Would It Interest You to See the Newest in Spring Shoes?
 Would It Interest You to Buy Them "Very Special"?
 If So, Read on

—How does it all come about? How is it possible to sell new Spring shoes at a reduction before the season even opens?
 —It is a short story. Here's the point:
 —One of the foremost manufacturers of fine shoes sent us his sample line from which to make our selections. When this was done the shoes impressed us so favorably that we wired this manufacturer to let us retain the entire lot to be used in our January Clearance Sale.
 —He caught the intent and entered into the spirit of this sale by making us a price concession that enables us to offer five hundred pairs of new Spring 1913 models of

At the Flash of the GREEN LIGHT

—Whenever you see the flash of the green light you know at once that it signals a special sale. It indicates at all times an unusual, advantageous and economical offering.

—It directs the attention of our patrons to important sales, often not advertised.

—It is your guide to the many special events constantly occurring throughout the store.

—In every instance it blazes the way to practical, substantial economy.

—Picture shows the new "Lasticurve-Back"—broad gores of elastic which extend far below the back steels and are laced clear down to the end.

The gores are of the new Lastiklops Cloth, the latest Nemo elastic fabric, which is guaranteed to retain all of its original elasticity.

When you stand, the very long skirt clings closely, and follows the in-curve of the figure; corset-edge can't show through even a gauzy gown.

When you sit down, the corset-skirt spreads freely—you're comfortable. Two models:
 No. 322—low bust \$3.50
 No. 324—medium \$3.50

Here you have a corset of extreme length that's as easy as an old shoe. The greatest "stout women's" corset ever sold for so little. Fine white coutil, sizes 20 to 36.

LASTICURVE-BACK SELF-REDUCING CORSET \$3.50
