EXTENSIONS UP TO FACTORIES.—Factory owners in the Kenton district who have been trying for years to get the city to extend fire mains to their plants have been informed by Commissioner Daly, of the public utilities department, that the mains will not be laid unless they are paid for by the factory owners. He announced that he will oppose any extensions to benefit individuals in this way. "The city issues water bonds to raise money for the extension of water mains," said Commissioner Daly yesterday. "Why should this money which is a burden on the city be used in extending mains to protect factories when there are hundreds of districts in the city which need water for culinary purposes?"

CHICAGO FIREBOATS STUDIED.—Taking advantage of an opportunity to inspect fireboats of Chicago, Battalion Chief Stevens, of the Portland Fire Department, who is with the fire boat on its trip to New York, has written Mayor Alsea that he examined all the Chicago boats and gleaned some valuable information which may be used in improving the service of the new fire boat, David C. Cabot, in the city harbor. Among other improvements found is the keeping of the pumps in constant operation. This, it is said, makes it possible to get a fireboat in operation in a few minutes. Battalion Chief Stevens has charge of the fireboats in Portland. He will inspect the boats of New York during his stay.

EXTENSION OF UNION AVENUE PROCEED.—Extension of Union avenue from Columbia boulevard to the Columbia River approach to the proposed Interstate bridge will be considered at the meeting of the Union-Avenue Improvement League Thursday night, Union avenue and Fargo street. Union avenue has been extended to Columbia boulevard and it will be improved there in a short time, but the purpose of the extension of the avenue to the river is to make Union avenue a big way to the bridge. The club will take up this and other business for that district.

WATER PAYMENT VOTES COUNTED.—Clerks in the Water Department commenced yesterday the task of counting several thousand votes cast by water users on the question of collecting water rental monthly or quarterly in advance. The vote probably will not be completely counted until this afternoon. Commissioner Daly says he will change the collection to a quarterly basis if there is a strong majority of voters in favor. If there is a bare majority or if the monthly plan wins out in the vote the present monthly system will be continued.

FIREMEN'S FUND APPLICATIONS IN.—Numerous applications by members of the Fire Department for relief under the provisions of the firemen's relief and pension fund will be considered at a meeting tomorrow morning of the board of trustees of the fund. A meeting was to have been held yesterday, but there was not a quorum present and the session adjourned. There are about ten applications for relief from the fund.

Quicksall, as superintendent, September 13. This fair will be held a few days in advance of the County Fair at Gresham so that the Grange and other exhibits may be taken to the county fair. In the other departments are boys' mechanics, educational, cookery, floral culture, handicraft and other work. The object of the fair is to encourage the young people to grow vegetables and become proficient in domestic work.

WEDDING GOWN STOLEN

MISS RUTH HUTCHISON FINDS DRESS IN COURTROOM.

Eva Ferris, Domestic at Neighbor's Home, Arrested on Charge of Impersonating Employer.

Almost on the eve of the wedding, the bride dress of Miss Ruth Hutchison, daughter of Rev. A. L. Hutchison, pastor of the Third Presbyterian Church, lay two nights in the city jail, shrouding the form of another woman. Yesterday morning it was recovered, but its value as a wedding gown has departed.

Not for worlds would I wear it at my wedding," said Miss Hutchison. "Think of starting out married life in a dress that had been through such a place!"

The alleged thief is Eva Ferris, held on a charge of impersonating her employer to obtain goods from the department stores. She was arrested Saturday night, but the discovery of Miss Hutchison's loss did not come until yesterday, when members of her family appeared in Municipal Court and identified the stunning dress which the prisoner was wearing, a creation in rich brown, estimated to be worth \$100. It was a dress that Miss Ferris made the rounds of the department stores, and in it she found little difficulty in securing credit.

The Hutchison family lives next door to the place on East Pine street where Miss Ferris was employed, and while away on a vacation left the key of their house there. Miss Ferris had access to the key, which, it is charged, she used to open the Hutchison house and rifle the wardrobe.

CAST IS SELECTED

"The Mikado" to Be Given by Portland Newsboys.

DAILY REHEARSALS HELD

Production Being Staged to Help Raise Debt on First-Street Clubhouse—Two Performances Are Announced.

