Alternating forward passes, end runs, punts and straight-line bucks, Cornell, the Washington High quarterback, guided his team to a touchdown after about eight minutes of play in the first quarter. Robertson, at fullback, carried the ball over the line for the first score.

Parsons is Star Man. The other two touchdowns were scored in the second and third quarters after seven or eight minutes of play, respectively. Parsons, a former player on the Salem, Or., High School and Lincoln High School, Seattle teams, scored the other points for his team.

Parsons, from his showing yesterday, seems one of the "finds" of the season. He is fast, aggressive and a heady player. Coupled with Cornell, whose dodging abilities are well known in Portland, Parsons forms a formidable pair to carry the ball around the end or in a broken and scattered field. Sax, left half, played a consistent game and the Washington line held nicely.

For Vancouver, O'Connell, Miller, Bishop and Farrell did the best work. Bishop and Miller advanced the ball for material gains several times and tackled fiercely. O'Connell proved a tower of strength at left-guard, breaking through the line and muzzing up plays frequently.

Although the game was hotly contested and some hard tackles and line-bucking was done, none of the players were hurt, save a few minor injuries.

Harvard Man Referees. R. N. Hockenberry, formerly of Harvard, has been engaged as official referee of the Inter-scholastic League and officiated in that capacity today. Dudley Clark, the former University of Oregon player, acted as umpire. The lineup:

Summary—Field Judge—Templeton. Head linesman—Moore. Length of quarters—15 minutes. Touchdowns—Robertson and Parsons (2). Goal—Beckett. Score—Washington High School 16, Vancouver High School 0.

three street railway systems, and at the present time is but 20 minutes from Third and Washington streets as the present car service is conducted. This service can easily be bettered by the baseball special cars, as these will not be compelled to run on the time schedule now in vogue on South Portland and Fulton lines.

The property is 400 feet square, which will give Portland the largest and most commodious baseball park in the West. The work of grading and leveling the grounds will be commenced about May 1, and the building of the grandstand and bleachers some time in August or September, as the McCredies do not expect to open the new grounds until the season of 1912 is inaugurated here. The lease on the Vaughn-street grounds extends to the Fall of 1911, so next year the present site will be the scene of the ball games.

A grandstand and bleacher accommodations patterned after the new grounds at Cleveland, O., will be Portland's new home of baseball. The Cleveland club has lent the McCredies the plans and specifications used in building Cleveland's park.

The Portland park will not have a double-deck grandstand, as is the case at Cleveland, but the structure will be so arranged that the extra deck can be added without trouble, as occasion requires.

Match With Astoria Hindu Arranged With Side Bet. Eddie O'Connell, Multnomah Amateur Athletic Club boxing and wrestling instructor, has been matched with Dodan Singh, an Astoria Hindu, for a catch-as-catch-can wrestling match at Merrill's Hall, Seventh and Oak streets, Tuesday night, October 11. O'Connell, under the terms of the agreement, is to down the dark-skinned wrestler twice within one hour of wrestling. A side bet of \$100 has been made.

The two men were matched some time ago, before O'Connell's return from the East. About a week previous to the match the Multnomah Club instructor was taken ill in St. Louis and the match was called off.

The match is expected to show a revival of interest in wrestling, which was so prominent in Portland two years ago. O'Connell feels that he is now in shape for a fast match. He has been working hard with his classes at Multnomah since his return to Portland, and looks in good shape, although he says he is a little lighter than when he left Portland last Summer.

Dodan has been in training for almost two months. He was in training for more than a month previous to the match that was scheduled.
