She is clever. She is intelligent. She has a position, thank you, a type of efficiency in all the world. She is energetic. She is efficient. good position, but she wants a bet-She will come into your office, a constant reader of the Help in lacking for the section of this paper to-

constant reader of the Help day, looking for your ad. She will learn all the details of your work, Wanted Ads in this paper. also read the Want Ad Section totake all those details off your She knows that this is the great morrow. So if you have your ad wondering what you are paid for. You will come to rely upon her so much that you will ask her about name and address? That would be everything from your letter file rather hard to give you, because to your diet. She will work so she has scores of names and ad quietly and efficiently that even dresses. She lives in all parts of your typewriter will seem to purt this city. She is known as the En-like a good machine instead of non-ergetic. Self-Supporting American today and try it. She is motion

mind, and before you know it you will be sitting back in your chair, wondering what you are paid for. Wandd now like the rown incomes. Wandd now like the prove her indrive. So it you have you are what opportunities you have to offer and what work you wish her to do,

like a good machine instead of pop- ergetic, Self-Supporting American today and try it. She is waiting ping like a bunch of firecrackers. Girl, than which there is no higher for you.

And when you get her tell your friends that she answered your Ad in The Oregonian.
