VICTORIA, B. C., Sept. 27. - (Special.)-The Colts laid off from serious work today and when they took the field, only three men were seen in their regular positions. Catcher Burch was Escla behind the bat. Bobby Coltrin was at first with a catcher's mitt. Ma-

honey at short and Doty in center field. In the sixth a change of backstops and first basemen was made, owing to Esola's inability to stop Burch's fast ones and the fact that Coltrin weakened and could no longer manipulate the pillow he flaunted so gaily at the start. Naturally the Bees won the game, as they opposed to this assort-ment of missits the regular line-up. Yoke Plays for Time.

Evan Yohe, who had been laid up with a "Charley horse," was back in the fray for a while. But they didn't have the snap they were looking for. Burch surprised his mates and foes alike by pitching pretty fair ball, being hit hard in only one inning, the fifth. Errors accounted for Victoria's runs in the fourth. the fourth.

Yesterday's Besults. os 2-4. At San Francisco—Oakland 7, Sacra mento &

BY ROSCOE FAWCETT. We can't win 'em all. San Francisco finally walloped Portland — scrambled the Beavers, too, with their star moundman, Klawitter, in the box — and, while the beating was confined to just one inning, enough walks, hits and misplays were mixed in to induce several of the boys to emulate General Nogi and "do the Japanese." The score was 4 to 2, and broke up Klawitter's run of eight straight victories.

With the count 2 to 6 in his favor in

the sixth inning, Klawitter walked the first two men, and so interested did Howard Baker become in the heated reparties between Klawitter and Um-pire Casey that he forgot to come in on Howard's bunt, filling the bases. Zimmerman then punched a grounder that skidded through Shortstop Ban-

croft and on through Centerfielder
Doane, and before the ball could be
relayed in, three men—call them
'Faith, Hope and Charity," for identification sake—had crossed the plate,

Klatwitter allowed only seven hits in the nine frames, against eight off Fanning, but his old San Francisco Nemesis proved too much. The San Francisco and Vernon Nemesis plays the same part to Klawitter as the banana peel, only the highbrows dub it Nemesis. Although possessed of a record of 21 victories and 11 defeats, the Seals have beaten him four times in seven starts and Vernon on four oc-casions out of six.

Two Tallies Scored.

Portland scored one run in the first inning and the other in the third. In the opening inning Chadbourne walked, stole second, hiked to third on a wild pitch and scored on Rodgers' sacrifice fly. In the third inning Rodgers singled to right, and on a hit-and-run signal by Fitzgerald, astonished the spectators by legging it all the way home on Fitzgerald's single through shortstop.
