

A Dollar Has More Buying Power on the East Side

This is the case every day in the year; it is easily explained. Just stop for a moment and reason it out—you owe it to yourself. Many stores pay double, and sometimes three times the rent East Side stores do. Other expenses are proportionately higher. East Side stores can give you just as good merchandise—just as prompt service and better still, far lower prices. Today, Wednesday, is Bargain Day on the East Side—an ideal time to visit the different merchants, who have arranged extraordinary bargains as mentioned below. Come see for yourself the high-grade stocks these stores have, and the money saving to be had. It will amply pay you.

LEAGUE MEETS TONIGHT

WOODSTOCK VOTERS WORKING FOR GOOD GOVERNMENT.

Resolution Adopted Emphasizing Responsibility of Offices and Caution in Selection.

The first mass meeting under the auspices of the Woodstock Good Government League will be held tonight in the Methodist Episcopal Church, on Woodstock avenue, at which the candidates for Mayor and Commissioners have been asked to talk to the people. All citizens of Woodstock and vicinity are invited to attend this meeting and question the candidates as to their views on public affairs.

CLINTON PEASE'S FUNERAL HELD.

The funeral of Clinton Pease, a prominent educator who died at Forest Grove Saturday, was held at the Forest Grove Crematorium Monday. Rev. W. G. Elliot, of the First Unitarian Church, conducted the services. Mr. Pease was 74 years of age and had been a resident of Portland since 1904. He is survived by a widow, Mrs. Margaret A. Pease. His daughter, Mrs. Charles Hatfield, died at Forest Grove a few weeks ago suddenly.

CLUB WANTS BALLOT TITLE CHANGED.

A petition has been filed by the East Side Business Men's Club asking that the ballot title on the charter amendment revoking the franchises on East First and East Second streets be changed. It is urged that the title as prepared does not indicate sufficiently the purpose of the amendment which will be voted on at the June election.

CENTER ADDITION CLUB TO MEET.

The Center Addition Improvement Club will hold an important meeting tonight at the Free Methodist Church, corner East Fifty-fifth and East Flan-ders streets. Action will be taken to hurry up the laying of hard surface on East Glean street and the completion of the third section of the East Stark street sewer.

MRS. HIBBARD'S FUNERAL HELD.

The funeral of Mrs. Bertha Hibbard, who died at Corning, Cal., May 3, was held yesterday from Dunning's chapel, and the interment was made in Mount Scott cemetery.

MUCH ACTIVITY SEEN

East Side Railroad District Gets Tracks Fast.

VIADUCT WILL BE BUILT

When East Approach to Burnside Bridge Is Reconstructed Cross-way Will Extend Over East Second Street for Tracks.

There is considerable activity in the railroad district between Union avenue and the Willamette River. New tracks are being laid northward from Burnside bridge and hills are being made. Much material is being assembled in the territory south of East Burnside street for trackage. The O. W. R. & N. is laying track north of the East side approach to Burnside bridge on both East First and East Second streets. On East First the new track on the west side of the street is being continued northward, so that practically all the space on the street is occupied. On East Second a new track is being laid from Sullivan's Gulch to the Burnside bridge approach. There will be three tracks on the street soon.

The depressions along the east side of East Second street are being filled up between the bridge approach and Sullivan's Gulch with material taken from the basement of buildings in different portions of the city.

CHILDREN'S PARADE FINANCED BY EAST SIDE SUBSCRIPTIONS.

The canvass for funds to finance the children's parade is now in progress by a committee from the East Side Business Men's Club, of which G. E. Weiler is chairman. Mr. Weiler said yesterday that the committee is making fair progress. He says the expense of the parade is met by volunteer subscriptions from East Side people. Every cent will be used to defray the expenses of the parade. Many of the schools which have special features incur much expense in the way of costumes. Also the club provides cars for the children who enter the parade from and back to their homes. Bands, too, must be provided. This year the club plans to help out the schools in meeting expenses.

CANVASS FOR FUNDS STARTS

In general, the route this year will be the same as at former years, from Holladay to Hawthorne avenues along Grand avenue, and the parade will be held in the forenoon instead of the afternoon. Assistant Secretary C. C. Hall has been conferring with the school principals the past week and a number have agreed to co-operate in the parade. At least 200 children will be needed to make a good showing, and Mr. Hall thinks that the number of children to enter will be much larger. Later provisions will be made to erect stands along Grand avenue.

TWO TAKEN FOR RAGGING

More May Be Arrested Under Seaside Ordinance Passed Last Fall.

SEASIDE, Or., May 13.—(Special.)—Mrs. Walter Bray, wife of a local painter, and Jess Thorp, a poolroom proprietor, were arrested late Saturday night for ragging. The arrest of the man and woman precipitated a fight in which Night Watchman Meyers, Thorp and an outsider were involved. Police-man Meyers succeeded in arresting Mrs. Bray and Thorp.

The arrests for ragging are the first made under an ordinance passed last Fall. It is rumored that Mrs. Bray and Thorp will fight the case and demand a jury trial. The affair has caused much excitement and comment among the younger set here. As a retaliatory measure it is whispered that Thorp may have warrants issued for several prominent young men and women, whom he declares were also guilty of ragging.

CONDON TO PAVE MAIN STREET.

COUNCIL ORDERED ADVISING FOR BIDS FOR FIVE BLOCKS OF HARDWARE PAVEMENT ON THE MAIN STREET. THE BIDS WILL BE OPENED MAY 13.

The various means of opening the doors were by sliding a panel in the wall several feet away which would expose a rope, and this rope would open the door. Again a hole might be found the latch or bolt. Sometimes there would be a number of nails into same posed and one of these might be pulled out and a cord attached would open the door.

CONDON TO PAVE MAIN STREET.

CONDON, Or., May 13.—(Special.)—The Council has ordered advising for bids for five blocks of hardware pavement on the main street. The bids will be opened May 13.