Rehearsals are now in full swing for the double benefit production of "The Mikado," to be given by the Portland newsboys to aid in lifting the debt on their First-street clubhouse. Performances will be given Tuesday and Wednesday evenings, September 9 and 10, at the Lincoln High School.

With a few exceptions all the vocal and dramatic talent has been chosen from the ranks of the newsboys themselves, and 50 enthusiastic "newsies" are hard at work learning the dance steps, catchy songs and comedy "business" of the famous old Gilbert & Sullivan opera. Many prominent society and club women are lending their efforts to the success of the enterprise and been taking in being taken in the nightly rehearsals.

The baritone and tenor roles of the Mikado and Nanki Poo will be taken by Lloyd Stiles and Elmer Quinn, high school students, who are helping the newsboys with the production, and three clever little Portland girls, Gertrude Beardley, Edna Pennington and Hazel Swanson, will play the roles of the Three Little Maids, Yum Yum, Pitti Sing and Peep Bo, with little Elizabeth Chin in the role of the lovely elderly Katisha. Charles Cohen, the boy Mayor, will be leading comedian, in Ko Ko, De Wolf Hopper's famous role. A number of specialists, contributed by juvenile talent friendly to the newsboys, will probably be interpolated.

Mrs. G. J. Frankel, assisted by Mrs. Helen Garr Reed, Mrs. A. Gieslach, Mrs. P. L. Thompson and Mrs. V. M. C. Silva, has charge of the arrangements for the production. The children are being trained and the rehearsals directed by Mrs. Margaret Chambers Clark. The cast of characters follows:

The Mikado of Japan ..... Lloyd Stiles Nanki Poo, His Majesty's Fool (Disguised as a wandering minstrel) ..... Elmer Quinn Ko Ko, Lord High Executioner of Rittupoo ..... Charles Cohen Peep Bo, Lord High Everything Else ..... Hazel Swanson K. S. KRYVIN & Co., Ltd., sole agents. Address second floor Selling bldg., Sixth and Alder streets.

DELINQUENTS MUST ACT

City Will Sell Property if Indebtedness Is Not Cleared Up.

In an effort to require the payment of all assessments due on bonded indebtedness by property owners for street, sidewalk and sewer improvements on or before September 10, City Treasurer Adams and City Commissioner Bigelow have arranged to offer for sale at public auction all property delinquent.

It is estimated that there is close to \$100,000 due from property owners, some of which is more than two years delinquent. Several payments which fell due in 1911 are on the books unpaid and many others run as far as a year behind. It is the plan of the city officials to bring these all up to date as quickly as possible.

Assessments and interest fall due annually on the date the assessment ordinance originally was passed. The property owners have 90 days in which to pay, after which time the city has the right to consider the delinquent delinquent and to sell the property to recover.

BIDS TO BE OPENED TODAY

Paving and Sewer Work Will Be Considered by Commission.

Bids for the paving of East Forty-third street, from Hawthorne avenue to East Division street, and East Sixth street, from Hawthorne to East Washington street, will be opened by the Commission at its regular meeting today.

Proceedings will be commenced for the improvement of the following streets: Mill street, from Sixteenth to Chapman; portions of Lexington avenue and other streets as a district; Forty-fourth avenue Southeast from East Seventy-third street to the city limit; East Gilman street from East Forty-fourth to East Sixtieth.

Proceedings will be started for the laying of sewers as follows: East Main street, from 99 feet west of Twelfth to East Ninth street; East Taylor and East Eleventh streets; East Madison street, from 90 feet west of East Twelfth street to East Ninth street.

Y. M. C. A. CLASSES LARGE

More Than 1500 Enrollments Are Expected by Officials.

Registration in the day classes of the Portland Young Men's Christian Association, which opened yesterday, exceeded that of the opening day last year. This was considered an especially good showing, as R. C. French, educational director, has been ill and unable to devote as much time as usual to preliminary enrollments. It is taken by the association officials to mean that the registration for the year will greatly exceed the 1500 mark, which was only slightly passed last year.

Most of the new teachers who have been employed have not taken up their work. Others will begin their duties with the opening of the night classes on September 22. At that time an educational rally will be held.
