Vigorous Old Age

No matter how old a man may be in years, he need never feel old if he will use Duffy's Pure Malt Whiskey, the elixir of life.

MR. S. R. BALDWIN

Mr. S. R. Baldwin, who has been a user of Duffy's Pure Malt Whiskey for over 3 years is a firm believer in the value of this wonderful medicine.

Fullon Chapter of R. A. M. at Baldwinville week before last. I was the oldest delegate there. I saw a great many people from all over the country; mostly every one would say, 'What do you do to look so young?' and I would tell them 'I use Duffy's Pure Malt Whiskey.' Then most every one would say, 'I will try it.' Any one who talks to me is recommended to use Duffy's. I am sending you my picture so you can see how well I looked when I went as delegate.

When men and women pass the age of sixty they need a remedy that will quicken the circulation, bring restful sleep, invigorate the brain and prevent decay. Duffy's Pure Malt Whiskey is the only agent that will produce these happy results. It improves the digestion and assimilation of the food and gives tone and vitality to every organ in the body.

It has been used with remarkable results in the prevention and cure of consumption, pneumonia, grip, coughs, colds, asthma, malaria, low fevers, stomach troubles and all wasting and diseased conditions. It is invaluable for overworked men, delicate women and sickly children; recognized as a family medicine and prescribed by physicians everywhere.

Sold in SEALED BOTTLES ONLY by all druggists, grocers and dealers in general. Beware of cheap imitations or direct. \$1.00 a large bottle. Medical booklet, containing rare common-sense rules for health, sent free to any one who writes The Duffy Malt Whiskey Co., Rochester, N. Y.

Mrs. Jessie L. Gaynor AND DAUGHTERS

Misses Rose and Dorothy IN RECITAL

At Masonic Temple Thursday Evening

A wise woman of the West who is achieving prominence in the ranks of composers and educators is Mrs. Jessie L. Gaynor. Mrs. Gaynor has a sweet, melodious voice, but her greatest charm is in her interpretation and in her personality. Her insight into child character speaks a heart sympathetic in tune with the depths of child nature.

Mrs. Gaynor's two daughters are ideal interpreters of her music, as they have grown up in an atmosphere where the most trivial daily occurrences furnish the inspiration for a song. The individual temperament combine to make their work extremely interesting, and they always win the spontaneous favor of their audiences. They will be heard in recital at the Masonic Temple, Thursday evening, October 20. A very interesting programme will be given, at which a

Help nature "build up" after a day of hard work

Don't wear yourself out

Don't tax your strength to the utmost and become a wasted wreck when others are just beginning to enjoy the fruits of their labor. Get yourself in the proper condition to do your work and show yourself off to the best advantage. Help nature—take

Pabst Extract

The Best Tonic

and regain your nerve strength and vital forces. It fortifies the system and insures against collapse. Rich in those rare tissue-building elements of select barley malt and tonic properties of choicest hops, it builds up wasted bodies. A predigested food in liquid form, it is easily assimilated and quickly transformed into pure, red blood and healthy tissues.

The United States Government specifically classifies Pabst Extract as an article of medicine—not an alcoholic beverage.

Order a dozen bottles from your local druggist. Insist upon it being Pabst.

It has been decided that the replica of the Half Moon shall remain in the Hudson River, under the care of the committee of the Palisades Interstate Park. It will be open to the public under proper rules.
